GOOFS TRIMMED BY BREEN'S REGULARS

Frank Huelsman Starts Two Rallies with Big Stick and Blodgett Loses, 4 to 3.

KRUEGER STEALS FIRST BASE

Never let it be said that threatening clouds and patterning raindrops shall deter Marty Krug and his noble athletes in their earnest efforts to pursue the national pastime. For Marty and his crew were out yesterday afternoon and put on a real seven-round ball game. The Regulars trimmed the Goofs, 4 to 3, after a desperately contested battle, both physical and oral.

Tom Blodgett hurled for the Goofs and for four innings retired the Regulars in even order. The Regulars put up a large howl that they were being muzzled by Tom's styles, but the dignified ump was firm and permitted nothing more than long and loud arguments after each half pitched. Jake Kafra said Styles' umpiring was bush league stuff, but Styles retorted nicely with a similar remark regarding Kafra's ability as a ball player.

In the midst of considerable excitement in the sixth round, a newspaper article appeared on the scene with half a dozen juicy bits. Styles let the ball game proceed in its own accord while he made a rush for the commissary. Red Whalen and Dutch Schlemmer beat him to it, however, and copied the whole supply, leaving Styles nothing to do but return to his job.

Krueger Steals First. Ernie Krueger demonstrated some deep inside ball in the fourth. He was on second base and decided to steal. So he swiped first when Crabb wasn't looking. A minute after he copped second. He demanded two stolen bases in the box score, but he was refused.

Frank Huelsman was the disturbing element for the Regulars. In the fifth and seventh, when the Regulars made the counts, Frank opened the proceedings with husky blows. Following Frank's smash each time, two counts were registered.

Hanson Plays Center. Oswald Dagnes Hanson held down centerfield for the Regulars. Mister Thomson having joined the Goofs, Oswald arrived hard, but failed to get in the box score.

Dick Breen was on second and captained the Regulars and he proved in a minute his knowledge of the game. He has a base ball head and he fields with all the precision and ease of a machine. After the combat Krug and Breen coached the pitchers and Whalen in slipping runners at second when they stray off to far. Score:

Jack Dillon Defeats Murray of Coast

INDIANAPOLIS, Wis., April 6.—Jack Dillon of Indianapolis outfigured Billy Murray of Los Angeles in a ten-round no-decision bout here tonight. In the opinion of the majority of newspaper men at the ringside. The first three rounds were even, and in the fourth Dillon had a shade. Murray evened matters up in the fifth, but after that Dillon had the better of the going, taking the last four rounds by varying margins.

The house will be a two-story affair with wide verandas.

George Chip Nearly Evens Up with McCoy

NEW YORK, April 6.—George Chip of Newville, Pa., who was knocked out a year ago by Al McCoy of Brooklyn, nearly evened the score in a return bout in Brooklyn tonight. Chip, who claimed the middleweight title until his defeat, did all the leading after the second round and in the ninth round twice dropped his opponent for the count of nine. Chip was weary in the tenth round from his exertions and McCoy was able to block his blows until the final bell. The weights were: Chip, 150 1/2; McCoy, 157.

REGULAR AND GOOF GAME ENDS IN ROW

A seven-inning practice game was played at Bourke park Monday afternoon between the Regulars and Goofs. The game ended in a squabble. The Regulars claimed victory 2 to 2, but Manager Marty Krug, who led the Goofs, asserted the combat was a tie, 2 to 2. The question of supremacy has not been decided yet, although the argument is still under way. Umpire battling was the chief pastime of the game, each side firing half a dozen umps and choosing new ones. Dick Breen played second base for the Regulars. It was the first game he has played in this spring.

FIGHT MOVIES NOT TO BE SEEN IN U. S.

New Federal Law Prohibits Importation of Prize Ring Pictures Into Country.

NO LOOPHOLE IN STATUTE

WASHINGTON, April 6.—(Special Telegram.)—Moving pictures of the battle at Havana for the heavyweight fighting championship of the world between Jack Johnson and Jess Willard will not be shown in the United States. A federal law, recently enacted, prohibits the importation of films of prize fights into this country and their interstate transportation. There is no loophole in the law.

Prepare to Go. HAVANA, April 6.—Jess Willard and Jack Johnson, the two heavyweight pugilists who made ring history here yesterday, are preparing to depart from Cuba. Willard, the new champion, accompanied by a numerous party, will leave for Key West early tomorrow morning, but where he will proceed from there, whether to Jacksonville, New Orleans or New York had not been decided late tonight.

Willard was tendered a dinner and reception by the citizens of Havana this evening. The Cubans continue enthusiastic over the new champion and seemingly cannot do enough for the former Kansas cowboy. Everywhere Willard went today cheering crowds followed him.

Keeps in Seclusion. Johnson remained in seclusion most of the day. It was reported that he was packing his belongings, preparatory to leaving for Santiago tomorrow and proceeding thence to Jamaica. Johnson, however, denied this and declared that he would depart Thursday or Friday for the island of Martinique. He discharged his camp followers today saying he desired to be left alone. He also declared that he wanted to go on a long sea voyage to some country where he is not known.

The promoters of the fight today finished the counting and dividing of the gate receipts. They announced that the battle drew into the boxoffice \$10,000 and that the attendance was 22,000.

