That Topeka Team Always Seems to Have a Good Time in Omaha

SPORTS SECTION of

THE OMAHA SUNDAY BEE

OMAHA, SUNDAY MORNING, JULY 18, 1915.

FOUR KAW HURLERS SUBDUE ROURKLETS

Sanders, Dashner, Grover and Lakaff All Take a Hand and Omaha Loses, Four to Three.

LATE RALLY IS CUT SHORT

Jimmy Jackson, who masquerades as manager of the well known Topekas, yanked four hurlers out of his stable of live stock and threw all four into the nineinning pastime staged at Rourke park yesterday. By so doing Jimmy put a large crimp in the Rourke hitsmiths and his hirelings carried away the combat, 4 to 3.

The first gent to oppose Pa's hopefuls was one Roy Sanders. Be it known he is not the same Roy Sanders who toiled for Omaha and the Storz last summer. He is a considerably different erson, he only lasted one frame.

Next came Mr. Dashner, the celebrated coal miner from Ohio. Dash was on the mound until the eighth, when he was chased in favor of Bert Grover. Bert faced two batters, walked both, and then retired to the dugout while Nick Lakaff emerged from the bull pen to save the game. He did it with the assistance of Manager Krug.

Batfest in Second.

In the second stanza the Kaws took a liking to Cecil Thompson's offerings and put three runs over the plate before our athletes could check the hostile attack. A walk, a sacrifice, hits by Rapps, Monroe and Sanders, and an error by Forsythe did the work.

The Rourkes came back in the home half of the same spasm and performed very nicely as long as Sanders was obliging. Hits by Krug, Schliebner and Breen and a stolen base and wild pitch put over two runs. Then Dashner appeared and the Rourke bombardment ceased abruptly.

In the seventh Topeka made the tally which won the game. Monroe dropped a fluke Texas leaguer to right and Schliebner, going back after it, clawed at it with his paw. Said paw hit the ball and propelled it the rest of the way to the fence, and the official scorer slipped Monroe a triple out of the goodness of his heart. Dashner drove one through Krug, and Monroe registered.

Rally is Cut Short.

Omaha started a rally in the eighth but for a regular rally it had a bum ending. Forsythe poked a nicely placed bunt which landed him on first. Krueger flew out and Dasher hurled one wide ball to Krug. This flustered James Jackson so he called for Grover. Grover completed the walk and then walked Schliebner. James Jackson again walked into the infield, this time to chase Grover and fly signals of distress for Lakaff.

Breen pasted a hot drive at Cochran which that youth was lucky to stop. He did, and threw Breen out, but before Forsythe had marked. Krug dashed from second to third, over-ran the ba[g] and danged up and down the line tantalizingly a few feet from the ba[g]. Krug's activities so excited Bill Fish[er] that he promptly threw Marty out [a] foot or two, completing a double pl[ay] and retiring the side, and also maki[ng] the rally look sick.

Today the aKws will battle the Rourke again. Game will be called at 3 o'clock. Score:

New Rules for the Registration of Dogs

NEW YORK, July 17.—The following rules are applied to the registration of dogs in the American Kennel club's stud book. A dog is eligible to registration under the following conditions:

1. If it has a pedigree for three generations or traces to dogs registered with the American Kennel club when the pedigree is not so extended.

2. No change in a dog's name shall be permitted after it has been published in the annual volume of the stud book.

3. In event of change of ownership, a dog may be entered in a subsequent volume of the stud book, but a new number shall not be assigned to it, reference being made to the old number and volume in which the dog is registered.

4. No list of awards shall be given in connection with a registration.

5. No kennel name shall be given as owner on breeder of a dog, unless such name has been registered with the American Kennel club. The breeder of the dog is the person owning or leasing the bitch at the time of its being bred.

6. Pedigree need not be extended beyond registered dogs with the American Kennel club.

The fee charged for registering a dog is $1 and is not exorbitant when the amount of work is taken into consideration.

Joe Berger, shortstop for the Venice club, has received a tentative offer from Harry Lord, manager of the Buffalo Federals. Berger has telegraphed back to Lord that there is "nothing doing," as he is satisfied to play on the coast.

HARRY HEBNER.

SAN FRANCISCO, Cal., July 17.—Harry [He]bner of the Illinois Athletic club of Chicago established a new world's record for the 150-yard back-stroke in the Panama-Pacific exposition indoor swimming championship meet last night, it was announced today. His time was 1:53:3-5, ...nth of a second less than [tha]t made by Weckesser of Belgium, [wh]o held the world's record.

[H]ebner holds the American record in [th]is event at 1:49 3-5, but this time was [not] allowed by the international records [co]mmittee, as it was not made in a [tw]enty-five-foot tank.

Hebner lives in Omaha, but swims under the Illinois Athletic club of Chicago.

