HORSEMEN RETURN FROM COAST RACES

By S. K. MURRAY

Return of the Omaha men who witessed the San Francisco exposition races and a day's visit here by Marvin and Frank Childs and Lon McDonald. noted drivers, were the features of the week in the harness game in this city. The visitors were en route to Cleveland and Indianapolia from San Francisco. They were guests of Ed Peterson and Otis Smith, president and secretary of the Omaha Driving club, all day Friday. Mr. Peterson and Tom Dennison returned arlier in the week from the exposition. Details of the \$20,000 pacing race, in which Hal Boy, Mr. Peterson's do-or-die acing gelding, won the last two of five heats and second place, were discussed by these men, who certainly can qualify as authorities on the subject, and some oriticism of methods at San Francisco was voiced

"Native Sous" Felt.

It seems that the worship of the "native son," who to Californians is as the rising sun is to the pagans, made itself felt in the races out there and imposed a handicap in favor of White Sox, Durfee's entry in the \$20,000 pace, which just about made the difference between first and

second place to Hal Boy. It should not be understood that Mr. Peterson, who owns Hal Boy, nor Marvin Childs, who drove him, is doing any "kicking" nor wasting his time in vain regrets. They long ago accumulated the wisdom which precludes any such attitude of mind or conversation, and, besides. they are going to continue racing the

Charley Johnston Has Glowing Record At the Hollow Club

Charley Johnston, the genial golf professional at the Happy Hollow club, is boasting of the record he has made at the club during his term of office there.

And Charley has a perfect right to be cord. When Johnston came to Omaha in 1908 there were but thirty players registered

on the handicap list of the Happy Hollow club. This summer there are 197 players listed and many more play regularly at the club, but are not on the handleap list.

Every day finds the Happy Hollow links crowded. Saturday and Sunday will find well over 100 golfers playing and even on a week day from thirty to sixty are out. This is a record to be proud of and its accomplishment has largely en due to the indefatigable efforts of Johnston to boost the game at his club,

Coombs Weakens And Alexander Wins

PHILADELPHIA, June 28.-For the second time this month Alexander within one safety of a no hit mark, when he pitched Philadelphia to a victory over Brooklyn today, 4 to 0. At St. Louis re-cently the only hit made off him was with two men out in the ninth inning, while today Wheat made a single in the eighth. Alexander did not give a pass and was perfectly supported, so that only twenty-eight batsman faced him. Coomba gave Alexander a great battle for six innings, but weakened after that. Score:

Laurel Beach was the place which came nearcast to meeting the demands of the foot ball authorities. There were suft-able hotel accommodations and a fine playing field. Plans to go there, how-ever, went awry when it was found that the owner of the athletic field declined to have the turf torn up by the clears of the foot ball players. Nor was he copen to argument. Laurel Beach thus eliminated, Branford Point has suggested itself. Here it was that the Columbia eleven used to come before they riayed Yale, the squad putting up at a hotel whose accommodations and cuisine used to be, and probably are today, all that athletes could desire. Just now no sert-
