Team Being Worked Up.

Captain Jorgensen and Other Offi-

cials Feeling Optimistic over the Prospects in Sight This Year.

A strong and heavy foot ball team is being developed by Coach Dow of the Chicago Nationals delivered today and as University of Omaha. Though some of the new players are green, the majority American league opponents, 4 to 5, in ten have played on high school teams before coming to the Omaha school. One requisite that nearly all the members of the game was by far one of the best which material has been so light that it was has been played in the city in years. It practically impossible to put out a winning team. Thon, again, Coach Dow has when Eddie Cicotteg who had pitched the more men trying out for positions than best kind of ball for eight innings, weak- ever before. On an average, more than Prior to this time but two scat- twenty-five players come out regularly. tered hits were obtained off his delivery. allowing a great deal of scrimmage work Very few of the old men returned to the ninth. He beat out a scratch hit, school, making it necessary to build up

At center, Orin Mathiason has the best chances of holding the pivot position. After the American's took another lead Mathiason is a new man, both to foot ball in the tenth on Schalk's double, an error and the school. His speed and weight a flight. As the rain was too heavy to and Cicotte's fly, the Nationals came easily give him an advantage over his
