STECHER GOES TO CHICAGO

FREMONT, Neb., March St.-(Special.) ont. Norfolk and Lincoln have ade offers for the holding of the Stecher-Westergaard wrestling match, which the Omaha police would not permit in that city. In all of these cities Stecher is very popular and indignation at the action of the Omaha police runs bish. It is granted the attendance at the match in any of these cilies would not be as big se at Omaha, yet it is fell that the gate would be a large one.

Many wrestling fans appeared in Fre out Tuesday to go to the match and were much disappointed to learn at the turn of affairs. Many held tickets for the vent and had not heard of Chief

Stecher Sove to Chicago.

Stecher will wreatle in Chicago Firady and Saturday nights. Joe is to tackle Jimmy Esson, Friday night. Stecher intends to challenge Chertoy Cutler or anyother wrestler in the world at Chicago and has \$5,000 to back his challenge. Who er will wrestle Saturday night has

had received assignatio information Westergaard to lose. A return match would then be arranged and "somebody stild lose some money on it."

Believe Joe Would Win. Wrestling fans who have seen both other and Westergaard are firm in Stecher and Westergaard are firm in their belief Stecher can throw the Swede any time or any place. In fact several condita mat followers of preminence are known to have offered to wager large sums on Jos's ability to heave Westergaard to the mat. It is the unanimous opigion about fown that if there was any training Stecher was ignorant of it. The general feeling in Omaha as well as in the state is that Stecher can beat Westergaard. Connolly, Hussane, Curjer or any other man in the egame today.

No Further details of the match are systiable, although South Omsha is being considered. It is thought some arrangements will be made after Stecher's matches in Chicago.
