Western Moguls Leave Prexie O'Neill to Wrestle with the Schedule Problem.

EVERYBODY IS RETRENCHING

W. A. Rourke, big boss of the Omaha

club, returned last night after spending eight perfectly good days in Chicago fussing with the Topeka rranchise. Rourke declared upon his return that the Western mogula decided to let Prexis Tip O'Neill wreatle with the 1915 schedule and then submit it for a vote of the league owners. Rourke declares retrenchment is the keynote among base ball men in Chicago, even the Federals realizing the folly of making the game a gold mine for the players. The Omaha magnate and Ban Johnson had a long talk and the American league head advised Rourks to sail tight this year and take no chances. It seems to be the general feeling in Chi-

it in order to survive. While in Chicago Rourks talked business with all the base ball mon in sight with regard to obtaining athletes, but no were consummated, although Rourke has a few tentative negotiations under way for a few promising lads who will be shining lights in class A com-
