Public Welfare Bill by the Douglas Delegation Includes Many Things

Within Scope of Its Provisions. BOULEVARD IMPROVEMENT COST

(From a Staff Correspondent.) LINCOLN, Neb., Jan. E .- (Special.)-A for Omaha if House Roll No. 187, introduced by the entire Douglas county dele-

to regulate and supervise commercial Whenever the mayor and council shall authorize such public welfare board to take charge of any part of the recreation system of the city they are given authority to utilize the buildings and grounds under control of the Board pard, and the educational board is given authority to grant the right.

Grades of Authority. The board is given authority as follows:

To parcie or pardon persons convicted under the ordinances of the city; to establish an employment bureau; to provide to be used only in paying off matured honds of the city.

The bill provides that in case of conmission of the city; to establish a charity bureau; a municipal farm and workhouse; a welfare loan agency; investigate the housing of inhabitants of the city; to provide for the study of, and research into, causes of povertry, crime and disease, and to promote the health and general welfare of the city.

In 1829, came to America and located in Dodge county in 1865. He was married to Mrs. Mary Myers in 1870. His widow, wo daughters, six sons, one step-son and three step-daughters survive him.

Hugh Allen.

NORTH BEND, Neb., Jan. 22.—(Spentre) of the city.

General License System. The bill goes into a general method for the regulation of the city along the lines tioned, gives the mayor and council the power to license pawnbrokers and all kinds of business such as peddlers, au tioneers, brokers, commission merchants, showmen, innkeepers, toll bridges, insurance, telegraph and express companies, vendors of patents, etc. It gives them authority to tax any vehicle in the city and provides for registration of the same. board of five park commissioners, shall be appointed by the mayor shall have authority over musical concerts in the parks and provide for Mitchell and Curtis, for stuff used -on the same, but they are limited to an expenditure of \$8,000.

Much of the bill covers the old statute relating to municipal corporations, but there is much new matter relating to the local conditions as they appear to be seded by the city, according to the in-

Authority to Grade.

One important addition relates to im provements regarding grading, etc., and provides that the mayor and council may order such improvements by ordinance when it is embraced in any district the outer boundaries of which shall not exceed one and one-half miles from any street surrounding the city hall grounds or where the street sought to be improved is part of one of the main thoroughfares leading out of the city, in which latter case such improvement may be ordered irrespective of the distance

Up to the House to Force the Senate to Economy Plan

LINCOLN, Jan. 22 .- (Special.)-It now up to the house, the senate this morning adopting the report of the senthe appropriation bill for the pay of members and employes of both branches from \$104,000 to \$110,000. In addition they umped the appropriation into one item, as has been the case in former years, while the house divided the amount, giving the senate \$10,000 and the house a like sum to pay the employes.

The senate accepted the report without a vote against it, which means that a joint committee may have to fight it out if the house stands pat on its original announcement to force the senate to the economy plan adopted by the house. Members of the upper house, however, do not deem it probable that the lower house will go any further in what the senators are prone to regard as a meas-

Norton Sees Saving in Spite of Printing

(From a Staff Correspondent.) LINCOLN, Neb., Jan. 22 -- (Special.)-In his report on the printing contract Rep-LINCOLN, Jan. 22.—(Special Telegram.)

Jerry Howard this morning attempted to have the report of the industrial committee appointed two years ago to look into labor conditions in Nelwaska read before the house. An objection to the reading was sustained, but it was announced that Mr. Howard could have the report read at the session Monday.

STATUS OF WATER POWER

CREATURE OF WATER POWER

Tesentstive Norton today showed that under the juil house journal cost 34,232. Under a revision of the contract let for the present session, wherein the corrected copy of the journal which has been paid for at the rate of \$160 a page, could be cut out and the printed copy or pin ksheet placed on the members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead by the two remaining members of the board and the district treasurer instead of the printed constraint and the printed constraint an resentative Norton today showed that unfor night work, the 1915 journal would sections. probably cost \$4,686, making a difference

(From a Staff Correspondent.)

LINCOLN, Jan. 22.— (Special.)—The house today authorized Speaker Jackson to name a special committee to look into the status of waterpower grants made by the State Board of Irrigation, with a probably cost 44,5%, making a difference this year about 449 or thereabouts. He thought that the advantages to be gained would more than make up for the extra cost. He also recommended the typewritten engrossed bill instead of the board to levy tax not exceeding one-tenth of 1 mill for purpose of aiding erection of soldiers' monuments.

He thought that the advantages to be gained would more than make up for the extra cost. He also recommended the typewritten engrossed bill instead of the of 1 mill for purpose of aiding erection of soldiers' monuments.
