

Nebraska AUDITOR FIGURES EXPENSE DECREASE

State Official, by Eliminating School Appropriations, Says Demos Have Saved Money.

GIVES POLITICAL COMPARISON

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—State Auditor W. H. Smith in preparing a statement of legislative expenditures and appropriations to be published in a short time. In connection with the same he is making a comparison in short form, which is as follows:

"The legislature of 1915 made appropriations amounting to \$3,822,108.79. This includes the several amounts specifically named in the different appropriation bills, estimated amounts for the university and normal school fund taxes, and the various cash funds. It does not, however, include \$27,038.88 of the university funds which require no action by the legislature to make them available for use. (State against Brian, 84 Neb. 39).

"If, therefore, every estimate has been correct and every dollar appropriated by the legislature of 1915 has been collected and spent, including the \$27,038.88 of non-appropriated university funds, the grand total would have been \$3,849,147.67.

Total for this session. Applying the same method of calculation for the 1915 appropriations and assuming that the cash funds will equal 1914, the grand total is \$3,644,400.00, which includes \$312,458.88 of non-appropriated university funds.

"Omitting the special building fund appropriation, carried over from 1914, but including the four trust funds which require no appropriation for university use, and assuming that the estimated amounts will be realized, a comparison of 1915 and 1914 follows:

Table with 2 columns: Year, Amount. 1915, grand total \$3,124,147.67; 1914, grand total \$3,644,400.00.

Decrease in 1915.....\$ 480,658.07

"The legislature of 1915 provided for and appropriated 90 per cent of a 3-mill levy from a special university building (extension) fund. This was estimated originally at \$25,202.06, but proved to be the sum of \$25,371.47 when the levies of 1914 and 1915 have been collected and the initiative measure No. 205 was approved by popular vote, \$110,446.65 was expended in purchasing land for extending the present city campus, leaving \$35,824.52 of cash on hand unexpended. The legislature of 1915 reappropriated this sum for use in the present biennium.

Eliminating Schools.

"If we eliminate from both years the appropriations for the university and normal schools, the result shows that for all other state government purposes the legislature of 1915 cut off more than a million dollars. Here are the figures:

Table with 2 columns: Category, Amount. 1915 appropriations \$2,466,382.99; 1914 appropriations \$3,356,726.10.

Special University Fund.

Reduction in 1915.....\$1,053,814.47

"The re-appropriation of special university building fund, although making it available for use this biennium, should not properly be charged against the legislature of 1915. The \$3,822,108.79 balance unexpended on April 1, 1915, has been appropriated twice—but it can be expended only once. The university appropriations compare as follows:

Table with 2 columns: Year, Amount. 1915 total \$2,197,822.72; 1914 total \$2,366,965.00.

Increase in 1915

"If we include the four trust funds, which require no appropriation, the funds available for university use are as follows:

Table with 2 columns: Year, Amount. 1915 grand total \$2,510,379.09; 1914 grand total \$2,671,094.46.

Increase in 1915

"The normal school appropriations have been increased as follows:

Table with 2 columns: Year, Amount. 1915, four funds \$20,020.09; 1914, four funds \$79,174.07.

Increase in 1915

"The saving effected in making appropriations for ordinary expenses of government is made up in part as follows:

Table with 2 columns: Category, Amount. 1915 compared with 1914. Decrease: For legislative expenses \$2,560.00; For fifteen state institutions \$60,046.00; For twenty-eight boards, commissions, etc. \$4,562.95.

Nebraska Officers Study War Problems

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—Adjutant General Hall has assigned the following officers of the medical corps of the National Guard to go to Fort Russell at Cheyenne, Wyo., to attend the school in charge of the war department: Major C. W. Welton, Beatrice; Captain H. H. Smith, Fremont; Captain J. E. Cameron, Bennett; Lieutenants G. W. Pugsley, Omaha; L. B. Sturdevant, Lincoln; G. H. Benta, Fairfield; P. H. Bartholomew, Illus Hill; B. B. Stratton, Bruning; W. T. Hurst, Broken Bow; S. H. Hart, Schuyler; J. C. Anderson, Holdrege; and C. P. Forestry, Grand Island. The school will extend from May 21 to June 2.

