MILD PRAISE FOR HITCHCOCK

Bryan Men Win Their Battle in
State Convention, So They Say.

OUT-VOTED IN THE FIRST ROUND

Come Back with Rush and Refuse to
Approve All of Senator's Politi-
cians—Appearance of a
Compromise.

(From a Staff Correspondent.)
COLUMBUS, Neb., July 29.—(Special
Telegram.)—The democrats in their state
convention at Columbus adopted their
platform, just before midnight, after a
six hours' session of the resolutions com-
mittee.

The platform endorses the national ad-
ministration, speaks of President Wilson
as the greatest executive since Jackson,
and compliments Secretary Bryan in
laudatory terms.

After a fight through most of the day
whether to endorse United States Senator
Gilbert M. Hitchcock, the resolutions
finally contain a mild endorsement of
his "ability and integrity of purpose,"
while avoiding open endorsement of his
principal activities in the senate in the
last two years.

"It's a victory for our side," said
Charles W. Bryan.

"Both the selection of the resolutions
committee and the platform itself is a
victory. We got what we wanted."

While the convention waited for the re-
turn of the resolutions committee, candi-
dates were called for. The first general
cry was for Richard L. Metcalf. Gov-
ernor Morehead and Berge were immedi-
ately called for also.

The chairman decided to call them in
the order of their filing. Thus George W.
Berge got the first opportunity to tell of
his merits as a democrat. He said he be-
lieved every corporation entitled to pro-
tection for its property.

Governor Morehead followed by telling
of his economical administration. He
said he did not know whether the repub-
licans would give the democrats credit
for the jump of 8 cents in wheat today
following the declaration of war in Eu-
rope.

Demands Fend Come to End.
R. L. Metcalf made little reference to
his own campaign, but said: "We want
a reunion between Bryan and Hitchcock
at Washington as we have had a reunion
here today."

He declared this would fill the offices
in Nebraska with democrats in twenty-
four hours.

Colonel John G. Maher, Mayor James
C. Dahlman, Congressman Dan Stephens,
E. F. Snavely, Edgar Howard, Earl Cline
and others spoke also.

France continues quietly to prepare for
war. The troops of the active army are
gradually concentrating near the fron-
tier.

A military guard has been placed in the
great flour mills at Cortail, near Paris,
which in the event of war would be taken
over by the army. The bakers in Paris
are laying in large stocks of flour and
the city authorities, to prevent all possi-
bility of famine in the capital, started
forming today a reserve store of fifteen
thousand tons of flour.

The police department is exercising a
general surveillance over Austrians and
Germans in Paris. The perfect of police
today ordered the discontinuance of the
service of the public at tables on the
sidewalks and on the terraces in front of
cafes in consequence of disorders which
have occurred since the beginning of the
international tension.

Appeal to Press.
The government made an appeal to the
press to keep calm and carefully verify
its news concerning the crisis, before pub-
licating it.

Adolf Messimy, minister of war, today
visited the military wireless station on
the Eiffel tower and ordered the staff to
be doubled, the officers to remain on duty
day and night.

President Poincare's return to Paris to-
day from his visit to Russia was made
the opportunity for a manifestation of
patriotic feeling by some thousands of
young men belonging to the League of
Patriots, of which Deputy Maurice Barres
is president.

The government today prohibited an
anti-war meeting called by the revolu-
tionary labor organizations.

WAR MAY FORCE ITALY FROM TRIPLE ALLIANCE.

ROME, July 29.—Fearing that his pre-
sented visit to the emperor of Germany
might be interpreted by his people as a
sign of his sympathy with the kaiser in
his efforts to draw the triple alliance
(Italy, Austria and Germany) into a war
with the triple entente (Russia, France
and England) King Victor Emmanuel is
seeking to recall his acceptance of Em-
peror Wilhelm's invitation to the military
maneuvers, Italy, weakened by its recent
war in Tripoli, has no desire for further
warfare, and Germany's efforts to save
the alliance through conflict may result
in its destruction.

AGREE ON BASIS FOR PEACE

Carranza and Carbajal Succeed in
Reaching Understanding.

IT PROVIDES FOR AMNESTY

Only Persons Exempt Are Those
Who Took Part in Overthrow
of Madero—General Za-
pata Will Co-Operate.

WASHINGTON, July 29.—General Car-
ranza and Provisional President Carba-
jal have agreed on a base for the arrange-
ment of peace in Mexico, according to a
message received here today by Jose Cas-
tillot, personal representative of Carba-
jal.

