

CLEAN BILL FOR RUSMISEL

Principal of Commercial School is Completely Exonerated.

COMMITTEE MAKES ITS REPORT

Charges Are Dismissed and Committee Expresses Its Entire Confidence in Mr. Rusmisset and His Character.

Principal L. C. Rusmisset of the Omaha High School of Commerce, against whom charges had been preferred by three complainants, who said he had been "indiscreet," was exonerated by the Board of Education at a special meeting at noon.

Rusmisset Exonerated.

The resolution which was adopted follows:

Mr. President: Your committee on judiciary, to which was referred the charges filed against L. C. Rusmisset, principal of the High School of Commerce, begs leave to report as follows:

Your committee immediately upon receipt of said charges proceeded to inquire into said matter and in connection therewith received and heard the testimony of witnesses presented to sustain said charges and other witnesses in defense of the accused.

After careful consideration of the testimony and evidence presented and the arguments of counsel, your committee finds that nothing was proved that would in the least reflect upon the character, morals or high standing of Mr. Rusmisset as a gentleman and teacher.

Therefore, your committee moves that the charges be dismissed and that your honorable body express its entire confidence in Mr. Rusmisset and in his character and high qualifications for the position which he occupies.

Charges Were Flimsy.

President C. T. Walker did not discuss the action of the board, but members freely expressed their opinions to the effect that the "charges were flimsy and the evidence an insult to the common sense of the members."

Member R. F. Williams said "the men who brought these charges ought to be made to pay the expense of the investigation, for they were unable to bring in any evidence to support their contentions."

Dr. E. Holovickner, chairman of the judiciary committee, said the cost of the case to the school district would approximate \$400, the salary of the stenographer and expenses of teachers who were brought back from vacations to testify being the chief items.

The testimony of the many witnesses examined will be kept on record in the office of the secretary of the board.

Special cars will be run over the Omaha and Papillion line during the afternoon for the accommodation of those going to the picnic.

Missouri Governor Signs Requisition for J. A. Gustafson

Word has reached Omaha that John A. Gustafson, manager of the Burns' Detective agency at Kansas City, and who is charged with conspiracy to defraud Douglas county officials, has had his hearing at Jefferson City, Mo., before Governor Major, and that the latter has honored the requisition papers to bring the accused man to Omaha for trial.

Detective Frank Murphy is at Jefferson City in the interest of the local authorities and it is expected that he will bring Gustafson back here at once, unless Gustafson utilizes his right to institute habeas corpus proceedings.

FEWER ARMY ENLISTMENTS IN OMAHA DURING JULY

In spite of bumper crops, plentiful work, and fair wages, more men enlisted in the army from the Omaha district during the month of July in 1914 than during the corresponding month last year.

Forty-five men joined the army from the recruiting stations at Omaha, Des Moines and Sioux City last month, while only thirty-five men entered the service in July, 1913. Every station in the district showed an increase in enlistments excepting Omaha, which had twenty-two recruits this year, as compared with thirty-seven recruits for the same period of 1913.

CARTER LAKE CLUB HAS NEW SWIMMING INSTRUCTOR

To take the place vacated by the resignation of Gilroy Wendall, who goes to the Central Young Men's Christian association of Chicago as swimming instructor, the Carter Lake club has appointed William Westlund as swimming instructor at the club. Westlund is one of the best swimmers around Omaha and is fully

Rosalie Jones to Speak in Omaha on Women's Votes

Omahaans have waited long for suffrage street speeches and parades, but will be treated to both Tuesday.

"General" Rosalie Jones arrives in Omaha Tuesday morning, accompanied by her chaperone, Mrs. Ida Craft. She will be met at her hotel by a body of local college women, for Rosalie is a college graduate, and will be escorted by them to the Union Pacific headquarters building, where Rosalie will address a street meeting at noon.

"General" Jones will address another street meeting in the early evening, the place for which has not been designated as yet, and later in the evening will speak at the Empress theater.

Miss Helen Sorenson is in charge of the college women who will march with Miss Jones to the place where she will speak. Others who will march are Miss Ida Darlow, Miss Gretchen McConnell and Miss Margaret Guthrie.

Internal Revenue Receipts in Omaha Smaller for July

An edict from the commissioner of internal revenue prevents the collector from divulging figures on the income tax for the state, but it was presumed that the income tax would swell the receipts of the local office. Instead, the receipts for the month of July show a decrease as compared with the total receipts of July, 1913.

The total receipts at the office of the collector of internal revenue for the state of Nebraska for July, 1914, were only \$4,372.50, as compared with a total of \$7,706 for the same period last year.

A Hint for Coming Maternity

In a little book designed for expectant mothers more complete instruction is given in the use of "Mother's Friend." This is an external embrocation applied to the abdominal muscles for the purpose of reducing the strain on ligaments, cords and tendons.

In thus bringing relief and avoiding pain great good is accomplished. It serves to ease the mind, indirectly has a most beneficial effect upon the nervous system and thousands of women have delightedly told how they were free of nausea, had no morning sickness and went through the ordeal with most remarkable success.

"Mother's Friend" has been growing in popular favor for more than forty years. In almost every community are grandmothers who used it themselves, their daughters have used it and they certainly must know what a blessing it is when they recommend it so warmly. Strictly an external application it has no other effect than to ease the muscles, cords, tendons and ligaments involved hence is perfectly safe to use by all women. It is used very successfully to prevent caking of breasts.

"Mother's Friend" is prepared in the laboratory of Bradford Regulator Co., 404 Lamar Bldg., Atlanta, Ga.

TWO NEW MEN FOR LOCAL U. S. REVENUE SERVICE

Two new men have been appointed to the revenue service here, and assigned to the office of Revenue Agent Slusser for work in the Omaha district.

Frank C. Norton, ex-mayor of Burlington, Ia., and state secretary of Iowa for the Order of Eagles, has been appointed internal revenue inspector under Revenue Agent Slusser, effective August 1.

Paul M. Steen of Davenport, Ia., has been appointed a special officer under the revenue agent here, effective August 1.

After-Inventory Cleanup Sale

WE HAVE completed counting stock. In going through the various sections many small lots, broken lines, etc., came to light and we have marked them along with all summer merchandise at a radical price reduction to insure a quick and thorough clearance.

A Wonderful Season

FROM early spring we have had, all in all, delightful weather; nature has been at its best; record-breaking crops are the harvest; but it is from the business viewpoint that we regard this as a wonderful season.

After the unprecedented increase of business during the spring months, particularly in June, when we far surpassed our greatest expectations, it would not have been surprising had July opened up by merely keeping pace with the records for the same month last year.

But we nevertheless made most energetic efforts in the way of providing attractive values in attractive merchandise for this month, with the result that the percentage of increase in volume of business in July vastly exceeds that of the same period of last year or any other year.

This wonderful activity is indicative of a splendid confidence in this store's service on the part of the public; as well as of unusual fore knowledge on the part of our merchandise buyers in securing even more attractive values this season than ever before.

Please remember that our SEAL OF QUALITY means more than a guarantee of quality and value. It's an earnest desire to be of the "GREATEST SERVICE TO THE GREATEST NUMBER"—to do MORE THAN IS EXPECTED OF US.

BURGESS-NASH CO.
