KAWS COP LENGTHY PASTIME

Game Goes Two Hours and Half, Due to Lack of Discipline.

UMPS PERMIT MUCH STALLING

Pyfe Makes No Effort to Porce Players to Work, with the Result that Pans Are Hindered In Seeing Game.

A smattering of bugs assembled in Rourke park yesterday afternoon to lamp the noble athletes of Omaha and Topeka pastime about the lot for some two hours and a half. Why they pastimed that long is hard to relate, but the best reason assigned is because Umpire

The game should have ended in an hour and a half, but Fyfe permitted the players to stand around in an abominable manner, with the result that the Kaws failed to win until the shrouds of darkness crept over the grandstand and the bugs went home because they couldn't see any more. The final score was 7 to 4 in favor of the Kaws. .

Five Hurlers Used. Five pitchers were used during the afternoon, evening and night. Willie and Dashner performed while it was daylight, but Sanford, Relaigh, the well-known -Austrian, and Red Styles obliged during the dusky hours. None of them did any particularly nifty pitching, even though

the hits were boarce. The Kawa counted three runs in the fourth inning on a couple of hits and a couple of fine errors by Bchliebner and Willis. Three errors by the Kaws gave the Rourkes one in the third, and two subles and a walk gave our boys two in the fourth. The other Bourke count was made on Congalton's triple and Burrell's single in the eighth. In the ninth the Rourkes had three men on with none out, but Kruz, Thomason and Schliebner fell

Tailenders of Entire Season Defeat Beatrice, Runners Up for Honor, and Virtually Decide the Outcome.

GRAND ISLAND, Neb., Sept. 1 .- Grand Falkenberg's good pitching and hard hit-Island broke the tie with Beatrice today and landed the pennant for 1914. President Miles, who witnessed the game, immediately after the contest went out on the ground and met Manager Clair as he came from his position on first base and congratulated him upon his clean work throughout the season. At this time it was known that Kearney was in the lead of Beatrice at Kearney and that Bono was pitching and the congratulations were as to the general managerial conduct of the Grand Island leader and the clean lineup he had assembled. They were, nevertheless, hearty and of such a nature as to indicate the president's conviction that the pennant for 1914 had been striven for valiantly by several teams; that the game had been fast and the league successful, and that the record of the year was very satisfactory, and that the final outcome had been decided upon