Mr. Castillot showed Secretary Bryan
his latest advice from Mexico City,
which stated that General Villal and
Justice Allende, Carbajal's two delegates
to Carranza, have been instructed to
carry out in detail the general basis of
peace "already agreed on."

This was interpreted by Mr. Castillot
to mean that through private channels
and through Reginaldo Cepeda, advance
delegate of the Carbajal government, now
with General Carranza, a definite under-
standing has been reached for a peaceful
transfer of the government at Mexico
City to the constitutionalists.

With respect to amnesty and guaran-
tees, General Carranza, it is understood,
will promise immunity to all except those
directly responsible for the overthrow of
Madero. Practically all those said to be
guilty have fled from Mexico, and that
exception will not be opposed by the Car-
bajal government.

It is expected that within a few days
the Carbajal delegation will have worked
out the details of an agreement. Diplo-
mats here expect that one of the first
questions will be on recognizing the
protocols signed at Niagara Falls be-
tween the United States government and
the Huerta government. Approval of
those by the constitutionalists probably
would mean recognition by the United
States, Argentina, Brazil and Chile.

An agreement, by which Zapata's forces
are to co-operate with the constitutional-
ists in restoring peace throughout Mex-
ico, has been arranged by delegates at
Vera Cruz, and now requires only the sig-
natures of Carranza and Zapata before
being made public.

A definite idea of General Villa's inten-
tions is expected soon.

General Laurio Villar and David G. Al-
lende, Provisional President Carbajal's
delegates to treat with General Carranza
in transfer of the Mexican government to
the constitutionalists, will leave Vera
Cruz today on the steamer Mexico for
Tampico, Consul Canada has reported to
the State department.

MASSING ARMIES IN PREPARATION FOR GENERAL WAR

of the exchequer, today made the finan-
cially tranquilizing statement in the
House of Commons that the Bank of
England saw nothing in the present
financial situation to make it necessary

British Fleet Sails.
The state of the stock market in Lon-
don showed that the situation was con-
sidered grave and the anxiety was added
by the issue of orders to the British
fleet at Portland to sail for a destination
which was not revealed to the public.

In the meantime dispatches from Vienna
showed that the movement of the Aus-
trian forces toward the Serbian frontier
was proceeding steadily, but a strict
censorship concerning the military move-
ments prevented the exact destination of
the troops from reaching the outside
world. All the Austrian and Hungarian
railways were taken over yesterday for
military traffic and transportation for
the general public was suspended.

Serbia, it was known, was just as active
in moving its troops. Strong forces were
dispatched to the fortified town of Val-
jevo and Uzbunje on the Bosnian fron-
tier and to Svaljatz in the eastern part
of the country, while strong divisions of
volunteers reinforced by regulars were
gathering along its river in Dina near
Losis in the Bosnian frontier.

Montenegro Gets Busy.
The Montenegrins were also making
preparations and had stationed a brigade
with a mounted battery near Priboj,
where women were busy building earth-
works.

Serbian and Austrian aviators at the
same time were flying along the fron-
tier trying to locate the positions of the
opposing forces.

As far as a general European war is
concerned, diplomats in London, while
they confess the situation to be most
grave, consider there is hope of averting
a conflict so long as the Austro-Russian
"conversations" continue at St. Peters-
burg.

Another danger has arisen owing to the
uneasiness in Germany at the prepara-
tions being made by Russia along its
frontier. Ordinarily, it is pointed out,
Germany and Austria have the advan-
tage over Russia in being able to mobilize
more quickly and they do not wish to
lose this advantage.

Reports have come through from Vienna
that the Russian Poles have organized a
revolution and have on several magan-
zines, but no confirmation of this has
come to hand from St. Petersburg.

Russia Mobilizing Army.
Partial mobilization of the Russian
troops in the southern and southwestern
districts was ordered by the Russian war
office last night, according to dispatches
received here.

It is argued in official circles that al-
though this action dangerously dimin-
ishes the chances of maintaining Euro-
pean peace, it does not necessarily imply
rupture of relations between Austria-
Hungary and Russia. The hope is still
expressed that some European power may
succeed in bringing about an understand-
ing between these two states.

The present mobilization order affects
only the Russian frontier contiguous to
Austria and not the German frontier. It
is confined to the military districts of
Kiev, Odessa, Moscow and Kazan. The
peace footing of each of these districts
is four army corps, each numbering 60,000
men, or a total of 240,000 men. The com-
mand to mobilize doubles this total, so
that 1,200,000 men are affected by the
order.

PEACE TALK FROM BERLIN.
Kaiser Likes Moderate Attitude As-
sumed by Russia.

