How

Does YOUR Wife

Get Money?

Runaway June By George Randolph Chester

is a story of women and money, a study in problems of purse. The tale is a thrilling novel, a romance clever and keen.

It is written with all the earnestness that has built Chester's name for power. Serious, thrilling and funny is the story of "Runaway June."

It is illustrated with moving pictures produced by the Reliance Motion Picture Corporation by special arrangement for this paper. No expense has been spared to make them magnificent; no effort has been stinted at any point.
