Woodmen of World Busy Entertaining Delegates to Severeign Camp Meeting.

DRILL TEAMS GOING TO CAMP

Local camps of the Woodmen of the World have been very busy during the last week entertaining visiting Woodmen m warious states in the south. Many of them are delegates to the meeting of sovereign camp, which convenes at Et. Paul, Minn., Tuesday. This being their first visit to Omaha, they expressed nselves as being highly pleased with the city, as well as the building owned and occupied as the headquarters of the

The drill teams of the various camps are active at this time in drill work preparatory to attending the district enment to be held at Lake Okoboli July 31 to 30, inclusive.

arcont camp No. 421 held a scanton at its hall, 2125 Pierce street, last Thursday evening. It was a gathering of all members of the camp and their friends and much to promote good fellowship orests interest in the camp affairs. Mancuso was in charge of the meet-

in membership of 100 during the last month. The deputy has given new life to the camp and its prospects for future increase are very encouraging.

Enights of Socurity. At Loyal council last Thursday even-ing the committee in charge of entertainment gave a rather unexpected dance for the members and friends, but a good time was had anyway. Regular business meet-ing next Thursday evening. Harmony council No. 1690 will hold a

basket picule for members and their fam-Hastings Files a lies and friends at Fontenelle park

Tribe of Ben Hur. Moora court No. 18 will given an open meeting next Thursday evening at the

Brotherhood of American Yeomen. Last Wednesday evening Omeha home-stead No. 1694 initiated a large class of dates. The women's drill team did excellent work. Next Wednesday eve lives at 1600 Wirt street in the heart of ning has been set saide for a prize card the district which is suffused with the party for Yeomen and their friends. A stonch from the dump when the wind committee has been appointed to arrange for the annual picute, which will be held me time near the end of July,

Omaha tent No. 75 will install its newly sected officers Monday evening. The entertainment committee is preparing some-thing special and a good time may be looked for. Many visitors from Council Bluffs and South Omaha will be present.

Mondamin lodge No. 111 will meet Tues-day evening at Ninoteenth and Farnam streets, with drill practice. Mr. Campbell won the attendance prise last Tues

Royal Highlanders.

The semi-annual installation of officers will occur Wednesday evening in Odd Pelicus' hall, Fourteenth and Dodge streets. The work will be done by J. E. Starboard, assisted by the degree team. Refreshments will be served.

## Traffic League Meet Supervisor E. E. Dale of the School Garden clubs wants to announce that pototo plante need not blossom before the potatoes are large enough to be eater McVann Goes to the

Dale says he has frequently encountered the idea among amateur and school gardeners that their potatess are not ready to eat until the plants blossom. He says the idea is erroneous and that the young spuds may be dug up and prepared for the table without regard to the blossoming period. "But them whenever they are the encourth" says Dale. The executive committee of the Na-ional Industrial Traffic league hold a meeting the latter part of the week in Poisso, O., and H. J. McVan. manager t the traffic bureau of the Commercial lub, attended. Quaeticus of possible mendments to the interstate commerce

#### BROWN SHOWS THAT DOPE NOW COSTS TWICE AS MUCH

when the family returned from a visit shortly after 2 c'clock they heard some one leave the house by the kitchen door.

The Furity Drug company, 1168 North Streenth street, was also visited by thiores, who took goods to the value of \$50. ergs Brown, in a hearing before args of having "dope" in his possession, we some evidence that tended to show here the mysterious leaks are by which isome come into possession of the for-

He stated that he went to a certain physician in Sioux City, whose name and address he gave and there secured a prescription for the drug. The prescription paper had the name of a cer-Miss Clement of Washington, D. C., head of the Red Crose society, is to speak at 8 o'clock Monday evening at the Young Women's Christian association on "City and County Nursing." The lecture is in charge of the Omaha aurees thin druggist printed on it and to this druggist he took it, where it was filled without question. He went through the same process more than once.

Brown was remanded to jail until rev-

enue agents can go to Sioux City and Brown complained that a bottle of

"Sope" which used to cost but 60 cents now commands a price of \$1.25.

#### OMAHA FIRMS TO EXHIBIT AT NEBRASKA STATE FAIR Momentous Future

About half the space in the Manufac-turers' building at the state fair grounds is being taken by Omaha manufacturers. Frank Ringer, commissioner of the State Manufacturers' association, has been in Omaha for a few days hustling for new members for the state association, and the Omaha association, while at the same time he is boosting the sale of space in this Manufacturers' building for the exhibits at the state fair.

Manufacturers' association, has been in Omaha for a few days hustling for new members for the state association, and the Omaha association, while at the same time he is beasting the sale of spate in this Manufacturers' building for the exhibits at the state fair.

DUNDEE METHODS OF KEEPING BOOKS CHANGED

Trundre's method of conducting public affairs is receiving some modification by the city commissioners. The plan of cutting trees and charging the expense to the lighting fund, on the theory that the trees must be out to make the lights useful, will be discontinued. Statistical information from the late village on the went shows that the bonded indebtedness of that community is proportionately as much as it has been in Omaha. of that community is proportionately as much as it has been in Omaha.
