sion Also Urging State Give Them Further Aid in Way of Coin.

(From a Staff Correspondent.) LINCOLN, Nov. 15.-(Special)-Three state departments are asking for larger appropriations for the next two years. according to reports filed in the office of State Auditor W. B. Howard.

The railway commission will ask for an appropriation of \$125,000, as against an appropriation of \$104,490 for the last two years. The items cover \$82,000 this year for general office expenses, including extra help, as against \$45,990 at the last For the regular office help nession. \$25,000 is asked, as against \$21,940 two years ago

#### Library Appropriation.

The library commission two years ago received an appropriation of \$15,000 and asks for \$19,750, which includes \$1,900 for a state institution librarian. It asks that, the sum be foted in lump

The State Board of Agriculture, which has been looking after the compilation of agricultural statistics without cost to the state, is asking his year that \$6.000 voted for that purpose. On account of the bad weather during the fair this year the financial department of the nociety is not as flush as formerly, and will need some help along the lines of gathering statistics.

#### Needs Seen by Hall.

Two years ago the legislature gave the National guard \$75,680 for running expenses. This year General Hall believes. that \$98,686 will be needed to meet the penses will take \$1,000 increase. He asks for no increase in armory rent or for probably continue for some days longer. salaries. An appropriation of \$5,000 for Divorces have been granted in the folrifle range and rifle practice is asked. The national government is buying the range at Ashland, but it is expected that the state will appropriate something toward its maintenance.

The State Banking board will be antlefted with \$1,000 less than it has formerly had, the lessening expense coming from the extra help, postage and express part of the office.