BERLIN, July 29.—Military activity on
the Russian side of the frontier is con-
firmed by many evidences which have
reached the ears of German officials, but

it was stated here today that no mobil-
ization order had been issued by the
Russian war office.

Private reports from the Russian fron-
tier say distinct indications of Russian
military activity have been noticed there.
The Russian regiments, which have been
moving forward to occupy such important
strategic points on the frontier as Wir-
ballen, Russian Poland have been served
out with 300 rounds of ammunition per
man, while hasty purchases of forage
have been made for the cavalry.

A number of German regiments have
been moved toward the frontier as a pre-
cautionary measure. The men wear the
new service uniforms and carry their
field equipment.

The German crown prince arrived at
Potsdam today and a family council was
afterward held in the new palace.

The emperor and empress, the crown
prince and the other princes of the im-
perial family were present. They con-
ferred for an hour.

The North German Gazette, the official
organ of the German government, will
publish in its evening edition the follow-
ing comment on the international situa-
tion:

"The peaceful tone of the official Rus-
sian communication issued yesterday
finds a lively echo here. The imperial
government shares the wish of Russia
for the maintenance of peaceful relations,
and it hopes the German people will
support it by maintaining a moderate and
quiet attitude."

GERMANY AND ITALY ACTIVE
Austria's Friends Trying to Localize
Conflict.

VIENNA, July 29.—Germany and Italy
today continued their efforts to localize
the war declared yesterday by their ally,
Austria-Hungary, against Serbia, and the
efforts of all the European diplomats are
being directed toward the same end.

No further declaration has been re-
ceived up to this morning from Russia,
and that country also had made no fresh
attempt to intervene in the controversy.

The Russian ambassador to Austria-Hun-
gary, however, conferred with Count
Leopold von Berchtold, Austro-Hungarian
foreign minister, but it is understood
the interview was only for the purpose
of obtaining information. Nothing what-
ever is known here of the reported inten-
tion of Russia to make a declaration of
neutrality in case Austria-Hungary
should renounce the idea of territorial
expansion at the expense of the Balkan
state.

When the British ambassador here
called on Count von Berchtold yesterday
to submit the mediation proposal put
forward by Sir Edward Grey, the British
foreign secretary, he was informed that
the good intentions of Great Britain were
appreciated, but that war already had
been declared.

Dispatches received here, dated War-
saw, Poland, reported that several pow-
der magazines exploded in that city on
Monday and that several bomb explosions
occurred in the principal postoffice, many
persons being killed or wounded.

Another telegram says the entire citadel
of Warsaw was blown up and that semi-
official explanations declared the ex-
plosions to have been caused by light-
ning. The dispatch stated there was no
truth in the report that a revolution had
broken out among the Russian Poles.

GERMAN SOCIALISTS IN GAME

STUTTGART, Wurttemberg, Germany,
July 29.—Socialist anti-war demon-
strations in this city today led to such seri-
ous collision between the manifestants
and the police that the authorities called
out the troops to cope with the distur-
bances. The district where most of the
foreign legations are situated was sur-
rounded by police guards, who were at-
tacked with volleys of stones by the peo-
ple.

Senate Committee Will Hear Teddy

WASHINGTON, July 29.—The senate
foreign relations committee today decided
to inform Colonel Roosevelt, in response
to his request for a hearing in opposition
to the treaty to pay Colombia \$5,000,000
for the partition of Panama, that he
would be heard whenever the committee
determined to take up the convention.
Senators said, however, that it was not
probable that any further consideration
of the treaty would be had at this session
of congress.

DANVILLE, Ill., July 29.—Joseph G.
Cannon, former speaker of the national
house, here today made formal announce-

of the Eighteenth Illinois congressional
district. His announcement reads in part:
"I had not sought the nomination and
so told the committee, but after consulta-
tion I agreed to become a candidate, sub-
ject only to the primary election to be
held on the 8th day of September. I
therefore formally announce my candi-
dacy. If nominated I will make a vigor-
ous campaign for my election. If another
republican shall be chosen I will make a
vigorous campaign for his election."

DENVER, Colo., July 29.—Charles H.

eration of Miners, made a general
defense of his conduct in connection
with the recent Butte labor war, in an
address before the federation convention
today. The delegates resumed their dis-
cussion of a report by a special commit-
tee which investigated various charges
against the president. The report was
favorable to Moyer.

**HARMAN RULES OUT

LINCOLN, July 29.—(Special.)—Food

against a Sioux City vinegar firm that the
use of "First Prize" as a name for their
product is unlawful, in that it is a mis-
representation. In a letter to the com-
missioner the firm admits that its prod-
uct has never taken first prize and there-
fore the ruling of the commissioner fol-
lows.
