Sunday Schools All Over the State Help in the Splendid Work Undertaken by The Omaha Bee.

A contest among towns of the state, to beat each other in making contributions toward the Christmas ship, is the latest development in the charitable undertaking. Citizens of various towns are so impressed with the needs of war-stricken European boys and girls, and so anxious to have a large part in the great humanitarian work of the Christmas ship, that communities are vying with each other to see which shall do the most toward making up the ship's cargo.

CELEBRATING HIS FORTIETH ANNIVERSARY IN BUSINESS.

A. HOSPE.

A. HOSPE HERE FORTY YEARS

Proprietor of Music and Art Store Celebrates Business Anniversary.

STARTED IN A SMALL WAY

Total Capital When He Began His Career in Omaha Was Some Old Prints and Sixty-Five Dollars in Cash.

Friday A. Hospe celebrated his fortieth anniversary in business in Omaha. Just forty years ago Mr. Hospe came to Omaha from Ohio and opened an art store at Fifteenth and Douglas streets.

Now he has earned the distinction of being the only man in Nebraska to have conducted his own place of business for so long a time.

Mr. Hospe's first store was a tiny affair, the room fifteen by eleven. Now his establishment at 1513-15 Douglas street is a three-story building, and at Sixteenth and Izard street he occupies a second three-story building for warehouse purposes and a branch in Council Bluffs.

Mr. Hospe's concern now includes one of the most modern art houses in the country, and, in addition, he has a complete line of musical instruments and phonograph supplies. The firm has sold 28,000 pianos during its career. These pianos have been delivered to every state in the union, with but nine exceptions.

Many of Mr. Hospe's employees have been connected with him a long term of years. Edwin Vahlecamp, in the wholesale department, is the oldest employee, as he has been affiliated with the firm for thirty-four years. O. O. Over has been with Hospe for twenty-seven years, and many of the employees have been with him over twenty years.

PARCEL POST MAIL SHOWS A CONTINUOUS INCREASE

Division Superintendent C. A. Reed of the railway mail service states that the parcel post mail is picking up rapidly and will probably break all records this winter.

As an example of the rise in the last few months, he cited the week ending August 29, in which 1,314 sacks were received as compared to the week ending October 17, in which 3,309 sacks were cared for. As this is indicative of the retail business being transacted, it shows plainly that in Nebraska business is picking up despite the check caused by the war.

REV. LOAUNITZ JOHANSON DEAD AFTER BRIEF ILLNESS

He since held pastorates in Boston, Chicago, Alton, Sioux City and Omaha, coming here in 1883.

The deceased was born at St. Albans, Vt., and for more than thirty years was a member of the diocese of that state. He had visited here several times.

Britons Give Up Hope for Safety of Submarine E-3

LONDON, Oct. 24.—The admiralty, through the press bureau, issued today a list of officers and men of the British submarine E-3, with the statement that it is feared no hopes for the safety of the submarine can now be entertained.

Berlin official advices, under date of October 23, stated that the British submarine E-3 was sunk on Sunday October 18 by German warships in the North Sea.

The destruction of the E-3 is the first loss suffered by the British submarine service in the war. The boat was comparatively new, having been completed in 1913. It carried sixteen men.

About 250 manufacturers of the state are expected to attend. One of the features of the entertainment will be a dinner at the Commercial club on the first evening, complimentary to the visitors, given by the Omaha manufacturers.

YOUTH'S LEG IS BROKEN AS FALLS IN AUTO'S PATH

While attempting to reach for a base ball that fell from his hands as he was riding with his brother on a motor truck belonging to the Richardson Drug company, Tony Rizzo, aged 9, 1213 William street, lost his balance and fell from the machine at Tenth and William streets, last night, directly in the path of an oncoming automobile driven by E. R. Brainerd, 216 South Thirtieth street. The youth suffered a broken left leg just above the knee, and was removed to St. Joseph's hospital by police surgeons.

CYCLISTS SEVERELY HURT BY OBSTRUCTION IN ROAD

E. L. Kinsey, a telegraph operator, living at 514 South Twenty-second street, was probably fatally injured shortly after midnight this morning, when he was hurled from his motorcycle into the curbing at the entrance to the Twenty-fourth street viaduct going south. He suffered a compound fracture of the skull, severe lacerations about the head and a badly mangled hand. He was removed to St. Joseph's hospital by Police Surgeons Kinyoun and Edstrom and little hope is held for his recovery.

According to Kinsey, who was still able to talk when picked up, he was going along at a fair rate of speed, and just before he hit the viaduct entrance at Twenty-fourth and Hickory streets suddenly ran upon a buggy wheel, which hurled him far into the air and against the curbing. How the wheel happened to be lying on the highway is a mystery to the police.

Water Board Sues the City of Omaha

The Water board yesterday started in district court two suits to recover from the city of Omaha \$24,700. An injunction suit against the city and Treasurer Ure would forbid the collection of taxes amounting to \$42,000. Another suit asks judgment for \$12,700 of the Water board fund used by the city for paying expenses in connection with the laying of the new Florence main.

In the injunction suit the Water board alleges that its property is exempt from taxation since 1912, when the Omaha Water company transferred it to the city. Forty-two thousand dollars of taxes, which would have been paid by the old water company had it retained possession, are standing on the treasurer's books and he is threatening to sell water district real estate at the tax sale November 2. A temporary restraining order forbidding this was secured.

In the other suit the Water board alleges that it advanced the \$12,700 in issue to the city in February, 1913 as the result of an emergency. The money was never returned, the Water board asserts, and asks judgment for this amount and interest.

Pelvic Catarrh

Tongue Cannot Express How I Suffered

I Would Not Do Without Peruna.

I Thank You.

Miss Emelie A. Haberkorn, 2351 Gravois Ave., St. Louis, Mo., writes: "For over two years I was troubled with catarrh of the pelvic organs. I heard of Dr. Hartman's book, 'The Ills of Life.' I read it and wrote to the doctor, who answered my letter promptly. I began taking treatment as soon as possible. Tongue cannot express how I suffered with my stomach, and I also was troubled with catarrh of the head. I didn't feel like myself for a long time. So I began taking Peruna. I have taken four bottles, and now I cannot praise it enough. Any one who has chronic catarrh should write to Dr. Hartman. He will help any one. I feel grateful for what the doctor has done for me, and would not do without Peruna. I find it has improved my health so much that I will recommend it to any one cheerfully. I thank the doctor very much for his kindness."
