## Comfortable House or Cottage

Omaha is a city of desirable houses and cottages. It is surprising when you know what it is possible to secure at a modest rental.

In any section of the city may be found houses of all styles and sizes, modern, in pleasant surroundings, yards, porches, etc., which only the folks who have lived in one can fully appreciate. .

The widest possible range of choice may be had now. In another month it will not be near so easy to find a house that will fit your requirements in every detail.

Look over the listings in the "Houses and Cottages" columns and mark those that look promising. Tell the advertiser you are a Bee reader and thus ges particular courtesy.