STATE LOOP GIVES UP ALL HOPE TODAY

Last Games of the Year to Be Played at Hastings and Fairbury, and League Passes in Checks.

PLAYERS COME TO WESTERN

Today the Nebraska State league, after putting up a game struggle for existence, will pass in its checks and poin the many yeagues of the land which have found the 1915 season too much to survive. The last games of the year will be played at Hastings and Fairbury. York plays at the former point and Beatrice at the latter.

The State league started its season on May 14, and was originally scheduled to play until August 26. Eight teams were in the league, Frand Island, Fairbury, York, Columbus, Norfolk, Kearney, Beatrice and Hastings. eKarney was the first to give up the ship, and upon learning gthat Kearney was quitting Columbus disbanded also.

With six clubs in the league a new schedule supplemented the first, and again, two clubs found it necessary to drop out. Grand Island suspended following a mixup in Norfolk with Umpire Shuster. Several Island players were fined and suspended and the club owners refused to continue without the reinstatement of the players and the discharge of the umpire. When Grand Island quit, leaving but five clubs, a mail vote was taken and the vote called for the dropping of Norfolk.

Draft Third Schedule.

Thus with four clubs left, a third schedule was made and an effort made to continue the season as a four-club league. A week ago announcement came from York that that city could survive no longer. It was announced that base ball in that city would cease after last Thursday. The team, however, went to Hastings to play the series, the last game of which will be played today.

President C. J. Miles tried to arrange affairs so that the league could continue another swing around the circuit. That would make the concluding day August 2. The club owners found it would be impossible, however, and the league will disband today.

It 'is the same old story, the Class D leagues are finding the sledding too hard this year. So many Class C and Class D leagues have thrown up the sponge that a count has been lost.

Come to Western.

Several of the State league players have arranged for trials with Western league clubs. Of the Beatrice club the following will go to the following Western league clubs: Shortstop White and Catcher Buster to Wichita, Pitcher Hugging, Pitcher Pate and First Baseman Brown, to Topeka; Third Baseban Brannon, to Lincoln. Manager Fillman will go to Paris, Tex., as manager, Pitcher McDonnell, to Waterloo, Ia.; Outfielder Black, to Mason City, Ia.; Pitcher Adams, to Texas State league. Payne and Neff have not yet landed berths.

Boston Braves Take Two from Redlegs

BOSTON, July 17.—Boston defeated Cincinnati twice today, the scores being 3 to 2 in each game. A two-base hit by Schmidt in the ninth inning of the first game, when the bases were full, drove in the tying and winning runs. A pass, a fielders' choice, Moran's double, Ever's single, Connolly's sacrifice and Magee's hit gave Boston their three runs in the seventh inning of the second game. Score, first game:

Sacramento No Ball Town.

Walter McCredie of Portland doesn't think the experiment of having exhibition games played by Pacific Coast league teams in Sacramento is going to be much of a success.

Phelps Back in East.

Catcher Eddie Phelps is back with Albany. Phelps managed Albany last season, but this spring started with Sioux City, hurt his throwing arm and was released.

LOVES BASE BALL AND REALLY PLAYS THE GAME—Miss Olive Thomas, as she appears in a Yankee uniform when practising at the Polo grounds, New York. She is a daily visitor during the time the Yanks play at home.

NEW YORK, July 17.—Anyone who will go out to the Polo Grounds any day that the Yankees are scheduled to play, and go early enough, will be treated to the surprise of seeing a real live lady player cavorting about the field in uniform and practicing with the lads who rally around Wild Bill Donovan.

Miss Olive Thomas is her name, but base balling is not her regular profession. Sh—, come closer. Miss Thomas is a real live—you've guessed it—actress, and she plays the national game just for pastime—also, no doubt, for a bit of publicity.

But, be that as it may, Miss Thomas makes a bewitching figure in her natty little Yankee uniform, and the boys really like to practice with her. They say that she has the makings of a good player, and as for form—well, she is just 18, and very, very pretty.

Streak is Broken by The Chicago Cublets

PHILADELPHIA, July 17.—Alexander, who had won nine games and tied one out of his previous ten had his winning streak broken when Chicago won today's game from Philadelphia, 4 to 0. Cheney out-pitched Alexander and was in difficulty in only two innings. The visitors won the game when they sent three runners over the plate in the second inning on singles by Saier and Williams, Phelan's double and Bancroft's wild throw to the plate on Cheney's grounder. They added another in the seventh on Niehoff's juggle of Williams' grounder, Phelan's sacrifice, Bresnahan's out and Cheney's single.

Detroit Tigers Beat Athletics in Ninth

WETROIT, Mich., July 17.—Veach's triple and Owen Bush's sacrifice fly gave Detroit a ninth-inning victory over Philadelphia today, 2 to 1. Dauss and J. Bush engaged in a pretty pitchers' battle, each allowing six hits. The visitors scored in the firth inning on Lapp's single, a sacrifice hit, an out and Dauss' fumble of Davies' easy roller. Detroit immediately tied the score on a hit by Burns, which struck the top of the left field wall and bounded over for a home run.

