A going proposition bringing in a handsome revenue from the day you take it over; one of the finest certified dairy and hog raising plants in the west. 240-acre dairy farm 24 miles from the postoffice, Lincoln, Neb. Land all first quality and fenced into eight different fields; 75 acres in alfalfa; 105 acres in bluegrass pasture and yards, 60 acres in corn. $18,000.00 worth of improvements, all built within the last two years; everything strictly first class and up to date for a hog raising and certified dairy plant. Paved street half way to the farm. Six minutes' trip with an automobile from the postoffice to the farm buildings, twenty minutes with a team. This farm is fully stocked with 30 head of fine Holstein cows giving 60 gallons of milk a day, and this amount will be largely increased as soon as a few more freshen. The milk is now bringing in $270 per month. One pair of big, fine mules; 5 head of horses; 220 head of cholera-immune Jersey Red hogs; 30 sows yet to pig; 30 acres of alfalfa, fenced hog tight; a complete system of water works with a big cement reservoir and pipe line to all of the barns and pens. "This is one of the finest propositions ever offered for sale, and but for a number of unfortunate circumstances the property could not be bought. It must be sold immediately, even if we are only able to get half of its value.

If interested, get in touch with us at once, or write for complete description and prices. Terms very reasonable. Will divide commission with agents.

Yaqui Indians Kill A Few Americans

NOGALES, Sonora, Mexico, May 14.—Yaqui Indians, attacking a colony of sixty-five Americans, including women and children, near Esperanza, south of Guaymas, have killed three and wounded several others, according to information received today by Frederick Simpich, American consul here. The battle continues.

The Americans reported killed are John Wilson, W. A. Fay and William Stocker. J. J. Donovan is missing and is believed also to have been killed.

RED HOT GROUNDER GOES THROUGH AUTO WIND SHIELD

The great American pastime is great under certain circumstances, and under certain ones only, declares C. F. Howard, 2602 North Thirtieth street, who encompassed the arrest of Eddie Hardy of Sixteenth and William streets, last night.

Eddie and a friend were "battin' up flies" near Sixteenth and Dorcas when Howard's auto came along, just as Hardy lined a hot one down the street. The ball went through the windshield and struck Mr. Howard in the face.

King of Greece Is Ill with Pleurisy

LONDON, May 14.—The cold from which King Constantine has been suffering for the last week has turned into pleurisy, says Reuter's Athens correspondent. The king consequently will be unable to attend to state business for some time. The doctors held a consultation concerning his condition Thursday night.

Washington Affairs

After consideration lasting several months the Federal Reserve board has virtually decided that it will allow state banks to enter the federal reserve system with the right to withdraw and surrender membership if they so desire.

Tales of industrial wars from Pennsylvania to California during the last thirty-five years were recounted before the Federal Industrial Relations commission by Mrs. Mary Jones, the "Mother" Jones of scenes of strikes.
