Nebraska**CHEMIST DISCOVERS POISON IN MEDICINE**

State Chemist Makes Finding in Regard to the Death of Alvah Sweet of Merna.

UP TO AUTHORITIES OF CUSTER

(From a Staff Correspondent.)
LINCOLN, April 23.—(Special.)—It is now up to the authorities of Custer county to determine the cause back of the death of Alvah Sweet of Merna, who died suddenly on April 20 after taking a dose of medicine as a laxative. Forty-five minutes after taking the medicine the lad was dead showing symptoms of strychnine poisoning. The stomach of the lad and also the bottle from which the laxative was taken was sent to the pure food department of the state and Commissioner Harman has had the state chemist, Mr. Frisbie, make an analysis of both, assisted by Dr. Wilde, the state bacteriologist.

Bottle Had Much Poison.
The result as given out this morning by Commissioner Harman shows sufficient strychnine in the stomach to have caused the death of the lad and also a large amount of strychnine in the bottle from which the medicine was taken. A bottle of the same medicine bought in Lincoln yesterday shows no signs of strychnine, and it is evident in the mind of Mr. Harman that the poison must have been placed in the bottle by some party with evil intent.

He called upon the county attorney of Custer county today and made him acquainted with the result of the analysis and it will be up to the authorities there to determine the reason why the bottle contains the poison.

Officers Will Act.
BROKEN BOW, Neb., April 23.—(Special Telegram.)—A report from the state laboratory shows that the stomach of Alvah Sweet, who died at his home near Merna Wednesday morning after taking a dose of salts containing strychnine as also did the salts, it was brought out in testimony before the coroner's jury that Guy, an elder brother, took salts from the same bottle probably a month ago and they made him sick.

Dr. Landis, the coroner, thinks it possible from the symptoms described that it may have been strychnine poisoning. A 12-year-old sister took a dose from the same bottle two weeks ago but no ill effects followed.

The jury's verdict rendered before analysis was death from unknown causes.

Coroner Landis, Prosecutor Kelly and Sheriff Wilson are working on the theory that the poison came from the outside and have started a rigid investigation.

Letter Carriers**Endorse Hamil Bill**

FREMONT, Neb., April 23.—A special train brought 123 letter carriers from Omaha, this delegation appearing in the parade with a band. Forty came from Lincoln.

The Nebraska Letter Carriers' association decided that the next convention should be held at Grand Island and during the session the members endorsed the Hamil bill before congress for the protection of superannuated carriers. The following officers were elected: Delegate-at-large to the national convention, J. Homer Clark, Lincoln; president, C. W. Mulloy, Fremont; vice president, A. C. Bradley, Beatrice; secretary, Conrad H. Schossler, South Omaha; treasurer, Arthur Anderson, Holdrege; collector, M. B. A., Fred Jorgensen, Omaha; member executive board, W. B. Ross L. Hammond of Fremont was toastmaster at the banquet in the evening. Addresses were made by United States Senator Gilbert M. Hitchcock of Omaha; F. M. Brown, Lincoln; Congressman Loebbeck, Omaha; National President Edward Gaynor, Muncie, Ind.; John C. Wharton, postmaster, Omaha.

KIRCHMAN HEADS BANKERS' ASSOCIATION

FREMONT, Neb., April 23.—(Special.)—Two hundred and fifty-six bankers registered at the seventeenth annual meeting of Group 2, Nebraska Bankers' association, here yesterday. F. J. Kirchman of Wahoo was elected president, Dennis Killen of Schuyler vice president and H. W. Luedtke of Creston was named secretary-treasurer. Fremont was chosen for the meeting place next year.

Among the speakers on the program during the day were L. A. Wilson, director of the federal reserve bank at Kansas City; N. H. Loomis, general solicitor of the Union Pacific at Omaha, and C. H. Gustafson of Mead, president of the Nebraska Farmers' union. Senator G. M. Hitchcock of Omaha made a short talk.

DeForest Richards of Omaha, who had just returned from a meeting of reserve bankers at Louisville, Ky., told the bankers of the workings of the new federal reserve law and of some of the proposed changes.

The meeting was brought to a close with a banquet last evening, in which the principal speakers were Congressman Dan V. Stephens of Fremont, E. W. Martin and Fred A. Cusack of Omaha, and W. N. Cain of Fremont. Rev. D. K. Miller of Cedar Bluffs was toastmaster.

Improvements at Seward.
SEWARD, Neb., April 23.—(Special.)—Mr. John Zimmerman has commenced the erection of a \$10,000 residence. City Attorney Schick will build another \$5,000 residence. County Superintendent N. H. Broken is preparing plans for a fine modern home, as is also City Superintendent of Schools John E. Woodward. The \$60,000 high school, for which bonds were voted, will soon be located, possibly by special election, and the work on the new paving district and sewer extension commenced this week.

Double Wedding at Beatrice.
BEATRICE, Neb., April 23.—(Special.)—A double wedding was solemnized Wednesday at the home of Mr. and Mrs. D. M. Meggers in West Beatrice, when their son, Leonard Meggers, was married to Miss Hattie Kaminski, and their daughter, Miss Irene Meggers, was joined in wedlock to Benjamin Kaminski, Rev. C. F. Stevens officiating. After the ceremony a wedding dinner was served. The young couples are residents of Beatrice, where they have lived for years.
