CRIMSON IS VICTOR BY 36 TO 0 SCORE

Harvard Wins Its Greatest Triumph Over Yale in Quarter of Century in New Bowl.

ELIS CANNOT MAKE ONE POINT Twice They Stand Almost Under Goal Post of Enemy, but Fail to Register.

LATERA PASS WITHOUT AVAIL Five Touchdowns Made by Visitors in Splendid Contest.

THEIR DEFENSE IS WONDERFUL One of Sensations is Appearance of Captain Brickley in Fourth Period, Who Kicks Goal.

NEW HAVEN, Conn., Nov. 21.—Harvard scored its greatest triumph of more than a quarter of a century over Yale in the new blue "bowl" today. Five touchdowns brought the points to 36 to 0 in favor of the crimson. The Harvard offense drove Yale back for many yards, while the dreaded Yale lateral pass was unable to bring a blue score. Twice Yale stood almost under the Harvard goal post, but could not produce a score.

The strength of the Harvard defense was one of the most remarkable shown by a Crimson team in many years. One of the sensations was the appearance of Captain Brickley in the fourth period. Brickley figured in the scoring by kicking a goal.

The usual demonstration followed the end of the game and it was singular that the three latest foot ball edifices of Harvard, Princeton and Yale should have received their dedication by defeats of the home team.

Harvard Wins Toss. Harvard won the toss and elected to defend the south goal. Yale gave the Crimson the kick off and Mahan booted to Legore, who came back thirty yards from the seven-yard mark. Two attempts failed to gain and Legore punted to Mahan on Harvard's twenty-yard line. The Harvard back went all the way to Yale's thirty-seven-yard mark, Knowles tackling him from the rear.

Using Bradlee three times and Mahan once the Crimson made a first down on the twenty-five-yard line. Bradlee hit the line for five and Francke made six yards on a fake kick, then repeated for five more, and Bradlee on a delayed pass went to the five-yard mark. Talbott threw a wing shift for a loss, but Harwick took a forward pass from Mahan and scored a touchdown around Brann. The Crimson needed only eleven rushes to score from the thirty-seven-yard line. Harwick missed a hard goal. Score: Harvard, 6; Yale, 0.

Knowles ran the second kickoff back thirteen yards from the fifteen-yard line. A lateral pass lost seven yards and Ainsworth was thrown for a loss of five more. Legore punted to his own forty-seven-yard mark. Harvard made one first down, then Yale stiffened and Mahan threw a forward pass out of bounds. It was Yale's ball on the thirty-yard mark. Legore punted over the Harvard goal line. Yale claimed Mahan touched the ball before it crossed and claimed a safety, which was not allowed.

Starting from their twenty-yard mark the Harvard backs ripped off gains of fifteen, sixteen, fifteen, five and eight yards. Then a penalty of fifteen for holding halted them and Mahan was forced back twenty yards on an attempted forward pass. Mahan punted and Legore returned it. The ball was Harvard's on their thirty-five-yard line when the period ended.

Harvard Scores Often. Second period: Yale's left was at once attacked, Mahan skirting the right end for successive runs of nineteen and twenty-two yards. Then he went through the center for seven. Watson replaced Logan, Bradlee and Franck made a first down on the nine-yard line. On a delayed pass Mahan made six yards. There was a fumble on the next play, the ball rolling across the line. Franck fell on it for a touchdown. Harwick again missed goal. Score: Harvard, 12; Yale, 0.

Yale tried kicking off this time. Carter replaced Stillman and Bradlee was forced out of bounds at his twenty-two-yard line. Harvard tried rushing again, but Yale forced a punt. Legore running it back from his own twenty-five to Harvard's forty-five-yard mark. Ainsworth made five and Knowles three yards through the line. Knowles made the first down. He was used three times more, and with three to go on the fourth down shot a forward pass to Ainsworth on Harvard's thirteen-yard mark. Eight rushes had yielded thirty-nine yards. Harvard was penalized for delay and Knowles went to the six-yard mark. Then he was stopped at center on the next play fumbled. Coolidge recovered and sprinted the length of the field for the third Harvard score. Harwick kicked this goal. Score: Harvard, 19; Yale, 0.

