**MASONS LAY CORNERSTONE**

Order to Officiate at Ceremony at Dundee's New School.

**OCCURS SATURDAY AFTERNOON**

School Boards of Omaha, South Omaha, Florence, Benson and Council Bluffs invited to attend big affair.

The cornerstone of Dundee's new school house is to be laid at 2:30 Saturday afternoon with appropriate ceremonies. The grand lodge, Ancient, Free and Accepted Masons of Nebraska, assisted by Capitol Lodge No. 3 of Omaha, is to lay the stone. The lodge will act as escort to the grand lodge on the occasion, and all the Masons of Omaha, South Omaha, Benson and other nearby towns have been invited to turn out and help to make it interesting and impressive.

The officers of the grand lodge who will be present are: Thomas M. Davis of Beaver City, grand master; Samuel S. Whitney of Lincoln, deputy grand master; Andrew M. Vies of Norfolk, grand senior warden; Frederic L. Temple of Lexington, grand junior warden; Francis E. White of Omaha, grand secretary; Charles G. Wilson of Gothenburg, grand chaplain; Arthur A. Brooks of Hastings, grand orator; Robert L. French of Kearney, grand custodian; Ambrose C. Epperson of Clay Center, grand marshal; John L. Tooley of Anselmo, grand senior deacon; Joseph H. Fradenburg of Omaha, grand junior deacon; Alexander E. Porter of Lincoln, grand Tyler.

Grand Custodian French of Kearney will come to Omaha Friday to complete arrangements for the ceremonies.

**Masons to Gather.**

The Masons will gather at the Masonic temple at Sixteenth street and Capitol avenue at 1 o'clock and go to Dundee in special cars to be provided.

The ceremonies at the school house will be very impressive. Besides the work of the Masons there will be a brief address by Daniel L. Johnson, singing by the pupils of the Dundee school, under the direction of Mrs. Alice C. Peterson, the principal, and other exercises by the children. Sixteen young girls, robed in pure white, will lay garlands of flowers on the corner-stone and the pupils of the school will form in line and march past the stone, each of them depositing in it a slip of paper bearing his or her name. The pupils will sing "America," "The Star Spangled Banner" and "Hail Columbia."

**School Boards Invited.**

Superintendent Graff, Principal Reed of the high school and the members of the Omaha Board of Education, the school boards of South Omaha, Benson and Florence and the Board of Village Trustees of Dundee have been formally invited to witness the laying of the corner-stone, and a special invitation has been issued to all the people of the Dundee school district.

**Hill Line Provides Club Car for the Women Passengers**

For the benefit of its women passengers the Burlington has put on a car that is something new in railroad equipment.

In the past the railroad and the officials admit they have not given the women much attention in the way of affording conveniences for travel. For the men they have had club cars, with lounging rooms, where they have been made to feel perfectly at home. On the other hand, the female passengers have been forced to ride in the day coaches, or else pay extra for riding in the sleepers during the day.

Now there is an innovation on the Burlington, and on the Nebraska main line it is running on its through trains club cars for the women. These cars are provided with lounging rooms, the appointments being the equal of the club cars for the men. The Burlington is the first road in the country to put these cars in service.

**JEWISH FRATERNITY MENORAH IS ORGANIZED**

A local chapter of the national Jewish fraternity, Menorah, was organized Sunday afternoon at the home of Miss Sophie Weinstein. The purpose of this society is to study Jewish life and to advance the intellectual and ethical spirit of the Jewish students of this city. Many prospective members were present and the following officers were elected: President, Jacques Rieur; vice president, Miss Sophie Weinstein; recording secretary, treasurer, Mrs. Lena Lipsey; corresponding secretary, Albert M. Pfeffer; reporter, Sol Ravitz; Miss Nora Fred was chosen chairman of the program committee.

The organizer of this society is Jacques Rieur, formerly of New York university, but now a student at the University of Omaha. All Jewish colleges and junior and senior high school students have been invited to attend the next meeting, which will be held at the home of Miss Goldie Melcher, 804 South Thirty-third street, Tuesday, October 27, at 8 p. m.

