eFform a Staff Correspondent.)
LINCOLN, Jan. 21-(Special.)-A lib erary gem was given today when Senator mway of Dixon presented gavels in behalf of the engineering department of the university to 'Lieutenant Governor Pearson and president pre tam of the Senate, Phillip H. Kohl.

In the precentation of the gavel to the

In this small and physically harmiest-less teel of sovernment lies all the potent forces of human freedom. It marks dis-tinctly the sharp dividing line betwen a confliction of human society, where night alone makes right and a govern-ment of law created and administered by the pupple, where equity and justice relan, where there are no high, no lowly, no mighty and no weak, no ruler who ap-mentes and no subject to be oppressed, where equity, justice and mercy have been planted in the soil of equal oppor-tunity and hioseomed into the motto of our great state, "Equality before the law."

our great state. "Equality before the law"

Made from the woods of Nebraska forest trees, those of us who love the great
outdoors see again a vision of the forest
reconstruction whose vitals it was fushioned. We see the passing years, the
days of sunshine and of rain, the cool of
evening dews upon its sun-parched leaves,
the gleam of many sunsets turning its
soft green to twilight purples. Then
comes the whispering winds of night and
the dreams of the quiet night time when
stars above hold guard alone. Again we
see the storm-tossed boughs braving the
winter's hisst of bonding to the hurricane at sunsner as the years pass on,
outil at last the needs of nan call it
from among its forest brethers for its
human takes. We follow it to the great
institution which is the crown of our
educational system—the University of

(From a Staff Correspondent.) Lincoln, Jan. 21.-(Special.)-Rep. LINCOLN. Jan. 21—(Special.)—Representative Reinner's aterilization bill was satisfying news has struck the state house this session than the one made Whether this was caused by the faut late this afternoon that the lunch counte that Relener had to take the place of the would be opened up next Monday in the chaplain and pray for the rest of the state house corridor nembers does not appear, but his prayer was much an elequent plea for mercy has been made because of no lunch for his colleagues that when his bill came facilities, but now all is happiness. up for reconsideration it lacked only four votes of breething again. Now the bill

is probably dead.

The attempt to raise the bill was started byt Stebbens of Dawson, who wanted to raise it over the report of the medical committee. Reisner, admitted Governor Morchead was opposed to it and Covernor Morehead was oposed to it and g. y. 87. Beat of Custer—To render law-hinted he would veto it if it passed, making under initiative and referendum more expeditious, and effects the recall of officers with greater safety and distinct think it policy to try to do much with it.
