The Boys' club of the local St. Martin's church will have charge of the Hesse theater this evening. A program of their own has been arranged.

Recipe to Clear A Pimply Skin

Pimples are Impurities Seeking an Outlet Through Skin Pores.

Pimples, sores and boils usually re suit from toxins, poisons and imporities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body

It is the function of the kidneys to filter impurities from the blood and east them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these cruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear: cleanses the blood and is excellent for the kidneys as well.-Advertisement

Chalmers Averages But \$24 Yearly for Adjustment Costs

The Chalmers Motor company has just finished a canvass of the entire United States, with the object of proving the sturdiness of the modern motor car. The investigation shows that each owner of a Chalmers "Light Six" pays approximately four-tenths of a cent per mile for repairs and adjustments, In other words a Chalmers owner can drive his car in one season an average

distance, say 6,000 miles, with a repair and adjustment expense of only \$24 a

Fire followed the explosion, but the main building is entirely of concrete and fireproof construction, with the exception of the roof. This became ignited and it required some work by the firemen to suppress the flames. Nearly all the windows in the main building were smashed by the concussion, but no other damage was sustained. The building was formerly used as a garage and workshop by the Bertschey Motor company, but is now used for the manufacture of tanks enough to moisten the scalp and rub and metal barrels in connection with the Monarch Manufacturing company's oll refining business. It is the third serius explosion that has occurred in the building since it was constructed.

BRIEF CITY NEWS AFFAIRS AT SOUTH OMAHA

Anti-Annexationists Are Staking Whole Cause on Hearing Before

OFFICE-HOLDERS TO MAKE TRIP

South Omaha politicians are making a supreme effort to conserve their jobs by defeating the Greater Omaha consolidation bill. A number of men have been working among the members of the state legislature almost since the time the senate passed the measure. Today another delegation of picked antis, mostly officeholders and city contractors, will appear before the committee on cities and towns to try to bury the bill in committee. Another committee of local business men favoring the Greater Omaha measure, is said to have taken up the matter, and the politicians may get some surprises at Linceln.

At the Live Stock exchange building vesterday anti-annexationists were busy trying to get aid and comfort. A visit from Representative Regan of Platte is said to have been expected, and the local antis were to have a meeting with him it is said, at the exchange building, but Regan apparently did not materialize, at

the consolidation bill."

Prominent democrats both here and in Omaha expressed the opinion that the the city contractors and office holders an be no equality of rights where there any more than the senate did. It is hinted that two prominent Douglas county legislators in the house are looked iress on "Woman in Literature and in to by the antis as their last hope. At least one of these members was known to have been elected with the understanding that he favor the measure.

> in committee by a vote of 7 to 5," ven-"The bill will go through the house as legislature.

Mayor Seems Pleased

ourage into his faithful companions in office Mayor Thomas Hoctor expressed hmself last night as being "happier than in weeks." In fact the officebolders were almost jocular so confident are they of the success of the leaders now working against the consolidation bill.

Three new lighting districts were designated. As was expected they will extend from J to O streets along Twentyfourth streets and from the Eagles' home on N street to Twenty-seventh street near to where the dark town brigade holds forth. Along O street the new lights will be studded from the city hall to the stock yards entrance so that Tolks walking to the yards at night may not

A very strong spasm of public order struck the council last night and that body ordered a few chicken coops removed from Twenty-second and D streets. The coops are said to be the property of F. A. Agnew, who happens to be a very strong annexationist. Unofficially it is understood that the order against the chicken coops is in the nature of retaliation for Agnew's activities in seek-

Only Way To Cure This Disease Is To Destroy Its Cause.

George W. Dunham, consulting engineer and designer of the Chalmer sixes, has long maintained that automobile design, weight, style and construction should always follow the lines of giving the greatest possible service to the owner. For several years it has been the rule of the Chalmers engineers to solicit suggestions from owners and from dealers and to consider these suggestions are new model was being designed. The object of soliciting these suggestions is to get the public's criticism and find out exactly how Chalmers cars perform under all conditions and so make any improvement which can be made in the product.
