

MAYOR OF SHEELEY WORKS FOR ANTIS

Headquarters of the Various Lists Take on New Life as Election Time Draws Near.

"INS" AGAIN WAIT FOR MAYOR

What of the Polish vote? Is it in the balance? The question is pertinent because the sensation of the day in the political campaign is the alliance of Nickodemus Dargaczewski with the "people's candidates," this politician having been formerly identified with the administration wing. Mr. Dargaczewski presented himself at the headquarters of the antis for service as a worker, whether for pay or for the honor of helping to "clean out the city hall" is not stated. He held an appointive position under the house of Dahman for years and has been active in political affairs in that section of the city known as Sheelytown. Mr. Dargaczewski told a Bee reporter that he expects to work for the antis, and that he had a very satisfactory conference with Chairman M. O. Cunningham of the committee on organization.

Chairman Cunningham announced that he is preparing a list of 30 precinct workers and his plan is to get these men on the job at once.

Antis Show Life.
Headquarters of the antis are beginning to show life at 222 Bee building. Secretary Meyers took off his coat and rolled up his sleeves this morning and Chairman Sutton is doing likewise. Candidate Hackett reported that he has been busy taking the temperature of the public pulse and he says that every pulse beat is for him and his associates, who are going before the voters as the "people's candidates."

Anti meetings at street corners and in halls in different parts of the city are being planned.

City Hall Headquarters.
The city hall is still the real headquarters for the administration group of candidates, with Tom Flynn, Joe Butler, Frank Taylor, Tom O'Connor, C. E. Bossio and others "sitting steady in the boat," as Flynn says. It is expected that these headquarters will be moved to the Dahman club rooms on Farnam street. The situation is quiet now in the administration camp on account of the absence of the mayor from the city, but the leaders say they will stir things up again next Monday evening with a meeting at Washington hall.

The Gibson Boosters will hold an open air meeting Sunday afternoon at Second and Macall streets for the administration candidates. H. B. Fiehartly will be one of the speakers.

To Keep Open House.
On Saturday evening the stationery engineers will hold an open house at Eagle hall on Harney street, on which occasion the city commissioners and families will attend.

Next Monday evening the Eight Ward Voters' club will meet at Sixteenth and Cuming streets. Among the speakers will be John Great Fegg and this meeting will be to boost the present commissioners.

On Thursday evening the Nonsparell Athletic club will hold a reunion at Turner hall. Eighteenth and Vinton streets, at which Mayor Dahman and other will speak.

AL SIGWART CELEBRATES HIS SIXTIETH BIRTHDAY

Police Sergeant Sigwart observed his sixtieth birthday anniversary by regulating the street traffic and lining up motorists who are not observing the new parking regulation.

The sergeant came to Omaha forty years ago this month and has been on the police department for thirty-three years.

"I never felt better in my life than I do today, and I attribute my good health to the outside work I have been engaged in," declared Mr. Sigwart.

Chief of Police Dunn took occasion to notice this anniversary by remarking that the sergeant is an excellent police officer and one who can always be relied upon to do the right thing at the right time and at the right place.

DANDELION PICKER HAS NO DIPLOMA, BUT HAS A BOIL

Fritz Worth, itinerant, arraigned in police court for consuming a superabundance of fermented beverages, was asked what particular branch of industry he followed.

"I am an expert dandelion picker," answered Fritz, with much evidence of pride.

"Have you a diploma?" inquired the judge.

This evidently puzzled Fritz, for he hesitated for several minutes and then replied in a querulous voice, "No, judge, I don't believe I have, but I've got a big boil on the back of my neck."

MAYOR DAHLMAN PROCLAIMS SATURDAY CARNATION DAY

Mayor Dahman has issued the following proclamation for Carnation day, today:

"To the People of Omaha, Saturday, April 24, 1915, will be Carnation day. Under the leadership of Mrs. Carl Johnson and Mrs. Paul Weimer, there will be sold on the streets of our city 2,500 carnations, proceeds of which will be used for the benefit of the Swedish Mission hospital.

DEATH RECORD
John C. Thomas, aged 66 years, died Wednesday at his home, 217 1/2 North Sixteenth street, after being confined for two weeks with pneumonia. Funeral services will be held Sunday afternoon at 2 o'clock from Crosby's chapel, with interment in Forest Lawn cemetery. Thomas had been a painter in Omaha for more than thirty years.
