Additional Sleeper Required.—Owing
in the increase of business to the lake
country of Minnesota and Wisconsin, the
Northwestern is compelled to put an ad-
ditional sleeper on its St. Paul and Min-
neapolis train leaving Omaha at 6:45
o'clock in the evening.

Chicago Doctors Go West.—Three car-
loads of doctors from Chicago passed
through Omaha last night enroute to Den-
ver, where a convention is to be held.
Here the party will be joined by a dozen
or so of the doctors of Omaha and Coun-
cil Bluffs. The convention continues dur-
ing the balance of the week.

Auto Thief Caught.—R. E. Stone of
St. Paul was arrested in Council Bluffs
for the theft of an automobile taken from
the Minnesota city, which he drove to
Omaha. The car was housed at a local
garage, through which the local depart-
ment received word of the theft. The
owner has been notified and has started
for Omaha to recover his property.

To Speed Up Trains.—Beginning next
Sunday the Northwestern will cut forty-
five minutes off the running of its night
train between Omaha and St. Paul and
Minneapolis. The train will continue to
leave the Omaha union depot at 9:45
o'clock in the evening, but will arrive in
St. Paul and Minneapolis forty-five min-
utes earlier the following morning.

E. E. Wood at His Desk.—The condi-
tion of Elmer H. Wood, freight traffic
manager of the Union Pacific is improv-
ing quite rapidly and he is now super-
vising a portion of each day in his office in the
headquarters building. While he is not
down to hard work, he is exercising
jurisdiction over some of the important
matters that come up for consideration.

Funeral Services for H. J. Meyer to Be Held Wednesday

The funeral of Herman J. Meyer, who
died Sunday, is to be held this
afternoon at 4 o'clock from the home of
C. A. Grimmel, 220 South Twenty-ninth
street. Rev. Luther M. Kuhns is to con-
duct the services. Honorary pallbearers
are taken from the ranks of the old
friends of the deceased. They are:
C. Kalmbach, Charles Gruenig,
Henry Shimacher, Theodore Schubach,
Bill Meyer, Albert Nist.

The active pallbearers are:
P. W. Kuhns, A. F. Smith,
Arthur Metz, O. Goodman,
Fred Paffenrath, A. D. Klein.

Interment is to be in Prospect Hill
cemetery.
An incident of some interest to the
friends of the late Mr. Meyer is that
while Rev. Henry W. Kuhns performed the
marriage ceremony for Mr. and Mrs.
Meyer many years ago, a son of this
minister, Rev. Luther M. Kuhns, is now
to perform the last offices for the de-
ceased, while another son, Paul W.
Kuhns, is to be one of the active pal-
lbearers.

W. C. T. U. MEMBERS TO DEMONSTRATE HITCHCOCK

Prominent members of the Women's
Christian Temperance union, after con-
sultation with many of the members,
have prepared a resolution to present at
the meeting Wednesday, denouncing Sen-
ator Hitchcock and upholding Senator
Patrick in his move to keep the senator
from being the orator at the Bellevue
commencement, on account of his non-
support of the Democratic administration
and because of his stand on the liquor
question.

The Frances Willard chapter and the
Omaha union meet Wednesday. The
women are preparing to send letters to
Bellevue commending these directors who
opposed Senator Hitchcock.

PASSENGER BUSINESS TO COAST IS PICKING UP

The Omaha-Pacific coast roads are
pleased with the improvement of west-
bound business since the beginning of
June. All of the trains are now carry-
ing extra equipment and most of them
are crowded. The business on the Union
Pacific has reached a stage where it is
expected that an additional west-bound
train will be put into service about
June 20.

The new train contemplated will come
from Chicago over the Milwaukee, ar-
riving about 7:30 in the morning. It will
carry standard and tourist sleepers and
chair cars.

ANSWER TO LIGHT COMPANY IS FILED

City Enters Denial of Petition Seek-
ing Injunction Against Operation
of New Ordinance.

ASSERTS PRICES NOT UNFAIR

The city of Omaha, through Cor-
poration Counsel Lambert, has filed in
the federal court an answer to the
petition of the Omaha Electric Light
and Power company, which is seek-
ing a permanent injunction against
the operation of the new ordinance
No. 8810, which fixes lower electric
light rates.

At the same time the city filed in
the court thirty-four questions which
it asks that the corporation be re-
quired to answer.

The city's answer is principally formal,
denying the allegations of the plaintiff's
petition, denying that the price fixed
by the ordinance are unfair and denying
that the plaintiff's plant is worth any-
thing like \$5,000,000, but on the contrary,
declaring it is not worth over \$2,000,000.

The city in its answer charges that the
corporation is now unlawfully discrim-
inating in its prices and is furnishing
energy to many large consumers at the
mere cost of producing the energy alone;
also that it is charging other consumers
far in excess of a just charge, and that if
all consumers were treated alike the pro-
posed reduced rates would be adequate to
yield a just return on a fair valuation of
the plant.

Ask for Figures.

