WHITE SOX COME BACK

Chicago Americans Even Up Series for City Title.

WIN GAME IN NINTH FRAME

Cheney, Who Is Hit Frequently, Weakens and Loses Control and Cubs Drop the Contest.

CHICAGO, Oct. 8.—The local Americans evened up the series in the city championship series with the Chicago Nationals by winning the second game, 5 to 2.

The Americans won the game in the ninth inning after a hard-fought, up-hill battle. In this inning Cheney, who was hit frequently, weakened and lost control. After he had retired two batters on strikes, Weaver singled. Cheney attempted to catch him off first base and threw to the stand. Blackburn singled and Weaver scored the winning run. The game was clinched when Zimmerman fumbled Collins' grounder, Cheney made a wild pitch and Pournier doubled. The other two runs were the result of bunched hits.

The Nationals made their scores on Schulte's double, singles by Sweeney and Leach, a base on balls and an error by Weaver.

Total paid attendance, 12,100; total receipts, \$9,050.75; commission's share, \$366.77; players' share, \$4,587.40; each club, \$5,225.40. Score: R.H.E. Americans, 5 2 0 0 0 0 0 1 2-12 1. Nationals, 2 0 0 0 0 0 0 0-3 4 3.

Would Keep Canadian Grain Within Empire

OTTAWA, Ont., Oct. 8.—Canada's grain should be kept within the British empire for fear that otherwise it might find its way into the hands of England's enemy in war. In the opinion of the Saskatchewan Grain Growers' association.

It was learned today that a memorial had been prepared for the situation by Sir George E. Foster, minister of trade and commerce, asking that the dominion government arrange to co-operate with the British government to sell Canadian grain direct from the farmers of the prairie provinces at a price of 11 per bushel for wheat and 60 cents for oats for these next three years.

The memorial points out the storage facilities at the disposal of the Canadian government and urges that the harvest should be secured for the empire's need, rather than be exported into the United States whence it might be shipped aboard and reach Germany.

Bomb is Dropped Into Paris Suburb

PARIS, Oct. 8.—A German aeroplane flying over Paris and the suburbs of Aubervilliers and St. Denis at 9 o'clock this morning dropped two bombs, one of which wounded three persons. The other did no harm.

Hostile air craft usually have avoided Paris and vicinity early in the day because of the dangerous atmospheric currents then present. The French troops stationed in the city and suburbs have been commanded not to fire on the aeroplanes because of the danger to the public from falling bullets.

WEATHER MAN NOT A SPORT

Prediction for World's Series Today Saddens Fans.

PHILADELPHIA, Pa., Oct. 8.—Today's weather predictions for the world's series base ball game here tomorrow and Saturday saddened the hearts of the fans. They were for low hanging clouds with occasional light rain.

"Chick" Davies, the young New England college player, is the latest to go on the hospital list of players. Physicians diagnosed his ailment as catarrh of the appendix. Davies was advised to submit to an operation for appendicitis, but he has refused to think of it until after the big series is over. Davies is a pitcher, but Mack is developing him as an outfielder.

Managers Stallings and Mack had a torrid conversation over the telephone today, according to the leader of the Boston team. Stallings said Mack called him up to protest against interviews in newspapers in which Stallings characterized Mack's refusal to let the National league champions practice at Shibe park this afternoon "as unparliamentary." Mack attempted to "call him down" said Stallings, for such talk and hot words followed. The Boston manager appeared to be greatly worked up.

More than a score of fans took their position in a line outside of the bleacher entrance to Shibe park last night. It was more than thirty-six hours before the time set for the opening of the gates for the initial contest when George Ross of Camden, N. J., took his place at the head of the line.

A cold, drizzling rain, which fell intermittently during the night made it very uncomfortable for the prospective purchasers of bleacher seats, and many of them sought protection on the porches of nearby residences. In spite of the fact that they had spent long, weary hours waiting for the opening of the reserve seat sale, several of the same men and boys were noticed in the bleacher line today.

Becher's Triple, Followed by Doyle's Single in Tenth Inning, Gives McGraws Victory.

POLO GROUNDS, N. Y., Oct. 8.—Becher's triple, followed by Doyle's single in the tenth inning, gave the New York Nationals a 5 to 3 victory over the New York Americans in the opening game of the Manhattan championship series here today.

Both Mathewson and Keating were hit hard. Bunched hits on Mathewson gave the Americans three runs and the lead over the Nationals in the sixth. The Giants batted well in the seventh and regained a lead, only to have the Highlanders tie the score in the ninth. Score: R.H.E. Americans, 3 0 0 0 0 0 0 1-3 2 2. Nationals, 5 1 0 0 0 2 0 1-13 2.

Batteries: Americans, Keating and Sweeney; Nationals, Mathewson and Meyers.

Russians Hold All Passes in Carpathians

ROME, Oct. 8.—(Via London.)—In Vienna answer to the statement from Vienna that the Russians have been completely driven out of Hungary, the Russian ambassador to Italy declared today that Russian forces now occupy the entire province of Bukovina, seven-eighths of Galicia and one-fifth of Hungary.

There appears to be very little betting on the series. The Mackmen are the prevailing favorites at long odds in the wagers that are being made. Several large amounts, however, have been placed on single games.

Yellowjackets Are Out in Full Force

Millions of yellow jackets are swarming around Council Bluffs. Their numbers have been so great that in some instances they have driven painters from buildings upon which they were working.

On the north side of the Auditorium building for the last few days the insects, seeking winter quarters in the interstices of the outer walls, have collected in such numbers that they have resembled swarms of bees. Myriads of them creep into homes through the smallest apertures around window and door screens.

They belong to the hornet family, vindictive, quick to resent intrusion upon their nesting places and abundantly able to punish the intruders, but reared for years under sheltering eaves and window ledges of human abodes, great psychological changes have taken place in their natures. They will not attack a person except upon great provocation, and then only in self-defense. The numbers are indicated by a swarm that literally filled a vacant store building on South Main street when it was opened yesterday. Attention was attracted by a steady stream of them entering through a keyhole. When opened the room was found to contain thousands of them.