FRONTIER COUNTY PIONEER IS DEAD AT HIS HOME

CAMBRIDGE, Neb., May 20.—(Special Telegram.)—John C. Gammill, a prominent pioneer, aged 73 years, died last night after a short illness. He came to this locality in 1877. Mr. Gammill was captain of Company I of the Third Iowa cavalry. He has always been a staunch republican, having served as clerk of the district court and in the state senate in 1903, besides being always interested in local politics. He has been a Mason since the civil war and will be buried under Masonic auspices from his Frontier county ranch, with interment at Stockville.

Nebraska BUFFALO COUNTY FARMERS ARE BUYING AUTOMOBILES

RHELTON, Neb., May 20.—(Special.)—The good figure being received by farmers for wheat and also by those having fed sheep the last winter has placed a large number on easy street and made a harvest for auto salesmen in this vicinity. During the last two weeks not less than eight fine machines have been bought, with a large number of excellent "prospects" remaining.

TO USE OLD APPROPRIATION

Attorney General Reed Rules They Will Not Lapse Until the End of August.

WINDFALL FOR NATIONAL GUARD

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—Attorney General Reed has ruled in connection with an appropriation made by the legislature for the erection of a National Guard armory at the state fair grounds, just when an appropriation lapses. Only a part was used, \$4,000 being left of the amount. It has become necessary to build an addition to the armory and he holds the balance left has not lapsed. This would apply to all appropriations of two years ago. The constitution covering the matter reads as follows:

Each legislature shall make appropriations for the expenses of the government within the limitation of the fiscal quarter after the adjournment of the next regular session and all appropriations shall end with that quarter. The end of the fiscal year is November 20. Reports of state officers all end with that date. This would make each fiscal quarter, according to the attorney general, end February 28, May 31, August 31 and November 30. He holds that as the legislature did not adjourn until some time in April the "next fiscal quarter" would begin June 1 and end August 31, consequently the biennium for appropriations made by the 1913 legislature will not end until August 31, 1915, and those appropriations cannot lapse until that date.

Doctors Want New State Constitution

HASTINGS, Neb., May 20.—(Special Telegram.)—The house of delegates on the State Medical society today unanimously adopted resolutions calling for a convention to adopt a new state constitution. The resolution recites that many sections of the constitution are obsolete and that there is need of reform in medical law and state government. Omaha was selected without opposition for the 1915 convention of the medical society.

The following officers were elected: Dr. W. W. Rowe, Lincoln, president; J. V. Bechtel, Hastings, and A. C. Stokos, Omaha, vice presidents; Joseph M. Aiken, secretary; A. V. Mansfield, Ashland, treasurer; N. P. Wherry, Omaha, librarian; board of directors, J. B. Potts, Omaha; H. J. Lehmann, Lincoln; I. H. Dillon, Auburn; L. Stark, Randolph.

Dr. J. V. Bechtel of Hastings presided at the banquet and the speakers were W. J. Milbray, Omaha; A. E. Mitchell, Lincoln; C. E. Hall, Beatrice; A. G. McGrath, Grand Island; H. S. Dungan, Hastings.

NOTES FROM BEATRICE AND GAGE COUNTY

BEATRICE, Neb., May 20.—(Special.)—In an amended petition filed Wednesday in the office of the clerk of the district court, Beatrice, F. Haseman asks damages in the sum of \$20,000 against Black Brothers, millers, as against \$10,000 asked in his first petition filed last March. Mr. Haseman alleges that he sustained serious and permanent injuries in the explosion of a mill last September when the plaintiff was blown into the Blue river.

George Hill and Fred Wiggins, two residents of this city, were fined \$100 and costs each Wednesday by Judge Ellis for assaulting Officers Trade and Bucholz. They were unable to pay their fines and were lodged in the city jail.

