

ROURKES TRIUMPH OVER THE SAINTS

Hitting in the Pinches Gives Omaha Second Victory Over American Association Team.

HUELSMAN STEALS SECOND BASE

More or less prodigious clouts at more or less propitious times put the blink on the Saints yesterday and the Rourke made it two straight by winning, 5 to 4. The visitors from the north pummeled Ralph Willis with considerable gusto, but the pummeling always ceased abruptly at the pinches, while it was just on such occasions that the home folk took loose a battery of blows.

Riggert Pulls Big Loop Staff

Joe Riggert did the real-path work of the innings. He was on second, and Miller was third when Willis made a wild throw. Joe set his sails and flew for home, landing safely a second behind Miller. It was a pretty keen piece of base ball and the few fans applauded appreciatively.

Rourke Count Two

In the fourth the Rourkes scored two and took the lead again. Schiebner walked and Whalen sacrificed. Kafora's hit counted. Fritz. Willis singled Kafora to second and Green's hit to left scored the catcher.

He Swears Officers Lighted Bomb After Taken to Station

NEW YORK, April 12.—Frank Abarno, testifying today at the resumption of the trial of himself and Carmine Carbone, charged with making a bomb and placing it in St. Patrick's cathedral, March 2, vehemently denied that he had lighted the bomb. In the midst of cross-examination Abarno sprang from his seat and shouted: "I did not light that fuse; if I should be shot like a dog I say I did not light it. The fuse they had at police headquarters they pulled out of the bomb and lighted down there."

Abarno testified that after he had entered the cathedral he changed his mind about lighting the bomb. Amedeo Polignani, the detective, who had posed as an anarchist and won Abarno's confidence, set beside him in the cathedral, the witness said. Abarno said he put the lighted cigar with which he had intended to light the bomb in the hand of his hat and it went out. "I told Polignani," Abarno said, "that there were too many people there, and that we might hurt human beings. Polignani said: 'Go on and light it, or you'll be a traitor. Light it, so that if we are arrested, we will have done something good.'"
