AUTOMOBILES

А

REBUILT

SPECIAL VALUES NOW

A rebuilt Cadillae is superior to any new car at the same price. They are the truest values on the street. By rebuilt we mean that the cars have been en-tirely taken apart, each part examined and, if necessary, replaced by a new part made at the Cadillac factory, the entire car repainted and refinished like new; all equipment out in first-class con-dition-the whole car, in fact, carsfully reconstructed until it is as good as new in every detail.

We offer Cadillacs exclusively as we do not accept other makes in trade. Conse-quently we are as interested in the per-formance of these rebuilt cars as we walles these cars are worth a great deal more than we ask for them, and we usually have a variety of body styles to select from.