The thirty-four questions propounded
by the city are divided into five subdi-
visions. They involve facts and figures
regarding the electric light company's
business for the last twenty-five years,
but particularly for the years 1913 and
1914. Gross revenues, net earnings, ex-
penditures for various purposes are asked
for, with the request that these be given
in relation to Omaha consumers alone.
Also separate revenue figures are asked
for "commercial lighting," "residence
lighting," "retail power use and purposes,"
and "heating and electric vehicle battery
charging."

One question is: "State whether you
charged all Omaha customers in 1913 and
1914 the prices of the published schedules
and if not, give all names of persons and
firms to whom smaller charges were
made."

If the court orders these questions
answered and if the company gives unsat-
isfactory answers the city will have all the
information it needs to proceed with the
case.

If the city does not get answers to
these questions the next step will be to
get a physical valuation of the prop-
erty of the electric light company.

Half Century of Graduates at High School Reunion

A half century of graduates of the
Omaha High school will be represented
at the annual reunion of the Alumni as-
sociation of the Omaha High school to be
held Monday evening, June 21, at the
Happy Hollow club. Starting in the year
1878 with six graduates the number of the
class sent out has grown until the class
of 1915 will be represented by more than
200.

More than 2,500 names are on the list
of graduates of the Omaha High School.
Alumni association today and an an-
nouncement will be sent to all those
whose postoffice address is known. The
president of the association wishes to ex-
tend to all graduates an invitation to at-
tend whether or not they receive an an-
nouncement.

Tickets for the event may be obtained
at Boston's drug store, Fifteenth and
Farnam street, or at the office of the
president of the Alumni association
Stuart Gould, 10, at 220 Bee building.

Woman Alleges Her Jitney Bus Earns Her \$10 Per Day

That a large jitney bus has been earn-
ing a profit of \$10 a day for her, is al-
leged in district court by Marie Houts
in a damage suit against the International
Harvester company. The plaintiff alleges
that she had been damaged \$1,700 because
the company took the bus from her
possession and interrupted her trans-
portation business. She asks an additional
\$300 for payments made on an automobile
alleged to have been purchased by her.

Restored to Good Health.
"I was sick for four years with
stomach trouble," writes Mrs. Otto
Gans, Zanesville, O. "I lost weight and
felt so weak that I almost gave up hope
of being cured. A friend told me about
Chamberlain's Tablets, and since using
two bottles of them I have been a well
woman." Obtainable everywhere.—Ad-
vertisement.

REFINING COMPANY AGAIN REFUSED FILLING STATION

Efforts of the National Refining com-
pany to establish a gasoline filling sta-
tion at 1224 Corby street, on the Florence
boulevard, again have been stopped by
the city council. It is maintained that
a petition filed by this company is in-
sufficient. The council also passed an
ordinance prohibiting automobiles re-
maining on boulevards while being served
with gasoline. Various protests have
been received against the proposed Corby
street filling station.

Doctor Tells How to Shed Bad Complexion

We cannot restore degenerated facial
tissue any more than we can restore a
lost limb. It is useless to attempt to con-
vert a worn-out complexion into a new
one. The rational procedure is to remove
the complexion instead—remove the de-
generated tissue. Not by surgical means
however, as the underlying cutis is too
thin, too tender, to withstand immediate
exposure. Applying ordinary mercurio-
lized wax will gradually absorb the offending
cuticle. By degrees a new, youthful
skin appears; soft and delicately tinted
as a rose petal.

No lady need hesitate to try this. Pro-
cure an ounce of mercurio-lized wax of the
druggist. Spread on a thin layer before
retiring, removing the film in the morning
with soap and water. In from one to two
weeks the complexion is completely
transformed.
An approved treatment for wrinkles is
provided by dissolving an ounce of pow-
dered axleite in a half pint of white
hazel. Bathing the face in the solution
brings prompt and remarkable results.

Boy Drowned at Carter Lake Was Out of Beach Limits

Accidental drowning was the verdict re-
turned by a coroner's jury in the case
of Forrest Gillaspie, 17-year-old youth
who lost his life in Carter lake last week.

The jury exonerated the authorities at
the municipal beach, inasmuch as Gill-
aspie was considerably beyond bounds
of the beach when he was overcome.
The inquest was held at the request
of the boy's mother, Mrs. Vie Gillaspie.

MASONIC FUNERAL FOR JOHN GRANT

Body is Buried in the Family Lot at
Prospect Hill Cemetery After
Impressive Services.

FLORAL TRIBUTES NUMEROUS

The funeral of the late John Grant
was held from the Masonic temple
Tuesday afternoon with burial in the
family lot in Prospect Hill cemetery.
It was largely attended by members
of the Masonic lodges of the city and
by friends who had known Mr. Grant
many years. The services at the
temple were Masonic in every particu-
lar and were in charge of Capitol
lodge, the lodge of which Mr. Grant
was a member.

