Window Shade Troubles Handled by Specialists

Our service is unique and valuable for we clean and re-new window shades. We have proven to real estate men and others that we can stop a big leak in the upkeep expense of houses through doctoring window shades.

Clean window shades add to the attractiveness of a house as well as its sanitary condition. Window shades are very difficult to keep clean and can be made so only through our efficient system, which we have specialized in.

We also manufacture all kinds of window shades. We believe our shades cannot be duplicated for the prices. We have been in the business a long time and know what cloths are best adapted to this purpose.

Satisfaction Fully Guaranteed.