Still Fight Mad. The natives of Cuba are still fight mad. Groups of them were in the cafes and hotels and on street corners today and tonight arguing about yesterday's battle at Marianao or illustrating awkwardly the various punches delivered by Willard and Johnson.

Photographers who took pictures at the ringside did a land office business. Enlarged snapshots of the knockout and for \$5 apiece, while sidewalk vendors got rid of thousands of postcard sizes for 10 cents.

Sunday Show at Orleans.

NEW ORLEANS, April 6.—Jess Willard will come to New Orleans from Key West arriving here Saturday, according to fight promoters, who announced tonight they had received cablegrams today from Havana in which Willard agreed to give a boxing exhibition here Sunday.

Strawberries from the South Are to Be Plentiful Here Soon

Everything is favorable now for a larger crop of strawberries in the south than the growers anticipated up to a few weeks ago. This is information that has come to Al King, head of the grocery department of Hayden Brothers, in a letter he has received from the front of the strawberry fields in Louisiana. Special arrangements are being made with the railroads and express companies for a fast train service to connect with the various lines so as to make through service to get the berries to the point of consumption with the least possible delay. Louisiana is the great strawberry producing state, and it is to that state that the dealers through this section look for their supply largely. The plants in the patches there are reported healthy and the fruit firm. From April 10 to 15 the southern growers will ship berries in crates less than carload lots. Beginning April 15 it is expected that twenty-five to forty cars of berries will leave that state daily for all parts of the United States. From April 20 to May 10 it is reported the growers expect to be shipping from fifty to sixty carloads a day.

Bad Mistakes Are Found On Some of the Official Ballots

Dan Butler was busy all afternoon rounding up some ballots in which mistakes had been made by the printer. At some of the precincts it was discovered that while there were seventy-three names on the ballot, there were seventy-four squares, so that it will be hard for the judges to tell for which name marks on the ballots were really intended. Butler made a round of the polling places to call in all the ballots in which errors had been made.

NEBRASKA TO BE SHOWN ON LINCOLN HIGHWAY REELS

Nebraska is to be represented by 1,500 feet of moving picture reels in the series of reels along the Lincoln highway that are to be shown at the San Francisco exposition. The bureau of publicity has just arranged with the special agent of the Lincoln Highway to get 1,500 feet of Nebraska reels, which is a splendid representation for the state. Twelve states are to be shown in these reels. They are: New York, Pennsylvania, Ohio, Indiana, Illinois, Iowa, Nebraska, Colorado, Wyoming, Utah, Nevada and California. In the Nebraska reel about 1,000 feet are to be devoted to scenes along the Lincoln Highway out in the state and about 500 feet to panoramic views in Omaha.

The plan is to have the reels shown at the exposition in San Francisco, then shown in nearly every city in the United States of any importance, and then exhibited in the schools throughout the country.

THREE PRETTY GIRLS HIKE TO THE COAST

Three winsome young lassies from Chicago are walking to the Panama-Pacific exposition, with only a dog and three little revolvers for protection. They are Ethel Rockwell, Maud Brisson and Ruth Harsley. The dog, "Frisco Jack," they adopted from the city pound at Chicago. Yesterday "Jack" and another canine got into a little mixup, and in parting them, Miss Harsley was badly bitten on her hands. Police Surgeon C. B. Poltz cauterized the wound and the girls started on their way again. They average twenty-six miles each day.

Woman Fined for Using Horsewhip

If a fraction of the testimony adduced in police court is true, then Mrs. Ida Mueth, 1517 Chicago street, who was arrested for horse-whipping Mrs. Emma McCarthy, 72 North Twenty-first, is a woman of many fancies. Mrs. Mueth fell in love with the brave uniform of a city fireman named Ed Smith; the story has it, and she obtained a divorce from her husband. Smith then failed to make good, and she remarried Mueth. Once more the fire laddie won her affection, and again she would have no more of the bonds that held her to her husband. It was Monday night that she heard Smith was at the McCarthy home, and she went there with the whip and commenced her assault upon Mrs. McCarthy at once.

Will F. Frantz Probably Fatally Shot by Wife "Just Fooling With the Gun."

MARRIED LESS THAN MONTH

Will F. Frantz, 35 years old, and bellboy at the Paxton hotel, was fatally shot yesterday by his wife, Blanche, 19, in their room at 2582 Harney street. His death is expected momentarily, at St. Joseph's hospital, where police surgeons removed him.

Mrs. Frantz declared the shooting was accidental, and this was corroborated by Frantz during a brief period of consciousness. She declared that she was just "fooling" with the gun, which she did not believe was loaded, when it went off.

The wife married in the court house February 20. She came here from Manila, Ia., where her parents live. The bullet entered Frantz' left breast and was very difficult to remove. Mrs. Frantz is being detained at police headquarters pending further investigation of the shooting.

War Horse Buyers at Grand Island

The French and English horse buyers who for several months have been around the South Omaha market, gathering up animals for the cavalry and artillery in the war zone of Europe, have now turned their attention to Grand Island, where, it is asserted, they are making some extensive purchases. The Grand Island horse barns recently

changed hands, having been bought by eastern and southern men and an attempt is being made to build the horse market into one of the largest in the country.
