Carload of Mattresses Go Astray, but Are Finally Located and Returned.

#### PLENTY OF LIGHTS ALL OVER

The traditional "cranberry merchant" was never half as busy as Fred A. Castle is these days superintending things at the nearly completed hotel which bears his name and which will open today A dozen men wait to see him and he has half a hundred things to do at the same

now. The telephones have all been con-standard. nected up, the switchboard made ready for the operator and the directories distributed to all the rooms.

ready for occupancy. At least, they will be ready for occupancy by Saturday. A carload of those superfine mattresses beds was sent down to Plattsmouth through a mistake of the railroad, and through a mistake of the railroad, and Brighter Prospects search of the yards had failed to locate them. A quick order was sent after the vagrant car and it came back. The mattresses are being delivered to the hotel now and rapidly finding their way to the de luxe springs on all the beds, combining to make what Mr. Castle says will be as fine beds as are found in any hotel In America.

#### Plenty of Light.

greatest illumination. Even the very smallest rooms in the Castle have three "Word reaches us from the east that

The chandeliers in the main lobby and ladies' room and writing room are now in They are the pendant, chain type, having from five to seven lights on each chandeller, with old gold and bronze ef-

In the cafe the lights are similar, some hanging from the ceiling and others coming out of the wall and hanging down over the tables.

All Invited to Dance. Everybody is invited very cordially to the opening of the new Castle hotel Satur-

Manager Fred A. Castle wants this fact emphasized to the people of Omaha. There will be decorations, music and flowers for everybody to enjoy, starting at 2 p. m. and continuing until midnight. Dancing will begin at 8:30 in the ball

Two yery remarkable paintings have been received and hung in the lobby of One is a very large picture, about \$x14

feet. It pictures the Shoshone Falls, Snake river, Idaho. It was painted twenty-five years ago by Robert Landeryou on a commission from Count Creighton, S. H. H. Clark and

Charles H. Dewey, who had acquired large land holdings in the vicinity of the The other picture is a copy of Correglo's "Rape of Io." Mr. Castle secured it from Arthur Rothery, It was painted over 200 years ago and brought to this coun-

try nearly fifty years ago by a German nobleman who lost his money and his health and went to California, where he

#### G. A. R. to Celebrate Lee's Surrender Day ONLY CAPACITY WILL BE

The local posts of the Grand Army of the Republic are preparing for a celebraaffair and is working out the details.

#### DRUID HILL RESIDENTS FORM AN ORGANIZATION

An enthusiastic meeting of Druid Hill residents was held Thursday night at 8009 Manderson streets, when an orgarization was formed, to be known as the Druid Hill Improvement club. The following officers were elected pro tem: J. H. Robertson, president; P. E. Stanton, secretary, Mrs. Carl Peterson,

The first business before the new organization was pertaining to the school facilities in this district. It was the the patrons of Druid Hill district have waited long, and patiently and their children have suffered mentally and physically during that period, for the to attend three little, old, wooden struc-

Arrangements were made for a series of mass meetings to enlist the aid of all residents of Drull Hill district, and com- GETS BIG ALIENATION mittees were appointed to await upon the Board of Education and to secure the co-operation of various other organiza-

A second meeting will be called early

#### **GRAIN PRICES HOLD UP** ON EXPORT DEMAND

With reports from the seaboard that Europe was taking large quantities of grain, wheat, oats and corn made heavy gains, holding them all through the session of the Omaha Grain exchange. Receipts were a little better than they have been during the last couple of weeks, but still they were considered light for this season of the year.

On sale and consigned direct, there were tweive cars of wheat, twenty-nine of corn and thirty-five of oats.

Wheat sold at \$1.54 to \$1.55%, a gain of 1% cents to 2 cents. Corn was 68 cents to 70% cents, a gain of 1 cent to 1% cents. and oats was 35 cents, a gain of 14 cent to % cents over Wednesday.

