# The Pinckneys—"Fathers of the Republic"

ERHAPS South Carolina's best gift to this Free Republic was the splendid services of her two great sons— Charles Cotesworth Pinckney and Charles Pinckney. It can truthfully be said of the Pinckneys that their love of honor was greater than their love of power, and deeper than their love of self. One played an important part in the "Louisiana Purchase"—the other, while an envoy to France, was told that the use of money would avert war, and to this replied: "Millions for defense, but not one cent for tribute" Both devoted their eminent abilities toward framing our National Law. The Constitution of the United States, as it stands to-day, was built upon the framework of a plan first proposed by Charles Pinckney. It was he who demanded that it contain freedom of religion, freedom of the press, habeas corpus and trial by jury. In political faith only did these two great men differ. Charles Pinckney was an ardent Democrat, and Charles C. Pinckney a loyal Federalist, and was twice a candidate for President. It is easy to imagine the horror that these two great lovers of Personal Liberty would have expressed if shown the proposed Prohibition Laws of to-day. It is needless to say that if alive they would VOTE NO to such tyrannous encroachments upon the NATURAL RIGHTS OF MAN. The Pinckneys both believed in the moderate use of light wines and barley brews. They also believed in legislation which encouraged the Brewing Industry because they knew that honest Barley Beer makes for true temperance. For 58 years Anheuser-Busch have been brewers of honest Barley-Malt and Sazzer Hop beers—the kind the Pinckneys knew to be good for mankind. To-day their great brand—BUDWEISER,—because of its quality, purity, mildness and exquisite flavor, exceeds the sale of any other beer by millions of bottles, 7500 people are daily required to keep pace with the public demand for BUDWEISER.
