

WILSON REJECTS SHIP BILL PLAN

Democratic Leaders' Amendment to Make it Temporary Measure is Unsatisfactory.

BURLESON OFFERS SUBSTITUTE

WASHINGTON, Feb. 12.—President Wilson today rejected the compromise ship bill evolved yesterday by democratic leaders of the house.

Representing the president, Postmaster General Burleson made a counter proposition to the leaders. It was that the house combine Senator Gore's substitute for the administration bill with a bill by Senator Weeks, which has already passed the senate, proposing a line of naval auxiliaries to be used for passengers and freight in emergencies at the discretion of the navy secretary.

GIVE FARMERS TIME TO VOTE Measure Favored by House that Extends the Hour Polls Are Open Until 8 O'clock in Evening.

(From a Staff Correspondent.) LINCOLN, Neb., Feb. 12.—(Special.)—If house roll No. 36 by Smith meets with the same favor in the senate that it did in the house today, the polls will open at 8 o'clock in the morning and close at 8 o'clock at night, the house in committee of the whole agreeing to that proposition in committee of the whole.

HAVE WHOLE YEAR FOR COUNT

The opposite argument was made by Mr. Norton that farmers can vote more conveniently after the day's work is over and in as much as the present law provides for closing primaries at 9 o'clock, he thought that special elections should run not later than 9 o'clock.

Mr. Meredith said that in Ashland precinct last year fifty-six railroad men lost their votes by being unable to reach home before 8 o'clock. Mr. Regan said that nineteen voters lost out in his precinct in Platte county. Mr. Neff said that farmers in his county, Knox, had requested him to introduce a bill of this kind.