Avoca Pioneer is Dead.

AVOCA, Neb., May 20.—(Special.)—J. D. Rough, aged 76 years, a pioneer resident, living two miles north of town, died at his home Tuesday night, after a few weeks' illness. Mr. Rough came here in an early day. He is survived by five sons and five daughters, his wife having passed away a few years ago. The children are: William Rough of Pinfail, Idaho; Alec Rough of Steele City, Neb.; Mrs. R. C. Wallace of Kansas City, Miss Emily Rough of Oakland, Mrs. Edward Bothome of Cheney, Miss Agnes Rough of Weeping Water, Stewart and John of Nebraska; Mrs. Lillian Donlan and Arthur Rough of Avoca. The funeral services will be held Friday.

Spreading Track Ditches Train.

SUPERIOR, Neb., May 20.—(Special Telegram.)—A Missouri Pacific passenger on the Prosser branch was derailed this morning near Republican City, Kan. Soft tracks caused the rails to spread, threw the engine and two coaches in the ditch. One of the coaches rolled on its side, but luckily no one was injured.

Worms Damage Trees.

SUPERIOR, Neb., May 20.—(Special Telegram.)—A green worm is seriously damaging the fruit trees and elms, eating all the leaves off the branches.

Nebraska OUTSIDE FIRMS TO COMPETE

Nebraska Printing Companies Will Find New Competition in the Field Next Week.

TWO STATE BANKS CHARTERED

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—Indications point to a merry time in the letting of contracts covering the printing of the house and senate journals and other reports of some of the departments when the bids are let on May 25.

Chicago firms have become interested in the proposition and Nebraska printing establishments may find themselves up against the same proposition regarding foreign competition in bidding as was in evidence some time ago when a Missouri firm captured the job of printing the supreme court reports and a Lincoln company went into the courts to keep them out of the game on the ground that as a foreign corporation they had not secured a license to do business in this state, the courts deciding that the foreign competitor had a right at the Nebraska printing.

It is understood that the Chicago houses will submit bids on the printing and that they may be able to capture a part or all of the contracts.

Two New Banks.

The Farmers State bank of Lewellen has been granted a charter by the State banking board. The bank has a capital of \$15,000 and its officers are E. C. Wolfe, president, and G. L. Stout, cashier, no vice president having been selected.

The Home State bank of Kennard has also been granted a charter with a capital of \$15,000 with John Blaco, president; Robert H. Denton, vice president, and J. C. Neal, cashier.

Water Power Right Given.

The Grand Island Electric company has been granted a water power right for a hydro electric plant on the Platte river near Grand Island. The company back of the project consists of Chicago parties with W. H. Thompson and P. H. Fritts of Grand Island representing the local end. The cost of the plant is placed at \$35,000 and has a development of 675 horse power.

Mellor Discusses Free Gate at Fair

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—News that the city of Topeka had voted a levy of one-fourth of a mill to be used to pay expenses of the Topeka fair and that a free gate would be made for all visitors was interesting to Secretary Mellor of the Nebraska State fair. He figures that this would raise about \$17,000 and might cover the amount needed for the Topeka show. The Topeka fair is a much smaller than the Nebraska state fair, and is not the state fair of Kansas, that being held at Hutchinson.

Mr. Mellor was asked if he would be in favor of Lincoln putting up the same proposition in order to give a free gate at the Nebraska fair and said that that would be all right, but that it would take twice that amount to make up for the loss of the gate receipts. He thought half a mill levy might meet the expenses as it would do away with the expense of gate keepers and the like which costs annually about \$2,000.

The Topeka proposition carried by about 1,000 majority.

Cedar Creek License Refused.