#### FIRE DAMAGES DANCE HALL AND SHOPS BELOW

Fire, originating from a lighted cigarette dropped in a telephone booth, badly burned Frenzer hall at 1900 North Twenty-fourth street, and three mercantile stores were badly damaged by water. The stores below suffered the most loss, as the water ruined considerable of the stocks. A pool hall owned by J. A. Pope, furniture store owned by Harry Dolcoff. and a meat market operated by Harry Schnauber were the most dam-

#### CASTLE TO OPEN SATURDAY Milk in Restaurants is Investigated by Health Department

Inspection of milk in restaurants and other public places has resulted in Health Commissioned R. W. Connell summoning several prominent milk dealers to his office for a conference.

The samples of milk taken and examined showed that the milk was not quite up to the legal standard. The reports of the chemist did not warrant filing complaints in the police court, but the commissioner has warned the dealers involved The final little things are being done will insist that the milk be held up to and he intends to take more samples and

The requirement, that all milk sold in public places be served from the original The last of the carpets are being laid ducers, makes it easy for the health debottles, bearing the names of the proand most of the rooms are all furnished partment to hold the dealers for the quality of the milk, Dr. Connell explains. Tests of milk sold in public places are made every month. Samples are also with which Mr. Castle is furnishing his taken from the wagons of the dairymen.

## Noted in All Lines

General Freight Agent Townsend of the Great Western is in from Chicago and asserts that there is no reason for complaint over the outlook for freight business. Said Mr. Townsend:

"It is a little slack now, but as soon as the ground settles and wagon roads in The splendid lighting equipment of all the country again become passable farmthe hadrooms has been commented upon ers will resume hauling their stuff to now that the incandescent bulbs are in market. As it is now, all through the place and the lights turned on. All these central west the roads are so thoroughly bulbs are of the masda type, giving bad that an empty wagon is a load for a team.

electric lights. One is in the center of all through that section of the country the ceiling, another near the dresser there is a decided imprevement in busiand a third at the head of the bed, so ness. Manufacturing establishments are that guests can enjoy the luxury of read- starting up in full time, and concerns that have been idle for months are being flooded with orders. It looks as if the place and are of exceptional beauty before long everything will be back at normal.

"Right now the movement of merchanise is good from the jobbing centers, adicating that the country is looking forward to a good business in the not far distant future."

#### CHRISTIAN RECORD TO **EMBRACE NEW SYSTEM**

"The Christian Record." a publication or the blind, will be enlarged to embrace the English Braill's system and the circulation will be extended across the Atlantic. This weekly paper is issued at College View, Neb., and now has a circulation of 2,000.

The plant has just been equipped with a new stereotyping machine and a new press will be received soon. Mrs. A. O. Wilson is editor. She has been with the paper since it was founded fifteen years ago at Battle Creek, Mich., by herself and husband. Other members of the staff are Mr. and Mrs. L. N. Muck and Miss

The Christian Record contains missionary news and general news of the world. Helen Keller has contributed various articles. The paper has thirty-two pages and the sheets are printed on one side, the printing appearing as rows of dots, which are raised.

Mr. Muck, solleiter, was educated in the Nebraska School for the Blind, He has traveled throughout the country and experiences little difficulty in his travels. He will be here for several days in the interest of his publication, which has the second largest circulation of any paper

#### BELLEVUE AND COTNER TO DEBATE THIS EVENING

Bellevue college will debate Cotner untversity in the Presbyterian church at Believue tonight, uphoiding the affirmaunanimous opinion of all concerned that tive of the question, "Resolved, That the railroads of the United States should be owned and operated by the federal government." The Bellevue team is composed of Anne M. Johnston, leader; promised modern school building, which Bernie D. Berkheimer, and Dean Fales. has not materialized. The children have The judges will be Judge George A. Day of Omaha, Rev. W. R. Hill of the First tures, said to be very unmodern and un- Baptist church of South Omaha, and Rev. S. H. Yerien of the Latheran church of South Omahs.

VERDICT BY DEFAULT John Speer, who sued Martin Jensen for damages for alleged alienation of his wife's affections, was given a verdict of \$5,000 by default of a jury in Judge English's district court, when Jensen failed to make a defense

#### WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, leosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.-Advertisement.