**KNIGHTS OF COLUMBUS ELECT NEW OFFICERS**

At a meeting of the Knights of Columbus held Tuesday evening the following officers were elected: G. G. Hincher, grand knight; W. C. Fraser, deputy grand knight; F. P. Murphy, chancellor; A. E. Henry, financial secretary; C. B. Dugdale, treasurer; F. B. Mathews, advocate; P. F. Kennedy, warden, and G. W. Fitzgerald, trustee.

**VISITING NURSES WILL ELECT OFFICERS NEXT WEEK**

The Visiting Nurse association will hold its annual meeting Wednesday, October 21, at the city hall headquarters. Election of officers will take place and reports of the various committees will be given.

**Stop Those Early Bronchial Coughs.**

They hang on all winter if not checked, and pave the way for serious throat and lung diseases. Get a bottle of Foley's Honey and Tar Compound, and take it freely. Stops coughs and colds, heals raw inflamed throat, loosens and clears and is mildly laxative. Chas. T. Miller, M.D., Enquirer, Cannelton, Ind., had bronchial trouble, got very hoarse, coughed constantly from a tickling throat. He used only Foley's Honey and Tar Compound. Was entirely relieved. Wants others to know of Foley's Honey and Tar. All dealers everywhere.—Advertisement.

**Complain Horses Overworked—Find Children Hungry**

Kind hearted neighbors telephoned for the humane officer when they saw three thinny hags being worked by Charles Barrett, a teamster living near Twenty-second and Paul. They were indignant.

They failed to notice five emaciated children, poorly clothed and hungry. They failed to notice that the children lived in a coal shed with the horses, and that their mother worked out to supply them with what little food they could get. The neighbors who noticed the horses did not trouble themselves to learn anything about the condition of the people who owned them.

Humane Officer Hans Nelson, investigating the complaint, found the family in a more pitiful condition than were the animals. Five children, all under 14, were hungry and barefooted. The shed in which they lived was cold and food was scanty.

The Barrett family came here several weeks ago from St. Joseph, Mo. The father is unable to earn very much money because of his seedy animals, yet the horses are all he has to rely on.

Nelson took the animals out to a pasture and brought the matter to the attention of the proper charitable authorities.

**Suffs to Bring in Big Guns to Close Their Campaign**

Suffragists are mustering the "big guns" before the close of the campaign. Catherine Vaughn McCulloch of Chicago, to whom much of the success of the Illinois campaign is due, will arrive Thursday and will work throughout the state. No arrangements have been made for an Omaha speech by Mrs. McCulloch as yet.

Dr. Anna Howard Shaw, president of the National Suffrage association, will speak at the Brandeis theater Friday evening, October 30, and William Jennings Bryan, secretary of state, will speak at the Auditorium Saturday evening, October 31.

**Farm Lands Ideal for Fall Wheat Crop**

E. J. Pierson, first vice president in charge of operation, at Louis; A. D'Bernardi, general superintendent, Kansas City, and J. F. Hugs, superintendent, Falls City, all of the Missouri Pacific, came in from the south this morning and here met Alexander Robinson, assistant to President Bush. Together the party went out on special to make the fall inspection of the Nebraska and Kansas lines.

Superintendent D'Bernardi, speaking of the crop conditions in southern Nebraska and through Kansas said:

"Taking everything into consideration, the year has been one of the best for the farmers of the two states. They raised a bumper small grain crop and the corn is going to be fully up to the ten-year average. The high prices will net the farmers more return than in past years and they have no reason to complain.

"The long continued spell of wet weather is putting the ground in perfect condition for fall wheat and the acreage sown, I think, is the largest in years. Everywhere through my territory the seeding has been finished and farmers are waiting for dry weather that they may begin plowing corn."

**TICKET SALE FOR CLAMBAKE TO CLOSE THURSDAY NIGHT**

About 600 tickets for the Elks' clam-bake at Krug Park, October 22, have already been sold, and nearly half of them have been disposed of in Lincoln, Plattsmouth, Fremont, Fairbury and Council Bluffs.