T. W. McCullough, managing editor of
The Bee, a personal friend of Mr. Grant
for more than twenty years and a mem-
ber of the same lodge, delivered the
eulogy, recounting incidents connected
with the life of Mr. Grant and referring
to his sterling character, his many char-
itable acts, the high appreciation in
which he was held by all who knew him
and his true worth as a man and a
citizen.

Flowers in Profusion.

The music for the occasion was by Mr.
and Mrs. George J. S. Collins, who sang
"Lead Kindly Light" and "Nearer My
God to Thee." A profusion of flowers
were placed about and upon the rich gray
casket, they having been sent in by
friends.

While the Masonic grand lodge did not
adjourn for the funeral, a large number
of the delegates attended, some of them
going to the cemetery.

DEFER OPENING OF BIDS FOR SALE OF CITY BONDS

Owing to conditions of bond market and
Greater Omaha consolidation, the city
council deferred for thirty days the open-
ing of bids for the sale of Auditorium,
sewer and park bonds, in amounts of
\$100,000, \$100,000 and \$50,000.
This action was taken on the recom-
mendation of Superintendent Butler of
the department of accounts and finances,
who state that the bonds may be dis-
posed of to better advantage a month
hence.

PERSONAL PARAGRAPHS.

E. O. Holland, superintendent of
schools of Louisville, Ky., stopped over
for the day to visit with Superintendent
Graft and the Omaha schools.

Mrs. Frank Goodrich, wife of a police-
man, has left for Weston, Mo., where
she attends the funeral of her aunt, Mrs.
Carrie Beents, sister of Michael Parr,
former Omaha druggist.

GRAND LODGE OF MASONS MEETS HERE

Annual Session Calls Out Over Five
Hundred Members from State
for Three Days.

ALL GRAND OFFICERS PRESENT

The Masonic grand lodge of the
Nebraska jurisdiction convened in
annual session at the Masonic temple
yesterday, with an attendance of
close to 500, this being considerably
larger than usual. At noon dinner
was served in the large dining hall
on the second floor, it being in
charge of the Nebraska Veteran Ma-
sonic association, John A. Ehrhardt
of Stanton presiding. Following the
meal addresses were made by W. A.

DeBord and Rev. T. J. Mackay of
Omaha.

At the meeting of the grand lodge all
grand lodge officers were present, as
follows:
Thomas M. Davis, grand master, Beaver
City; Samuel A. Whiting, deputy grand
master, Lincoln; Andrew H. Vile, grand
senior warden, Norfolk; Frederic L.
Temple, grand junior warden, Lexington;
Francis B. White, grand secretary,
Omaha; Charles C. Wilson, grand chap-
lain, Gothenburg; Arthur S. Brooks,
grand orator, Hastings; Robert W.
French, grand custodian, Kearney; Am-
brose C. Epperson, grand marshal, Clay
Center; John J. Tooley, grand senior
deacon, Anselmo; Joseph B. Fradenburg,
grand junior deacon, Omaha; Alexander
E. Porter, grand tyler, Lincoln.

Record of Grand Lodge.
The morning session was given to the
delivery of the annual address of Grand
Master Davis, it showing that at the
present time the grand lodge has a mem-
bership of 21,300, with 285 deaths during
the year, leaving a net gain of 1,037 for
the year.

Among those who died during the year
were four past grand masters, G. B.
France of York, Martin Dunham, Harry

F. Duell and John J. Merzer of Omaha.

During the afternoon, reports of grand
officers were presented and referred and
at 3 o'clock representatives of other
grand lodges were introduced.

The grand lodge will continue in ses-
sion until Thursday evening and it is
probable that this is the last time that
the body will meet in the old Masonic
temple building, at Sixteenth Street and
Capitol avenue, it being asserted that it
is more than likely that before the time
for holding the next meeting, one year
hence, the new temple will be ready for
occupancy.

FAVOR PURCHASE OF SITE FOR COUNTY WORKHOUSE

To acquire a site now for the county
workhouse when one shall be decided
upon for Douglas county is a step that
the municipal affairs committee of the
Commercial club believes one of the first
necessary steps. It also believed that a
start should be made by acquiring the
ground. A special committee consisting
of George L. Campen, G. A. Magney and
George West are to report on the matter
at the next meeting.

Boisen Has Narrow
Escape When Auto
Turns Over On Him

Omaha Boisen of Benson was precipi-
tated down a twenty-five foot embank-
ment at Forty-first and Cumming streets,
when he lost control of his auto, while
executing a quick turn to avoid collision
with another car. Boisen was thrown
from the vehicle, and despite the fact that
the machine landed over his prostrated
form, he escaped with a slight wrench
to his back and minor bruises. The auto
was badly damaged.
Boisen asserts he was proceeding east
on Cumming street and was about to turn
south into Forty-first, when the driver
of the other car, which was coming north
on Forty-first street, headed directly for
him. In an effort to turn out of the way
he lost control of the wheel, and shoot-
ing over the sidewalk his auto took the
plunge down the bank and into a corn-
field. The driver of the other machine
did not stop, but increased its speed and
sped toward town on Cumming.
