Oil Station Placed on Boulevard in Middle of Night This year Last year

A large delegation of residents living near Twentieth and Maple streets appeared before the city council committee of the whole to protest against the midnight establishment of a sheet-iron gasoline filling station on the Florence boulevard by the National Refining company

The commissioners agreed to pass upor the case on its merits this morning and in the meantime the oil company agreed to stop further work and to make the filling station of such design as would be agreeable to the people of that

Considerable criticism was offered regarding the surreptitious methods used by the oil company whose workmen aroused sleepers before 1 o'clock Sunday

C. L. Hopper, D. M. Merrow, J. M. Eller and Rev. M. V. Highes spoke for the protestants, who filed a written protest with the council. Attorney Charles Keller appeared for the oil company. ioner Butler says he was awak-

ened at 2 o'clock Sunday morning by a citizen who asked to have the installation of this oil station stopped. Mr. Merrow said he bell tion is a disgrace to the city. The statement was made that the company took advantage of the night-after failure to

secure the necessary petition to locate at several other points along the north

TO MEASURE MILEAGE OF THE FEDERAL ELEVATORS

Mileage recorders are to be installed on the three elevators in the postoffice building, the contract having just been given to the Otis Elevator company. This is in line with the government policy of scientific precision in all departments. Instruments on the boilers in the building, for example, tell just how many pounds of steam are secured from one pound of coal. If the required number are not secured Uncle Samuel has a word to say to the coal company or to the fireman.

SWIMMERS TRY OUT CARTER LAKE WATER

It certainly looked as though "spring had came" out at Carter lake Sunday In the afternoon the cars were crowded and there was some grumbling because it is possible to get a car to the lake only about every half hour.

A big gang of workmen was busy building a wide cement sidewalk from the Carter Lake club house eastward to the trap shooting grounds and the docks. Several score loads of clay have been placed on the tennis grounds and will

soon be leveled and rolled. A young man and a young woman with a red cap on her hear were in swim-
