Bowlers Meet and Start Ball Rolling For Coming Season

Omaha league bowlers began activities for the season of 1914-15 at their meeting last night at a local cafe. Practically the entire league membership was in attendance and the enthusiasm displayed gives the coming season a good outlook. William F. Weber, the newly elected president, took charge of the meeting and business pertaining to the league's organization. It was decided that the league be limited to six first class teams, competing under the scratch system. Franchises were awarded to the Jetter, Old Age, Stars, Metz and Mickey Gibson teams. Representatives of the Luxus, Corey-McKenzie and Old Style Lager teams were present, but withheld their applications until the next meeting of the league. Friday night was chosen as the regular league night, and Schoeneman's new alleys, now being installed at Eighteenth and Farnam, were selected as the place for all scheduled matches. The league this season will be affiliated with the American Bowling Congress, the parent organization, which will be a big boost for the game here. The opening date was not decided on, it depending on the completion of the new alleys. The meeting adjourned with instructions to meet again at Wroth's cafe Friday evening, August 22.

Wingo Out for Year.

While the Cardinals were in Philadelphia last week, Catcher Wingo had trouble with a foot without knowing what was the matter. At the suggestion of Manager Doolin, Wingo consulted Doctor Hooper, the Phil's physician. The latter took an X-ray picture and found that Wingo had a broken bone in his foot.

Mollwitz Chatty Young Man.

Some chatty young men have broken into the National League this season, but none can approach the flow of small talk which is spilled by Mollwitz, of the Reds, when he is on the field. He has 13 bases of the Brooklyn's beaten. He is wound up and never runs down.

BURWELL TRIMS ORD IN TEN-INNING GAME

BURWELL, Neb., Aug. 14.—(Special)—Burwell came from behind and defeated Ord today in a fast ten-inning game on the home grounds. Wright pitched a wonderful game, errors giving the visitors a score of three. All three of Burwell's scores were earned. McMaster's wonderful running catch in deep center and Jones' battling with Wright's pitching were the features. Score: R.H.E. Burwell..... 0 0 0 0 1 1 0 1-3 2 3 Ord..... 0 0 0 0 0 0 0 0-2 4 3

"Big Ed" Walsh, Base Ball's Most Sensational Comeback

CHICAGO, Aug. 15.—No man on the Chicago White Sox is more elated over "Big Ed" Walsh's come back than is that same Big Ed Walsh, himself. The twirler is proclaiming his return to form as a triumph of mind over muscle, and he believes he is a better pitcher now than he ever was. A year ago his strength entirely left his right arm and it was only by the stiffest kind of a bluff that he managed to win a game

last night. Finding that his strength did not return, the big fellow was considering quitting the game. He was urged not to, but to study the methods of the batters he faced. He admits now that before his arm went wrong he knew little about the art of pitching, depending only on his strength to win. Since his arm went bad, however, he had devoted himself to a thorough study of the twirling art and now he has come back as one of the best pitchers in the game.

Freddy Welsh Ready for Fight With Charlie White

NEW YORK, Aug. 15.—Freddie Welsh, in answer to a challenge on behalf of Charlie White, the Chicago lad who defeated Willie Ritchie, has issued the following statement: "Indeed, Charlie White has proved his right to a match with me and he can have it just as soon as he can find a promoter who believes the bout would draw a sufficient crowd to meet warrant the putting up of a purse of a reasonable amount. 'I don't say I will give White the first chance, because on my return to the United States, around October 1, I intend to fight every lightweight in that country whose ability gives him any prospect of beating me and winning the title. 'It won't be exactly a case of first come, first served, but it will be a case of the biggest purse solely. 'As far as allowing White to dictate the terms of the match or considering his stipulation regarding weights are concerned, all I have to say is that I am champion and as such stand on my

Forty-Four Horses Competing for the Money at Kalamazoo.

TWO RACES GO EXTRA HEATS

Eleven Horses Comprise Field in Two-Ten Pace, Which Goes to Peter Stevens After Some Fast Competition.

KALAMAZOO, Mich., Aug. 15.—Five races with an aggregate of forty-one horses competing, furnished a heavy card for the fourth day of the local Grand Circuit meeting. Two of the contests, the \$200 Burdick Hotel stakes for 2:10 pacers, and the 2:12 pace, went five and six heats, respectively, and were grueling struggles. The 2:12 trot, purse \$3,000, and the 2:15 trot were won in straight heats.

Interest centered in the 2:10 pace. The field numbered eleven horses, including Frank Patch, and King Cushman, which were figured as the most dangerous contenders. King Cushman won the first heat, the second going to Peter Stevens. Then Carmelia took a heat. Peter Stevens had the class of the bunch and won the fourth and fifth heats and the race.

The time, 2:05 1/2, 2:05 1/2, 2:05 1/2, 2:07 1/2, was disappointing, faster miles being expected. The track was a bit slow as a result of Thursday's heavy rain and a breeze down the stretch hindered the horses in the getaway.

