

By MELLIFICIA.

Monday, November 9, 1914.

NE never can tell what's at the end of a wire, anyway A popular Omaha man had a sweet thought and decided to surprise a certain young lady friend with "Bon-Voyage" greetings of roses. This young lady sailed for Europe in the early summer and on arriving in her stateroom, an enormous bunch of American Beauties awaiting her. Needless to say, she was pleasantly thrilled and letters sallied forth to this most gallant swain with profuse expressions of the home of Mrs. A. D. Dunn, 1006 South

thanks, just as they teach in the code. Mr. Man could not understand from whence these outpourings of man, chairman of the child welfare comtender nothings from an order of but two dollars worth of flowers. He was mittee of the social science department enlightened very shortly, however, on receiving a bill from the New York florist for ten dollars.

This not penurious eastern florist could not conceive of a mere two dollars going such a distance and was sure the Omaha florist had made a their plan to bring a teacher who has mistake in the order and decided to become fairy godmother to the chap.

Thereby hangs the tale, but the prevailing wonder is who paid the in Rome for the instructor. other eight dollars? Nobody knows, the question remains unsolved. Did N. Halsey of the University of Omaha the Omaha florist, the messenger service, or New York's generously dis- will speak on "The Montessori System posed florist pay the bill? The man in question swears he did not.