PLATTSBURGH, Neb., May 20.—(Special.)—The Cass county commissioners yesterday considered the petition of Andreas Thomsen, asking for a license to run a saloon in Cedar Creek, also the remonstrances filed by Weeping Water, Louisville, Wabash, Eight-Mile Grove, P. A. High of Cass district, superintendent of the Anti-Saloon league of the Omaha district, and personal letters from Mr. Bryan, A. W. Atwood and others. County Attorney A. G. Cole appeared for Cass county, Attorney P. A. High for the remonstrants, Walter J. Snyder for Cedar Creek and S. J. Ambler for Weeping Water, and Matt Gerling, a German, for the saloon. The commissioners refused to grant the license.

Avoca Pioneer is Dead.

AVOCA, Neb., May 20.—(Special.)—J. D. Rough, aged 76 years, a pioneer resident, living two miles north of town, died at his home Tuesday night, after a few weeks' illness. Mr. Rough came here in an early day. He is survived by five sons and five daughters, his wife having passed away a few years ago. The children are: William Rough of Pinfail, Idaho; Alec Rough of Steele City, Neb.; Mrs. R. C. Wallace of Kansas City, Miss Emily Rough of Oakland, Mrs. Edward Bothome of Cheney, Miss Agnes Rough of Weeping Water, Stewart and John of Nebraska; Mrs. Lillian Donlan and Arthur Rough of Avoca. The funeral services will be held Friday.

Nebraska DR. CASE NEITHER ALLOPATH NOR HOMEOPATH. SAYS CARR

(From a Staff Correspondent.) LINCOLN, May 20.—(Special.)—Dr. E. Arthur Carr of the state board of secretaries of the State Board of Health who has been instrumental in having Dr. J. D. Case appointed as secretary of the board, denies that Dr. Case is either an allopath or a homeopath. Dr. Carr explains that the new man is a sprinkling of both, leaning both ways.

CLEAR O'CONNOR LITIGANTS

Grand Jury at Hastings Returns No Indictments After Making Probe Into Case.

BOTH SIDES ASKED FOR INQUIRY

HASTINGS, Neb., May 20.—(Special Telegram.)—The grand jury which has developed some difficulty in investigating matters in connection with the John O'Connor case, concluded its labors today, returning no indictments. The calling of the grand jury followed the request for such an investigation by Judge Vinsonhaler of Omaha, after W. V. Davis had charged that Vinsonhaler's client, John T. Culavin, had offered him a bribe to affix a signature to a will purporting to be O'Connor's.

The contestants joined in the request and Judge Duncan instructed the jury to probe all matters brought to its attention.

A bill of expense amounting to \$300 and a report that the Adams county jail is necessary and well conducted are the net results.

NEBRASKA SCHOOL NEWS

LODGE POLE, Neb., May 20.—(Special.) The baccalaureate address to the graduating class was given in the new high school auditorium on Sunday evening by Rev. Young of Alliance. The commencement address was given last night by Robert I. Elliott of Kearney. The class consists of the following members, all of whom, in addition to their diplomas, will receive normal training teachers' certificates: Doris Bates, Leah Booth, Dewey De Brunner, Annie Jenk, Eva Kidney, Francis Kidney and Guy Tate.

Work to Start on School.

KEARNEY, Neb., May 20.—(Special.)—Work will be commenced shortly on the new parochial school which will be built in Kearney by the Catholics of this district under the leadership of Bishop James A. Duffy. The plans are now completed and the contract will be let in a few days.

"Tiz" Gladdens Sore, Tired Feet

No puffed-up, burning, tender, aching feet—no corns or callouses.

"Happy! Happy! Use 'TIZ'!"

"TIZ" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters, bunions and chilblains.

"TIZ" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. "TIZ" is magical, grand, wonderful for tired, aching, swollen, smarting feet. Ah! how comfortable, how happy you feel. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a 25 cent box of "TIZ" now from any drugist or department store. No foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy. Just think! A whole year's foot comfort for only 25 cents.—Advertisement.

THE USE OF SOAP SPOILS THE HAIR

Soap should be used very sparingly, if at all, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulsified coconut oil (which is pure and greaseless), is cheaper and better than soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulsified coconut oil at any pharmacy, and a few ounces will supply every member of the family for months.—Advertisement.

