Superintendent Thomas Rules Advanced Subjects May Be Taught in the Country Districts.

WORK FOR THE WINTER TIME

(From a Staff Correspondent.) LINCOLN, Feb. 2.-(Special.)-Dr. O, Thomas, state superintendent of ed ucation, has rendered a decision that advanced subjects may be taught in rural schools if the same be not allowed to interfere with the regular work of the pupils in the elementary grades.

The decision is set forth in a letter to W. H. Campbell of Clarks, or the committee on education of the Nebraska Farmers' congress, who wrote requesting

The ruling covers the case of mature pupils who wish to attend the district schools during the winter months when farm work is light. Dr. Thomas cites High School Inspector Reed of the University of Nebraska to the effect that the university will give full credit for such advance work done in the district schools should the student later go to regular high school.

Money Meant for a State Show at Fair For Belgian Relief

(From a Staff Correspondent.) LINCOLN, Neb., Feb. 2:-(Special.)-By far the greater share of those who purchased medals and otherwise contributed to the fund for a Nebraska exhibit at the Panama-Pacific exposition, a proposition that failed, are willing that their contrbutions be turned over to the Belgian relief committees.

The temporary Panama-Pacific commission for Nebraska, appointed by the governor, which made an attempt to raise the fund, recently wrote to all the contributors informing them that the attempt had been abandoned and that they might have their choice of having their money back or of giving it to the Belgians. In the latter case the committee would turn the money, mostly in small sums, directly over to the relief commit-

Secretary Mellor has received 176 of the return postals, directing him to give the senders' money to the Belgians, as against sixty-eight requesting the return of the contribution. There are a number yet to be heard from. The balance of the money raised from the sale of medals remaining after expenses were deducted amounted to \$1,382.75 The expenditures of the commission were audited by the state auditor.

The sum of \$271 60, raised by women's clubs and school children, was kept in a separate fund and returned penny for penny by Secretary Mellor.

The final grants are certified to the auditor by the various land offices and by him certified out to the country clerks and assessors in order that the land may be placed on the tax

DEPUTY STATE TREASURERS TO BE NAMED OVER STATE

(From a Staff Correspondent.) LINCOLN, Feb. 2 .- (Special.) -Attorney General Wfitis E. Reed has prepared a bill which will be introduced by Repesentative Richmond, providing for the appointment of deputy state treasurers in the different counties of the state to receive and remit to the treasurer's office fees and other charges due the state. This measure is intended to make efective the recent ruling of Attorney General Reed that no officer or employe of the state except the treasurer is authorized to receive or collect fees or other moneys due the state.

Carpenter Sues Railrond. NORTH PLATTE, Neb., Feb. 2.-(Spe inl.)-Alleging that he was damaged to he extent of \$7,300 while working for the Burlington railroad, W. K. Taber of Stapleton is bringing suit against the railroad company at the session of the district court that is being held here this week. Mr. Taber alleges that he was Madly injured while employed as a bridge carpenter by the company.

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup Easily and Cheapty Made at Rome

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 24 ounces of Finex and make it into a pint of cough syrup, and watch that cough vanish.

that cough vanish.

Pour the 2½ ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you a full pint—a family supply—of a most effective remedy, at a saving of \$2. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

Children like it.

It's really remarkable how promptly and easily it locens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phiegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiacol, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft., Wayne, Ind.

Nebraska

Would Compel Return of Part Of Right-of-Way

LINCOLN, Feb. 2-(Special.)-A plan to make the Union Pacific railway turn back to the state a portion of its 400 feet of right-of-way has been embodied in a bill introduced by Representative T. M. Osterman of Central City, which he thinks will meet the test of the courts. Heretofore the courts have held that the railway company has a right to retain its right-of-way.

The bill is merely a requirement that in each county of Nebraska the right of way of a rallroad company outside of cities and villages shall be of uniform width, except for yardage, depots, freight houses or roundhouses. Railroad com-panies are forbidden to acquire or hold any real estate in excess of this uniform

The bill applies like to steam and electric roads. A road may have different widths for its right-of-way in different counties, but in any one county the width must be uniform.

Farm House Near Avoca Burns. AVOCA, Neb., Feb. 2.-(Special.)-The farm home owned by Steve Joachin of Louisville and occupied by Adolph Hansen, two miles north of town, was totally destroyed by fire last night. The family was away when the fire started. Only a few articles of furniture were saved. Insurance of \$400 was carried on the furni-

Put Stomach in in Fine Condition

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the atomach lecays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that Indigestion is caused by Hyper-acidity, meaning, there is an excess of hydro-chloric acid in the stomach which prevents complete digestion and starts food fermentation Thus everything eaten sours in the stomach much like garbage sours in a can, forming acrid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices Jad Salts is inexpensive and is made from the acid of grapes and lemon juice. combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results .- Advertisement.

C. E. Gauss, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

Careful experiments and investigations have shown that as the troubles were expelled from the nose and throat, the real cause of the disease was overlooked and in a short time the Catarrh would return stronger than ever. Mr. Gauss has gone way ahead of the brdinary methods of treatment and has provided a

Removes the Cause and Immediately Gives Relief to the Nose and Throat

Reese Jones, of Scranton, Penn., says that after trying many other treatments, he used this new method and—"My nose is now entirely clear and free and I am not bothered by the disease any more. The New Combined Treatment is worth its weight in gold." Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results.

Sarah J. Cape. Mount Pelia. Tenn., says, "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every method. But by your new method I was completely cured and you cannot imagine the joy that has come over me."

Trial Treatment FREE

This new method is so important to the welfare of humanity, so vital to every person auffering from any form of catarrh, that the opportunity to actually feet it and prove its results, will be gladly extended without one cent of cost.

A large trial treatment, with complete, minute directions, will be sent free to any catarrhantiers. Send no money, take no risks, make no promises.
