#### Help the Stomach Digest Your Food

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that ferments and generates polsons that are gradually forced into the blood. causing distress and often serious

Most people naturally object to the drastic cathartic and purgative agents that shock the system. A mild, gentle laxative, positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by druggists at fifty cents and one dollar a bottle. It does not gripe or cramp, but acts easily and pleasantly and is therefore the most satisfactory remedy for children, women and elderly persons. For free trial bottle write to Dr. W. B. Caldwell, 61" Washington St., Monticello, Ill.