Walden kicked off and Mahan came back twenty yards to his thirty-yard mark. On the second rush Bradlee went through center standing up and ran to Yale's thirty-yard mark. Two more plays gained ten, then Harvard was penalized fifteen for holding. Mahan's attempt at a field goal was blocked, but Harvard recovered. King took Bradlee's place. From the forty-yard mark Harwick made seven, then Yale held. Mahan kicked short for a field goal and Legore fumbled on his ten-yard line. Harvard again recovering. Again Yale held, and on his third try, this time from the twenty-five yard mark, Mahan drop-kicked a goal. Score: Harvard, 27; Yale, 0.

Walden kicked off and Harwick advanced to its own forty-three-yard mark when the half ended. During the first half Harvard completely outplayed Yale in every department of the game. With the exception of a short fumble at the beginning of the second period, Yale never threatened the Crimson, while the Cambridge men rolled up a score of 21 points, which, in the largest previous score ever made by Harvard against Yale, the Elis also developed a disastrous fumbling streak in the second period, two fumbles directly resulting in touchdowns.

Two Men Injured. Third period: Walden kicked off to Mahan on the ten-yard line. Mahan ran back twenty-seven yards. After two short gains Mahan punted and Legore's return punt was blocked. Wallace got it

ILLINOI CINCH TITLE; TRAMPLE BADGERS

Powerful Urbana Eleven Wins Clear Title to Western Championship by 24 to 9 Victory.

NO RESISTING ITS OFFENSIVE Visitors Make Three Touchdowns by Way of Pogue, and Macomber and One Field Goal.

MADISON, Wis., Nov. 21.—The powerful Illinois eleven won a clear title to the western conference championship here today by taking its final game of the season from the University of Wisconsin by a score of 24 to 9.

Illinois made three touchdowns by way of Pogue and Macomber, and one field goal, and the Badgers made one touchdown and a safety. The Wisconsin line could not resist the fierce plunges, and with the visitors' brilliant backfield the Cardinals had little chance to win.

Badgers Win Toss. Wisconsin won the toss and elected to defend the east goal. Wagner caught the kickoff on the ten-yard line, but was downed without gaining. Wisconsin lost on a fumble. Clark recovered and raced fifty yards for an Illinois touchdown. Macomber kicked goal. By terrific line simasces Illinois won its way to Wisconsin's ten-yard line, where they were held. Macomber added three points by a drop kick from the twenty-five yard line. First quarter: Illinois, 10; Wisconsin, 0.

Forward Pass Fails. Second Quarter—Illinois got within striking distance of Wisconsin's goal when Wisconsin took the ball on a fumble and kicked out. Illinois tried a forward pass which failed. Pogue gained twenty yards by see-sawing through the line, and a forward pass gained ten yards. Pogue received the ball on a punt and ran sixty yards for Illinois' second touchdown. Wisconsin downed Macomber in his tracks when he received the next punt. Illinois then caught Bellows in like manner on the kickoff. Wisconsin then resorted to the kicking game.

Cummings cheered Wisconsin's hopes with a long drive through center. Wisconsin tried forward passes without success. There was no further scoring, and at the end of the half the score was Illinois, 17; Wisconsin, 0.

Kicks to Hellows. Third Period—Macomber kicked to Bellows, who returned five yards on a forward pass to Kelly. Wisconsin made thirty. Two more forward passes put the ball within five yards of the Illinois goal, and in two more plays Wisconsin scored, Cummings carrying the ball. Hellows kicked goal.

Macomber made fifteen yards around left end and then essayed a fake pass which failed. Stavrum for Wisconsin ran

thirty yards to the Illinois fifteen yard line, where he was downed by Macomber. A penalty gave Wisconsin five yards more. The next play gained a yard. Two more followed, and on the next play Illinois held for downs. A safety netted two points for Wisconsin, and the period ended Illinois, 17; Wisconsin, 9.

