

### CHICAGO SOX TRIM LEADERS OF LEAGUE

Tigers Defeated by White Hose by Score of Four to One on Windy City Grounds.

### DETROIT'S LONE RUN A GIFT

CHICAGO, April 30.—Urban Faber held Detroit to three scattered hits today, while his teammates bunched their hits off Dubuc and Chicago won a pitchers' battle, 4 to 1.

Detroit's lone run was a gift. Cobb drew a base on balls, went to third on a wild pitch and scored on a sacrifice fly. The visitors threatened to score in the sixth inning but Cobb, who had reached third base was trapped by a sensational play, started by Eddie Collins, and was nipped a few feet off third base, following Crawford's single. ### FRED MERKLE DISLOCATES LEFT ARM DURING PLAY

NEW YORK, April 30.—Fred Merkle, first baseman of the New York National league club, fell in trying to field a wild throw by Marquand in the sixth inning of today's game and dislocated his left arm. It was at first thought the arm was broken. The injury, how-

ever, is likely to keep him out of the game for several weeks. Manager McGraw said tonight that Snodgrass probably would play first base tomorrow, although that player has recently been laid up with a sore wrist. James Thorpe, the olympic champion, was released by the Giants today to the Jersey City Internationals under an optional agreement. He has been with the Giants the last two seasons.

### Stavanger Laget Meets at Eagle Grove

WEBSTER CITY, Ia., April 30.—(Special.)—B. L. Belleon of Jewell, secretary of the Stavanger Laget of the United States, has just completed arrangements for holding the world-wide reunion of Stavanger Norwegians in Eagle Grove the first week in September. From 2,000 to 3,000 Norwegians will attend this gathering.

This Laget in an annual reunion of people who have emigrated from Stavanger amt, Norway, (amt in English would signify a county). People from nearly every state in the union attend this annual gathering, and they even come from Norway to look up and visit relatives and old-time friends.

This Norwegian Laget, which lasts two days, is much like a chautauque in some respects. Each session opens with prayer and a scripture lesson, followed by music from a number of visiting church choirs. The meeting is held in a large tent, which will be pitched in Greenwood park. Governor George W. Clarke has promised to take a part on the program and an effort is being made to secure Senator Knute Nelson of Minnesota and other prominent speakers. Prof. Theodore Teimeland of Minnesota, one of the greatest singers in the world, will also be present.

### LAWSON BEGINS HIS STORY

Miners' Leader Charged with Murder—Slaying Says He Always Counseled Men to Obey the Law.

### ARMY BOUGHT FOR DEFENSE

TRINIDAD, Colo., April 30.—John R. Lawson on trial for the alleged murder of John Nimmo, took the stand as a witness in his own defense at 10:45 today. It was announced that his testimony would close the case for the defense.

Lawson testified that he had counseled the striking coal miners to obey the laws and refrain from violence. He said he had imported arms into the Ludlow tent colony for defense after being advised by attorneys that such action was legal. Lawson gave in detail his connection with the strike.

Flat contradiction of some of the testimony against John R. Lawson, on trial

for murder in connection with the killing of John Nimmo, deputy sheriff, October 25, 1913, was presented by the defense today.

Called by the prosecution, Charles Snyder testified:

"John Barulich drove me in his car to Ludlow on October 25, 1913, with a load of ammunition. We saw John R. Lawson near the Colorado & Southern railroad cut about 4 o'clock in the afternoon."

John Barulich, called by the defense today, testified:

"I drove Charles Snyder to the Ludlow tent colony on October 25, 1913. We reached Ludlow between 6:30 and 7 p. m. I did not see John R. Lawson before reaching the tent colony."

### German Troops Who Surrendered Mowed Down by Own Guns

HAVER, April 30.—The virtual annihilation of 4,000 Germans who crossed a bridge near Steenstraet, is described by the newspaper 'Vrijheids Bode'. Belgian heavy artillery destroyed this bridge, while field artillery showered them with shrapnel. Many tied handkerchiefs to their bayonets and raised them in sign of surrender, but immediately their own quickfiring, the newspaper says, opened fire and mowed them down pitilessly. Many survivors were made prisoners by the Belgians.

**Glynn—Has a Grinch.**  
Derby Day Bill Glynn, now manager of the Toronto International team, equires every time he reads about Walter Pipp making good. Glynn, it seems, craved a chance to buy Pipp for \$300.