HASTINGS TO GET DENTAL MEETING

Dr. Kressler of North Platte Elected President of Association at State Session.

MANY CLINICS HELD IN CITY

Because boosters for the bustling city of Hastings appeared in such numbers and with irresistible arguments, that city gets the convention of the Nebraska Dental society next year, over the invitation of Lincoln boosters, who failed to land it, even though they lured with promises of cabaret, dances and theaters. The decision was made at the convention business meeting last night, after the election of officers, which was as follows:

President, O. H. Kressler, North Platte. Vice president, H. J. Porter, Cambridge. Secretary, H. E. King, Omaha. Treasurer, A. T. Davis, Oxford. The convention wanted to make Dr. Guy Baird of Fremont the secretary, and nearly all the delegates were on their feet, shouting for him, when he firmly declined. He was afterwards tendered a vote of thanks for his efforts in the last few years.

Dr. Thomas of Hastings and Dr. "Jim" Prime of Oxford led the Hastings delegation in their fight for the meeting place next year.

The Bee Want Ads Are Best Business Boosters.

Woman's Health Requires Care

Women are so constituted as to be peculiarly susceptible to constipation, and their general health depends in large measure on careful regulation and correction of this tendency. Their delicate organisms rebel at the violence of cathartic and purgative remedies, which, while they may afford temporary relief, shock the system and seriously disturb the functional organs. A mild laxative is far preferable and, if properly compounded, much more effective.

The combination of simple laxative herbs with peppin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is ideal for women's cases. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 82 Washington St., Monticello, Ill.

WELL KNOWN EL PASO MINING MAN PRAISES CURATIVE POWERS OF AKOZ

P. W. Wilkey, 311 Wyoming St., Used Remedy Three Years Ago; No Return of Ailment Since.

"I am for Akoz first, last and all the time," declared P. W. Wilkey, one of the best known mining men in the west. Mr. Wilkey, who resides at 311 Wyoming street, El Paso, suffered with stomach trouble for a long time and while in California three years ago, used the new mineral discovery with such good results that he has had no return of the ailment since. He says:

"For a long time I was bothered with gas, indigestion and general stomach disorders and different remedies I used did not seem to touch the seat of the trouble at all. While in California three years ago I read of the Akoz mineral remedies, and being a mining man, I thought that it would be just the remedy for me. I got some of the powder for making the mineral water, and drinking it four times a day made a big improvement in a short time. Continuing for a few weeks I realized that I was entirely well and since then have had no return of any stomach trouble. A few weeks ago I had a bad eruption break out on my neck, due to close shaving, and while in Kelley & Pollard's drug store saw the Akoz remedy displayed. Knowing their great curative qualities, I got some of the

dusting powder and in a few days it had made my neck as well as ever. I boast this new remedy because I know that it is a pure, natural product that does all that is claimed for it."

Akoz is sold in Omaha at Sherman & McConnell's four stores and other leading druggists where further information may be had regarding the advertisement.

Advertisement for 'The Goddess' motion picture. Includes portraits of the main cast members and promotional text. Text: 'This is the Combination Presenting The Goddess'. 'NOW that you have read the fascinating introduction to the great novel of Gouverneur Morris, you must be waiting not patiently for Monday. For it is Monday when the theatre near you begins to exhibit the surpassing motion pictures evolved by the Vitagraph Studios. It is very much to be questioned that any serial or series of motion pictures yet produced can be compared with "The Goddess" for exquisite loveliness, true interest and genuine heart appeal. With all its thrills, the thrills are not what make it great. With all its mastery of plot, the plot is not what makes you love it. With all its perfection of stagecraft, it is not stagecraft that is its sole support. It is just this: "The Goddess" is a real exposition of modern day questions that confront you and yours—and it brings such home to you. Reading the story and then seeing the pictures made by this paper and the Vitagraph Company will make your fuller entertainment.'