Pogue Downed. Fourth Period—Pogue was downed in his tracks on recovering the ball on the kickoff. Illinois made desperate attacks on the Wisconsin line, but for some time the Badgers were able, as a rule, to block their plays. Macomber tried a field goal from the thirty-five-yard line, which fell short by a few inches.

Pogue worked his way forty yards through all interference for Illinois' third touchdown. Macomber kicked goal. The fleet Pogue got away for twenty yards more through the line. A drop kick Taylor made ten yards and Smith five. Hellows tried a pass without success. Bellows tried several more aerial throws, each ending without advantage. Final score: Illinois, 24; Wisconsin, 9.

The lineup: WISCONSIN: L.B. E. ILLINOIS: Grave, Starkman, L.B. R.T. ...

Leads Harvard to Victory Against Yale Bulldog

Walter Henry Trumbull, Brickley's successor, the Crimson foot ball team's present leader, has proved himself one of the best men in the game today. He has played center, tackle and guard positions in several of the big games and was largely responsible for the big score against Yale.

GOPHERS DEFEAT MAROONS

MINNESOTA'S FORWARDS EARN TEAM SECOND PLACE IN BIG NINE.

CHICAGO, Nov. 21.—Minnesota's great forwards today earned for the Gophers second place in the big nine conference foot ball standing. Tearing big holes in the Chicago line, they cut paths through which the Minnesota backs crashed for two touchdowns to the Maroons one, winning, 13 to 7.

DOANE WALK OVER BELLEVUE

CRETE, Neb., Nov. 21.—(Special Telegram.)—The Doane Tigers defeated the Bellevue team here today, 39 to 6. The visitors won the toss, and chose to receive at the north, taking advantage of the strong wind. They failed to make their downs and Doane took the ball down the field with a few brilliant runs, but were called back for holding. Marsh dropped for a kick from placement, but failed. Bellevue again failed to make downs and Marsh soon went over the line for the first touchdown, but failed to kick goal.

NORTHWESTERN ELEVEN OHIO STATE WINS OVER

COLUMBUS, O., Nov. 21.—Ohio state closed its 1914 foot ball season here today with a victory over Northwestern. The final score was 27 to 0. The only chance the Purple players had to score came in the second period, when aided materially by penalties, they advanced the ball to Ohio's twenty-five-yard line. Fullback Patterson dropped back for a drop kick, but the ball went wide.

Navy Overwhelms Ursinus Eleven

ANNAPOLIS, Md., 21.—With a team composed largely of second string men, Navy closed the season at Annapolis by defeating Ursinus, 23 to 2.

The visitors scored on a safety in the final moments of the game when Culbert, who had gone in at half for the Navy, in trying to punt out of danger from behind his own goal was forced to down the ball after a bad pass. This play followed a strong stand by Navy on its one-yard line, when it got the ball on downs. It was the only time Ursinus got within striking distance of the Navy goal.

Rutherford Plays With Broken Shoulder

IOWA CITY, Ia., Nov. 21.—(Special Telegram.)—Dick Rutherford broke his shoulder blade in the second quarter of the game today, it was learned tonight. Rutherford made no mention of the fact to Steim and continued in the fray until the last whistle blew. It was noticeable in the last half that Rutherford favored his shoulder in tackling, and the information learned tonight makes the reason plain. It was a great exhibition of pluck and nerve, as Rutherford was always in the thick of the battle.

Hawkeyes Fight Uphill Game Valiantly and Gross, Garretson and Carberry Prove Big Ground Gainers.

