If You Are Ten Pounds or More Under Weight

And Want To Pat On Flesh.

If you are thin, undervioused and under weight and would like to outselv not the first or more pounds of round healthy flesh between your sain and bones, walk right into Sherman & McConnells drug getters today, step on his penny weight is now. Then step right over to the drug counter and tell the elect you want six boxes of Sargol the Flesh Builder—a full sixty day treatment—and begin taking the tablets right away. When the tablets are all gone, so back to Sherman & McConnell's drug store, step on ils scales again, weigh yourself once more and if you have trained at least ten pounds of good solid, healthy flesh, step right over to the drug caunter and tell the clerk you want your moutey back and he will give it to you cheerfully and promptly. Many thin people say. Tid give most anything to put on a little extra weight, but when some one suggests a way they exclaim. Not a chance, nothing will make me plump. I'm built to stay thin. I'mtil you have tried Sargol the Flesh Builder, you do not and cannot know that is true. Sargol has put pounds of healthy way you or we can ever know is for you to try II. If you gain the weight it's morey well spent and if you don't it costs you nothing for Sherman & McConnell, or for that matter any druggias in Omsha and vicinity is authorized to return every cent you paid if the results do not satisfy you.—Advertisement.

USING SOAP SPOILS THE HAIR

Spap should be used very sparingly, if at all, if you want to keep your hair tooking its best. Bleet soups and prepared shampoon contain too much gikall. This dries the scalp, makes the halr brittle, and ruins it. The best thing for steady use is

just ordinary multified cocoanut oil (which is pure and greumless), is cheaper and better than some or anything ohe you can use.

One or two teaspoonfuls will cleans the hair and sualp thuroughly. Simply motsten the hair with water and rub it in. It makes an abundance of rich. creamy bather, which ringes out easily. removing every particle of dust, dirt, dandruff and excessive all. The hair dries quickly and evenly, and it leaves tile scalp soft, and the hair fine and silliy, bright, lustrous, fluffy and easy

Rumor Has J. A. Rine in Line for Water Board's Attorney

Is City Attorney J. A. Rine in line for the position of attorney for the board of directors of the Metropolitan Water dis-

In the light of recent events this ques tion is being asked in the city hall and some believe Mr. Rine may succeed General John L. Webster as tegal adviser for the Water board.

It is noted that the city atterney has been active of late in behalf of General Manager R. B. Howell. Rine and Howell have made various trips to Lincoln during the last few weeks.

At a recent Improvement club mass meeting in the city council chamber Attorney Rine sat with Mr. Howell and furnished him with legal references during

Will Dike River to Deter Current from Moving to the East

Chief Engineer George T. Prince of the city water plant has received from Colonet De Kyne of the government engineering bureau at Kansas City assurance that the government would permit the directors of the local water plant to establish discu along the river north of Florence to protect the supply of water for the Florence station.

It is proposed to start about five miles north of Florence, at a sinussity of the river made in 1940, and in this manner gradually deter the current from its tendency to move toward the east. By means of a succession of these dikes it is expected that a curve in the stream will be straightened.

This work will cost about \$2,308 and will be started within a few weeks, Engineer Prince states there is no in mediate danger of the river changing its course, but he anticipates high water