It is necessary, in order to place the order for sea food in the eastern coast markets, to know how many tickets are sold, as the dealers must have one week's notice properly to fill the order. It is stipulated in the order that the soft shell clams, the oysters and the hard shell crabs must arrive alive. The quobags must be killed and dressed within forty-eight hours previous to shipment, in order that the freshest and best quality of the same may be served at the lake. Fifteen barrels of rock weed are included in the order. The bake when prepared is covered with this rock weed, which enhances the sea flavor of the food.

John Stipple will prepare the bake and will arrive in Omaha on Sunday morning next from Columbus, O. On October 8 he pulled off the tenth annual bake for the Columbus Elks, and it was attended by 1,000 people.

**FLYING SQUADRON OF THE SUFFS IN THE FIFTH WARD**

A flying squadron of suffragists, headed by Miss Elsie Vandergriff and Miss Jane Thomson, is invading the Fifth ward, knocking at every door and leaving suffrage literature. The suffragists were entertained at luncheon at the home of Mrs. Thomas P. Reynolds, 302 Sherman avenue.

As the campaign nears the closing, suffrage headquarters in the Brandeis Theater building are besieged with requests from organizations for suffrage speakers, according to Mrs. George Doane, who is in charge.

**SUFFRAGIST IS TO MARRY**

One of the Field Workers Captured by Dan Cupid.

**COURTSHIP BY TELEPHONE**

Denver Newspaper Man Bombards This City with Messages—Wedding to Take Place After Election.

Little Dan Cupid has invaded the ranks of the suffrage speakers in Omaha. He shot his dart at Miss Elsie Vandergriff, the energetic little speaker, who with Miss Jane Thomson is accomplishing the last big work of the campaign, the ward and precinct canvass. Miss Vandergriff will stay in the field until the night of election day, and after the result is known, leaves for Denver, to be married the following day to Mr. Ralph Benedict, well known newspaper man in that city.

The courtship has been carried on by long distance telephone and telegraph ever since Miss Vandergriff's arrival in Omaha, as many as five calls and four messages being registered at suffrage headquarters and Mrs. H. C. Sumner's residence, where Miss Vandergriff is a guest, on any day.

Miss Vandergriff is under contract to Mrs. Carrie Chapman Catt, one of the leading spirits in suffrage, until next November, but since she is so near to her home in Denver, she was granted her vacation for the month of November. Upon learning this, Mr. Benedict insisted on a November wedding, which was arranged after Mrs. Catt had extended Miss Vandergriff's vacation until January 1.

After the honeymoon, Miss Vandergriff will resume her duties in other campaign states until her contract expires.

Miss Vandergriff is a graduate of the University of Colorado, through which she worked her way. She has been entirely self-supporting, besides contributing to the support of her mother and sister since she was 13 years of age.

Mr. Benedict is a graduate of Harvard and has traveled extensively abroad. Suffragist? Why, of course!

**Experienced Women Advise Mother's Friend**

Because it is so perfectly safe to use and has been of such great help to a host of expectant mothers, these women, experienced in its most happy period, advise the use of "Mother's Friend."

Applied externally to the abdominal muscles its purpose is to relieve the undue tension upon the uterine ligaments resulting from muscular expansion. Beneath the surface is a network of fine nerve threads and the gentle, soothing embrocation, "Mother's Friend," is designed to soothe the muscular fibres as to avoid the unnecessary and continuous nagging upon this myriad of nerves. It is a reflex action.

Applied to the breasts it affords the proper massage to prevent caking. Thousands of women have reason to believe in this splendid help under the trying ordeal of motherhood. Their letters are eloquent evidence of its great value to women. In use for many years it has come to be a standard remedy for the purpose.

There is scarcely a well-stocked drug store anywhere but what you can easily obtain a bottle of "Mother's Friend" and use it every day and night in a grand, grandma, who herself used it in earlier years. Expectant mothers are urged to try this splendid assistant to comfort. Nerves, colds, in preparation by Broadfield Regulator Co., 410 Lamar Bldg., Atlanta, Ga. Send for our little book.
