

CRAIG MAY RETURN AS CITY ENGINEER

Rumors at City Hall Declare Election of Jardine Will Bring About Such Change.

CRAIG IS NOW IN CALGARY

Rumors in the city hall lend color to the probability that George W. Craig, former city engineer, will return from Calgary, Canada, to resume his former work in the department of public improvements, in the event that Walter S. Jardine's election is confirmed by the official canvass now in progress.

Those on the inside declare that Mr. Craig and Mr. Jardine, being republicans, has some bearing on the situation. Mr. Craig succeeded Andrew Rosewater as city engineer and was succeeded by Watson Townsend, the present city engineer. In the event of Mr. Jardine being assigned to the department of public improvements, it will be up to him to recommend the man he wants for engineer.

Last winter there were reports that Mr. Craig intended returning to Omaha and running as a candidate for city commissioner.

Affairs Quiet Down. Affairs in the city hall are quieting down again and the municipal machinery is in operation as usual.

In the conference between the mayor and the four re-elected commissioners it was agreed that Commissioner Butler shall continue as chairman of the committee of the whole, which automatically makes him acting mayor when the mayor is absent.

File Official Bonds. The mayor and Commissioners Hummel, Withnell and Kurel have filed their official bonds of \$,000 each and are now preparing their campaign expense accounts to be filed according to law.

Object to Proposed Advance in Rates on Fertilizers

CHICAGO, May 7.—Objection to proposed advances in freight rates on imported fertilizers entering Gulf ports was made today before W. M. Daniels, Interstate Commerce commissioner, in the western freight rate hearing.

Comparison of present and proposed freight charges on fertilizers from the Gulf ports of Pensacola, Mobile and New Orleans to Louisville and East St. Louis was made by W. W. Manker, assistant traffic manager of Armour & Co. The present rate is \$1.05 a net ton, said Mr. Manker.

Hummel Selecting Members of New Recreation Board

Commissioner Hummel of the park department is beginning to select men who are willing and able to serve on the new recreation board, which will handle the public recreation activities of the city.

The law provides there shall be five members on this board, and Mr. Hummel believes he will recommend one woman and one member of the Board of Education, notwithstanding the school directors openly declined to cooperate in the recreation board idea.

MISS JOHNSTON IS EDITOR OF THE PURPLE AND GOLD

The annual election of the editor and business manager of the "Purple and Gold," was held in the lower corridor of Clarke hall Tuesday morning between chapel and noon.

CHARLES LANE FALLS AND SPRAINS BOTH WRISTS

C. J. Lane, general freight agent of the Union Pacific, in nursing two badly sprained wrists. In the headquarters building Mr. Lane was turning a corner in one of the corridors and was moving at pretty good speed.