HORSES ARRIVING FOR BIG RACE MEET

Omaha to Be Gathering Point of Races from Both Iowa and Nebraska Circuits.

HORSE RACES AT FAIR, TOO

By G. K. MURRAY.

The first horses to arrive in Omaha to compete at the driving club's meeting of August 5-6-7 at the speedway are now domiciled at the track in East Omaha. There are three of them, including C. D. M., a 2:12 class pacer, owned by R. D. Morrison, Hemet, Cal., and handled by Trainer Clark.

From now on a number of nags will be drifting in to Omaha to await the big event. Some will lay up because they have no engagements, some because they have raced too hard and others because they have not had enough preliminary work.

As the Omaha race draws near the value of the coup de etat accomplished by local officials in securing membership for Omaha in both the Nebraska and Iowa Short Ship circuits becomes apparent. Horses in both these circuits have been furnishing thrilling races for weeks, as for instance at Malvern last week, when the spectators were treated to two miles pacing better than 2:10, official time, and separately timed by horsemen in 2:08 or better. The Nebraska circuit as it always has furnished the snappiest kind of racing and fast time.

All Paths Lead to Omaha.

The paths of the horse caravans in both circuits will converge in Omaha the first week in August. Although past racing has furnished a pretty good indication of the comparative abilities of the horses competing in each circuit, no horsemen is able to predict the result after two fields of good horses are mingled at Omaha. Horses and drivers will be on their tiptoes and the result will be close and fast racing here.

Mules hitched to work-out carts and driven by some of the most prominent men of Omaha and vicinity are to put up a race, according to plans formed by Secretary O. M. Smith, which is believed to be unique in the history of the world.

A work-out cart is a long-shafted pneumatic-tired cart only a few seconds slower than a sulky, consequently none of the racers will be retarded by its "hitch." In fact each mule will be better rigged than was Maude S. when she trotted her historic record mile.

Owing to the fact that Omaha's leading citizens who have already agreed to mount the carts are not skilled in race driving and to the further fact that their steeds will also be amateurs, it is feared by Secretary Smith that the spectators may perhaps be moved to merriment as the prae progresses and yesterday he issued a statement in which he said that he was as[su]ring the men who are [to] drive in the mule race that there would be no laughter, and that he looked to the spectators to sustain him in this position.

Babe King to Pace.

Babe King, the famous pony races, will pace an exhibition quarter mile each day of the races. Babe has appeared at most of the state fairs of the country. She is the smallest horse ever trained for speed and is the fastest pony in the world, having a half mile record of 1:16, made at the Nebraska state fair. She is owned by Miss Frances Bennison and is a great pet.

Several horsemen "stopped off in Omaha" last week. Among them were Joe Carson of Winnipeg, owner of College Gent and Strathtell, entered at Omaha, and Lou Childs, the elder, of Spokane, and Mr. Anderson of Portland, owner of Imbro, the good Zombro paces, who were on their way east.

Racing at the Fair.

The Douglas County Fair association, which will also have a good race meeting on its new track at Benson next September, has announced its classes and purses. Five hundred and ... purses are offered. Entries close September 1. The program follows:

Tuesday, September 21—2:50 trot, $400; 2:25 pace, $400; 2:11 pace, $500; five-eighths mile run, $60

Wednesday, September 22—2:17 pace, $400; 2:14 trot, $500; 2:18 trot, $400; three-fourths mile run, $75.

Thursday, September 23—3:22 trot, $400; 2:08 pace, $500; 2:20 pace, $500; seven-eighths mile run, $75.

Friday, September 24—2:27 trot, $500; 2:14 pace, $500; one mile run and repeat, $100.

W. A. Page is secretary.

Closing Date for Tennis Singles

NEW YORK, July 17.—Entries for the national singles lawn tennis championship of the United States will close August 20. This is ten days before the opening of the tournament at the West Side Tennis club, Forest Hills, L. I. An innovation in the form of entry requirements is that all entrants must make formal entry through the secretary of his club. This means that no entry will be accepted direct from a player, but must come through his club. The entry fee has been set at $5 instead of the $3 fee of former years.

Members of all clubs belonging to the United States National Lawn Tennis association will receive the preference in the allotment of season tickets, as well as the privilege of subscribing at the reduced rate of $5, including admission and grandstand seats for the entire tournament. Such applications must be made through the applicant's club secretary. The grandstand at the West Side club will accommodate about 7,000 persons. If there are any surplus tickets they will be sold to the general public at the rate of $7. Tickets for single days will not be put on sale until the beginning of the tournament, Monday, August 30.
