American Peace Society Explains All About Causes of War.

WANTS PEACE LOVERS TO PRAY

Insatiable Ambition of Certain Rulers" Declared to Be One of Reasons for Titante Struggle.

WASHINGTON, Sept. 12. The enermous armaments of European nations, compulsory military service exacted from the people, the insatigute ambition of certain rulers to increase their personal power and intolerable so ret alliances between nations" are among the causes of the European war cited in a message to the American people issued today by the American Peace society, calling upon natural resources of the state offered by Peace-loving people all over the land to units in prayer tomorrow and to continue their efforts each succeeding day until world peace is restored. The message, which is signed by Senator Theodore E. Burton, president of the societ, and Arthur D. Hall, director, follows:

Consequences Beyond Conjecture. The frightful consequences of the present European conflict are likely to be The governor also calls attention to the such large numbers of men and such having been repulsed by the Rossians at omise of his republican opponent for quantities of armament been engaged in the governorship to reappoint Harley G. mortal combat; never before have such was intended by the Germans as a diver-Moorhead election commissioner of Doug- deadly machines of warfare been loosed sion in aid of their sorely pressed Aushas county, which he claims is evidence in the destruction of man and property, trian allies or to scatter the Russian atthat his administration along this par- Many thousands of lives are being sacri- tack on Koenigsberg.
