FIVE SCHOOLS N THE BOAT RACES

Twelve Crews Will Take Part in Rowing Events on the Hudson Today.

WISCONSIN CREW DISBANDED

FOURHUNDREDS, N. Y., June 27.—College carmen from Atlantic and Pacific coasts meet here tomorrow in their annual contest for the crew championships of the Intercollegiate Rowing association. Five universities have entered.

While the total entry list falls short of the record established in 1907, when sixteen crews competed, there will be twelve crews propelled by seventy-two oarsmen in the two and four-mile races and close contests are expected in every event.

An unusual feature of the regatta is the fact that the Cornell crews, especially the varsity, will paddle to the start second choice in the starting line.

The remarkable average of twenty-four miles per hour for the forty-one and a half hours he was on the road in his car from Cleveland to Omaha was reported at Auto club headquarters at Hotel Fontenelle Saturday afternoon by C. S. Clark of Wakarusa. O. He is on his way to the California exposition, and was congratulated by local motorists along his fine road showing over such a distance.

Joe Tinker and Tip Top Player Suspended

BROOKLYN, N. Y., June 27.—Joseph Tinker, manager of the Chicago Federals, and Ralph Myers of the Brooklyn Dodgers were suspended indefinitely tonight by President James A. Gilmore of the Federal league for engaging in an altercation in the second game this afternoon between Chicago and Brooklyn.

In the second half of the eighth inning Tinker, playing second base, tapped Myers for a putout at second. An argument followed, after which Myers is said to have shoved Tinker. The men then exchanged blows. Other players separated the two, who were put off the field.

STANTON SPEED ASSOCIATION TO STAGE SOME BIG RACES

STANTON, Neb., June 27.—(Special.)—The committee in charge of the Stanton Speed association plans to give Stanton county one of the best shows in the way of races ever given in northeast Nebraska. To date Secretary Parr has secured eighty-one entries for the races, and before the races, which will be held on July 2 and 3, the number will reach near to the 100-mark.

Entries have been made for horses from all over the country, including: La.; Denver, Colo.; Chicago, Ill.; West Lake, Wis.; Mount Sterling, Ill.; Fayetteville, Ark.; and other cities. Four horses arrived Monday from Hutchinson, Kan., and there are several local racers on the track here now that have been in training for several weeks and have been making splendid records. Besides the horse races, there will be a large motorcade in town where motorcycle races will be held each evening after the horse races. A large carnival company will be in town all week. Three big brass bands will furnish music. Each evening a gorgeous display of fireworks will be given. The committee is expecting crowds to exceed any ever in Stanton at any time.

The Clerk Guaranteed It.

"A customer came into my store the other day and said to one of my clerks, 'Have you anything that will cure my rheumatism?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured." writes J. H. Berry & Co., Salt Lake City, Utah. Obtainable everywhere.—Advertisement.

AFFAIRS AT SOUTH OMAHA

Police Enforce Closing Order and Keep Strict Tab on Saloons After Hours.

LOOK FOR NO MORE OPPOSITION

Night Captain Arden Vanous, now in charge of precinct No. 2, is making a big bit on the south side. With Captain Briggs in charge of the day side, the two officers have practically closed the town. Vanous, as night captain, began by giving strict orders to all policemen to see that the saloons were closed at the proper hour. A few saloonkeepers will remain open, but Vanous told them last night they will be the tightest Saturday night ever seen in South Omaha.

The police, as well as the citizens, are pleased with the changes. Many of the saloon men are said to have expressed themselves in a similar vein. It is said that Vanous will be commissioned as a captain in a short time, thus making four captains in the regular department. The new auto badge is badly needed and will be put in commission in a day or two, it is said. John Jackson, present patrol conductor, will be the conductor on the new wagon. The telephone system will be changed so that all patrolmen will report directly to the central office.

Think Opposition is Over.

Treasurer P. J. Martin of the defunct city government stated yesterday that he would turn his books and money as soon as the court order arrived Monday morning. "As soon as the books are open for business, I shall be glad to relinquish the monies in my possession to such officers as are authorized to receive them," said Mr. Martin yesterday evening. It is understood that Mr. Martin and his deputy, E. L. Gustafson, will remain in charge of the local office. It is also said that the office force will be retained.

Attorney H. C. Murphy stated yesterday that as far as he knew the opposition to the merger was over. It was stated, however, that Attorney Winters would endeavor to obtain a superceded writ from the supreme court before Monday in order to delay the merger. Attorney Murphy appeared to know nothing of such a move and expressed the opinion that it was a mere rumor.

