present. Figuring that Crabb allowed but four hits and the Kaw twirlers but six, yesterday's game was a pitchers' battle, but from the thirteen runs Omaha made

and the three the Kaws counted, mathematics fails entirely.

To say the least the Kaws put up the wierdest exhibition of one o' cat seen around these parts for many a moon. In many mysterious ways, known only to the Kaws themselves, Rourke athletes were permitted to get on the sacks and eventually ramble over the plate with the ball hard and won the first game of the present series from Des Moines. today, in the ball hard and won the first game of the present series from Des Moines. today, in the ball hard and won the first game of the present series from Des Moines. The game was called at the end of the first half of the eighth inning on account of darkness. Score:

New Man Appears. mong those present yesterday was Mr. Schleibner, the well known 3,000 buck beaut. The beaut was a regular demon or the paths on one occasion. He walked and swiped second. Then he swiped third Then he swiped home, Mr. Schliebner did not make those steals because he is any Ty Cobb, but because he was possessed of considerable good fortune. When he went to second McAllister muffed the pill. when he went to third Cochran neglected to touch him because he thought that Graham had whiffed for the third man and he came home on a double steal with Graham conducting the weighty end and with the Kaw infielders throwing the

lister. Reisigi whiffed, but Cochran was passed and Wakefield was hit where he shouldn't have been. This filled the paths and Foreythe swung a drive to right. Congalton muffed said drive and three came over. Koerner rolled the next one to Graham and ended the round, although Dick Cooley and his cohorts opined it fidm't end the round, because Crabb had thrown his glove at the rolling pill. After galton muffed said drive and three came ten minutes of argument the combat continued with the round ending per orders of Umpa Cuilem

In the fourth Krug scored one for our gide by walking, stealing second, going to third on Lattimore's muff and scoring on Dunlop's sacrifice fly

Reisigl Chased in Fifth. The big noise broke in the fifth, Koer her made a wild heave error and Congalton was safe at second. The 3,000 buck beaut hit into a fielder's choice, but Reisigl bobbled Graham's grounder. Krueger souked one to left, scoring the beaut and Crabb was safe on Cochran's muff. With the bags choked Krug tore loose a triple over Talien's bean and three scored. Krug counted a moment later on

Dunlop's sacrifice fly. Mr. Boardman relieved Mr. Reisigl in the next inning and three came over or the newcomer. The beaut walked and stole, as related, while Graham was walking, thus making one run. Krueger busted a triple and Graham scored. Crabb walked and he and Krueger busted a triple and Graham scored. Crabb walked and he and Krueger pulled a double steal. Six stolen

bases in one round. Pretty nifty.

Again in the eighth the Rourkes became By Pursell. By Pursell, and Gaston. out. Krueger walked and rCabb hit a single. Krug beat out an infield hit and Duniop drove a pippin to center. Four

In the eighth the combat, which had become more or less punk, was livened up in an unusual and unexpected manner. Mr. Rapps appeared on the scene in a Germany Schaefer-Nick Altrock role, Mr. Rapps dispensed comedy for the last two innings in quite a cute manner and tickled the lady bugs immensely. Mr. Rapps has evidently seen Schaeffer and Altrock work as his stuff was relentlessly swiped from those sterling comedians. The same teams play today. Game
