BOOSTERS WIN BOOSTER DAY

Moines Captures Game from Links in Eleventh.

DES MOINES, Aug. 6.—Three hits, foilowed by a base on balls in the eleventh inning, broke up a pitchers' battle between Dawson and Gilligan, the locals winning, I to 6. By far the largest week day crowd of the season attended the game, a half holiday having been declared that the fans might honor the local team at a booster day celebration. Edward Walsh, the famous Chicago Americans pitcher, umpired on the bases, his club having granted him leave of absence to serve in that capacity. Seven former White Sox players were on the field as players or officials. Score:

#### Stecher to Wrestle Turk in Des Moines

Immediately after his wrestling exhibition with his brother, Anton, as a part of the Booster day ball game program, Jos Stacher caught the train for Des Moines, where this evening Joe will tie a few knots in Baba Maranoff, the latest of the crop of Terrible Turks. The match with the Turk is to be staged at Des Moines as a climax to a day of sport which includes in addition to the wreatle a 300-mile auto race in the afternoon, and a base ball game in the morning. Jack Prince and other Omaha men are promoting the Des Moines race.

FAST TIME ADDS TO LAURELS

By G. K. MURRAY.

Shadeline, District Judge Sears' chestnut pacing stallion, yesterday raced into submission a field of eight other veteran race horses, when he won the 2:12 pace, a four-heat contest, at the Speedway.

The slender, little fellow outpeeded, outraced and finally outof him, behind him or at his necktie and beat them to the wire with a little left. Himself a free-legged pacer, he contested against six hoppled horses and raced as steadily as

pled horses and raced as steadily as any of them.

To add to his laurels, the little game-cock stepped the first mile of the race in 2:15½ the fastest of the first two days of the Omaha Driving club's meeting. It must be figured as equivalent to 2:16 or better when the condition of the track and the time made on it by all the other horses which have started are considered.
