### Spring is Not Just Around the Corner, It's Here

The children and the birds always know it first, and they tell the hurdy-gurdy man. Just as soon as the first robin peeps, before the unimaginative grownups have even suspected it, jumping ropes are rescued from their winter quarters, marbles are polished up, and the hurdy-gurdy man plays under the window.

Every nook and corner of this great store is ready and waiting to pay homage to Spring-hats, coats, frocks as dainty and fresh as flowers, have blossomed out from their pasteboard boxes and waiting to greet you.