Statistics of Game. First downs gained: Nebraska, 17; Iowa, 10. Field goals: Nebraska, 4; Iowa, 2. Successful forward passes: Nebraska, 7; Iowa, 3. Yards gained by passes: Nebraska, 157; Iowa, 70. Punts: Nebraska, 235 yards in 5 punts; Iowa, 202 yards in 2 punts. Penalties: Nebraska, 10 yards; Iowa, 45 yards. Total yards gained: Nebraska, 401; Iowa, 322.

IOWA CITY, Ia., Nov. 21.—(Special Telegram.)—The rusty toe of Captain Vic Halligan alone saved Nebraska from a tie game with Iowa today. Halligan booted three field goals from placement, setting a total of nine points. Those points, coupled with the one touchdown counted, made the Nebraska score, 16 to Iowa's 7.

Something was lacking in the Cornhusker attack. The team was lacking in that old spirit and fight, which has given the University of Nebraska an envied reputation from coast to coast and it is also apparent that the sturdy athletes were suffering from an attack of "cheatiness." Those two delinquencies nearly defeated the Huskers and, as related before, Halligan, playing his last game for Nebraska alone won the battle.

Hawkeyes Crash Line. The Nebraska line, that shrewd bundle of beef and strength, which has fumbled the attacks of the mightiest, crumbled like so much paper before the Hawkeyes. On the defense and on the offense, the Hawkeye line upset the Nebraska rank on every occasion. The Cornhusker interference, another virtue, which has heretofore played such an important part in Nebraska victories, was uneven and practically of no benefit to the men carrying the ball.

Only for a brief few minutes in the third quarter did the Cornhuskers show their old-time form. Then a series of masterfully executed forward passes and desperate line plunges by Rutherford swept the ball down the field to the stretch line, where Potter squirmed over for the lone Nebraska touchdown.

Potter Always Ready. Nebraska's secondary defense and Herb Potter, playing safety, kept the Iowa score to one touchdown. Time and again Garretson, Parson, Carberry and Gross broke through the line and were only downed by that secondary defense. On numerous occasions the Hawkeyes started well-balanced forward passes that escaped everybody but the vigilant Potter. The little Husker quarter spoiled many passes which, if successful, would have given the Iowa runner a clear field to the goal line. Chamberlain, the sensational halfback, who had in previous games broken away for frequent long runs, was powerless. Not once did he make a gain of over six yards. Rutherford, while consistent, barely averaged five and six yards. DeLamatre worked up to standard at fullback and Potter and Halligan and Howard shone brilliantly, but the rest of the team was miserably weak.

First Point Scored. Potter, Halligan and Howard, three men playing their last game for the Scarlet and Cream, were the real stars. Whenever Nebraska made long gains it was along the aerial route to Howard or Halligan from Potter or Halligan. Halligan's tackle was the only invulnerable spot on the Nebraska line. Halligan's booting was nothing short of miraculous. Three place kicks out five attempts were accomplished. One was from the thirty-eight-yard line, another from the thirty and the third from the twenty-five yard

Organization of the Rifle and Revolver Club is a Success

The Greater Omaha Rifle and Revolver club is meeting with success. A large number of applications have been received from business and professional men in Omaha and vicinity, as well as from a number of men from out in the state, who desire to affiliate with the club. Applications, membership cards and stationery has been printed. A small club house is being considered and planned for the range, which will probably be in East Omaha, handy to the car line, and where members may go out in the afternoon and do their shooting without consuming a lot of time. In addition to the 60-yard range an indoor range has been secured for use in stormy weather and for those that do not care for the long range. Every possible convenience will be afforded the members of this club to learn how to shoot straight, and more especially for the young men past 16 years of age, as a number of men who have been in the army and marine service, as well as the local National guard, will be available as instructors to those that have not had previous experience in handling the rifle. Members will not be allowed to do any shooting until they have qualified in aiming and handling the gun. The general idea of this is to make it absolutely safe for those on the range at all times. The entrance fee will in all probability be raised after the first of the year, in order to limit the membership, as it is not desired to have more than 200. Applications for membership should be made to E. Ray Allen, secretary, 603 Woodmen of the World building, or through any officer or member.