The 2:12 pace was a race between fourteen horses. Frank Patch won the second, third and sixth heats and the race. Leila Patchen finished first in the fourth and fifth, while the first heat went to Grand Opera. There were whipping finishes in practically every mile.

The 2:15 trot was easy for Barney Gibbs. The meeting will close tomorrow with four events carded. Trotting, 2:15 class, three in five, purse \$1,000; Grand Opera, b. m. (James), 2:15 4 7 8; Time, 2:06 1/2, 2:07 1/2, 2:08 1/2, 2:09 1/2, 2:10 1/2.

Facing, 2:15 class, three in five, purse \$1,000. Leila Patchen (Cox), 2:11 1 2 5 1; Grand Opera, b. m. (James), 2:11 2 3 2 2; Time, 2:06 1/2, 2:07 1/2, 2:08 1/2, 2:09 1/2, 2:10 1/2.

Facing, 2:15 class, three in five, Burdick Hotel stakes, purse \$2,000. The Great (Garrison), 2:11 1 2 1 1; Nelson, 2:11 1 2 5 2 2; Carmelia, b. m. (Cox), 2:11 1 2 4 4; Ruby K, b. m. (McDevitt), 2:11 2 2 2 2; Time, 2:06 1/2, 2:07 1/2, 2:08 1/2, 2:09 1/2, 2:10 1/2.

Facing, 2:15 class, three in five, Columbia Hotel stakes, purse \$600. Belwin, b. h. by McKinney (Garrett), 2:11 1 1 1 1; The Guide, b. h. (Geary), 2:11 2 2 2 2; Hazel Loring, ch. h. (Ludlow), 2:11 2 2 2 2; Time, 2:06 1/2, 2:07 1/2, 2:08 1/2.

CHICAGO, Aug. 15.—St. Louis defeated Chicago, 2 to 1 today in a pitchers' duel. Vaughn's wildness with errors by Saier and Schulte cost the locals the game. The fielding of Sweeney, Archer, Huggins and Dolan was brilliant. Score: R.H.E. Chicago..... 0 0 0 0 0 0 0 0-1 0 0 St. Louis..... 2 0 0 0 0 0 0 0-2 0 0

Phillies Penny Wise and Pound Foolish in Keeping Players

PHILADELPHIA, Aug. 15.—A little matter of \$5,000, which the Phillies refused to spend, will cost the local club something like \$100,000 before the season closes.

Five thousand dollars would have kept Seaton and Dolan for that club. In fact, the shortstop actually did quit over a matter of \$5,000 bonus which he claimed Manager Doolin had promised him and which President Baker refused to pay.

The profits of last year's campaign were in the bank when Baker booted the play. Either he did not want to spend money or, underestimating the attraction of the Federal, thought he did not have to.

As a result, the Phillies are down in the pennant chase. But they have not been more than ten games behind the leading Giants at any stage of affairs, and it is putting a fair value on the pair to say that they are worth at least ten games in seventy.

Seaton alone might be worth that in the box. When it is considered that the hole at shortstop has been Dolan's chief trouble all season, Dolan's is emphasized.

This \$5,000 would have augmented the state all the way, because a club in the race invariably outdraws a second division team, and might very well have brought the world's series thousands into the treasury.

The sum of \$15,000 in added salaries would have kept all the Philly jumpers, Seaton, Dolan, Brennan, Walsh, Finerman and possibly even Knabe, though the managerial lure is a strong one.

This year's annual endurance run of the Chesapeake Motorcycle club of Baltimore covered a distance of 200 miles. About thirty riders took part in the run.

E. G. Buckley of Janesville, Wis., has just completed a four-weeks motorcycle tour of the east. Detroit, Cleveland, Buffalo, New York, Washington and Boston were included in the cities visited by Buckley.

George Smith and Harry Robbins have just arrived in St. Louis, having traveled from Salt Lake City by motorcycle.

Skin Diseases Often a Mystery

The Right Treatment Will Solve Worst Problem

The key to unlock the mysteries of eruptive skin afflictions is S. S. S., the famous blood purifier. If you will write for a splendidly illustrated book "What the Mirror Tells" you will learn why and how S. S. S. causes new skin and tissue to replace the afflicted spots. Get a bottle of S. S. S. today at any drug store and waste no more time with salves, ointments or lotions. Skin health comes from your blood. It comes from the network of your blood vessels that intrudes all skin treatment and tissue. Now, when S. S. S. enters the blood it is carried throughout your body in about three minutes and its most active work takes place in the skin. Here it puts into motion the process of preparing all impurities into a substance that is promptly expelled through the skin pores. This process goes on day and night, all eruptive conditions cease; the old skin disappears in the form of invisible vapor or perspiration. Don't fail to get a bottle of S. S. S. today and write for the valuable book to The Swift Specific Co., 103 Swift Building, Atlanta, Ga.