Striker Back Home.

Secretary A. P. Stricker of the Live Stock exchange returned home yesterday after several days in Washington, where he represented the local live stock interests in their fight against the proposed increased rates on live stock to the Omaha market.

Wyness Goes South.

James "Jim" Wyness, one of the oldest and most widely known cattle buyers of the west, left yesterday evening for Oklahoma City, where he goes to take up his duties as cattle buyer for Morris & Co. at that point. Wyness is known throughout the west as one of the best buyers and a man on the market. He has been in the employ of the Hammond, Omaha, and Morris people for the last twenty years. Part of the time he spent in St. Joseph as head cattle buyer there. Later he returned to the Omaha market, where he remained until the present change. He will be succeeded here by Leon Strawhecker, his assistant, who will become head cattle buyer for Morris & Co. at this market. The new market, Oklahoma City market, to which Wyness goes, is the big Morris station.

Market Leads Country.

South Omaha leads all the markets of the country in sheep, and, in fact, leads in all live stock receipts with the exception of a very slight margin, which is credited to Chicago. The present receipts at the local market were 22,000 better a week ago, and 24,500 better than a year ago. The total was 66,000 head.

The five principal markets showed a total of 126,000, as compared with 123,000 head last week and 145,000 head a year ago.

Superintendent N. M. Graham's name is being persistently mentioned as assistant superintendent of the Greater Omaha school system. At present Mr. Graham is superintendent of the South Omaha schools at a salary of \$3,000 a year. He has still a year to run under his former contract. Since the merger there has been talk of his remaining as superintendent of the South Omaha system, but it is understood that some of the board members do not look with favor on the continuation of a divided authority in the school system, and the proposal is made that Mr. Graham become assistant superintendent.

Bluffs Man Is Hurt.

Thomas Davenport, colored, was picked up yesterday evening at Thirty-third and Q streets suffering from concussion of the brain. He was rushed to the South Omaha hospital, where City Physician E. J. Shanahan attended him. Davenport lives at 1111 Eighth street, Council Bluffs. Over the telephone the police of that city told Captain Vanous that Davenport was a police character. The back of his head was cut and he told the police that he had been hit by a brick during a family row in Council Bluffs yesterday.

Meat Land in Storage.

In the five great provisions markets of the country there are now \$5,000,000 pounds of meat and by-products waiting an outlet. This is 66 per cent more than was in storage a year ago. There are now 300,000,000 pounds of lard in storage, as against 200,000,000 pounds a year ago. Austria and Germany are the principal markets for the lard and the embargo laid by the allied powers has glutted the market in this country. The provisions stored at the Omaha market run in proportions maintained in the five markets.

Much Meat Stolen.

Armour & Co. have just unearthed a most stealthy system that has been going on for more than a year, it is said. Two men have been dismissed from the plant and an investigation is now on. The system has to do with the issuance of alleged bogus meat books, which were circulated and sold for money. Meat was being carried out and sold to different houses in Greater Omaha. The packing house officials have placed the matter in the hands of the police.

Pretty Garden Party.

A very pretty garden party was given by Mrs. William Moltzen, 1011 North Trenton street in honor of Miss Ethel Kinney, who is to be one of the September brides. Covers were laid for eighteen guests and a dainty luncheon was served. The colors were pink and green and were very prettily carried out. Those invited were: Mesdames John Duff, Reggie Waller, Robert Crooks, Ray Stastich, E. J. Anderson, Harry Thompson, Carl Anderson, M. E. Smith, A. Porter, William Moltzen, O. F. Merrill and Miss Ethel Kinney, all of South Omaha; Miss Rose Thompson, Mrs. Joe Easton, Mrs. E. McNeel of Omaha, Mrs. A. J. Smith of St. Joseph, Mo.

The Centurion club will give a shirt waist party in their club rooms at Twenty-sixth and F streets, Thursday evening, July 1.

Secretary A. P. Stricker of the Live Stock exchange returned home yesterday after several days in Washington, where he represented the local live stock interests in their fight against the proposed increased rates on live stock to the Omaha market.

Omaha Good Town To Come Home to, Says Mr. Johnson

"Omaha looks better than ever to me after seeing other parts of the country," said E. L. Johnson, manager of the Gayety theater, when he returned yesterday from a western vacation trip.
