

By MELLIFICIA. Friday, August 27, 1915. THE air seems to be filled with engagements and rumors of others to be.

Today comes the interesting announcement from Mr. and Mrs. Edward A. Gudahy of the engagement of their daughter, Helen, to Mr. Austin H. Niblack, son of Mr. and Mrs. C. Niblack of Lake Forest, Ill.

Cupid has been busy this summer in the Gudahy household, as just two weeks ago Miss Florence Gudahy's engagement to Mr. Spalding of Chicago was announced. Both announcements have come from Mackinac, the summer home of the Gudahys.

The Gudahy family left Omaha a few years ago to reside in Chicago, and while here Miss Helen was a great favorite socially. She has been greatly admired here and elsewhere for her striking blonde type of beauty. She has often visited here as the guest of Miss Frances Nash. Since living in Chicago Miss Gudahy has been very active in charity club work, and last year was honored by being elected president of the Junior league, one of the best known social clubs of the city. The date for the wedding is not yet announced.

Scientists have discovered that the forest and the field, are abundantly supplied with vegetation of various kinds that furnish the ingredients for making a remedy for practically every ill and ailment of mankind. Medicines made from roots, herbs and barks which Nature has placed at the disposal of man, are better than strong mineral mixtures and concoctions. Mineral medicines work dangerously on the delicate parts of the system, especially the stomach and bowels, by eating out the lining membrane, producing chronic dyspepsia and often entirely ruining the health.
