BROOKLYN BLANKS GIBBONS TO MEET PITTSBURGH FEDS **M'FARLAND TONIGHT** Though Neither Holds Title and Tip Tops Continue Winning Streak Automobile Races at Fair Grounds

None Is at Stake, Much Interest in Match.

LARGE SUM IS DEPOSITED

The fact that the promoters of the bout have deposited \$32,500 in the hands of the stake holders, has dispelled any doubts that it may have existed as to the genniness of the battle.

On the Square. The large sum that each man will receive as well as the well known ability of the principals have attreacted unusual interest in their meeting. Each has an army of followers and arguments are heard on all sides as to why either one or the other should win.

Gibboons is a slight favorite, for the main reason that he has been fighting right along, while McFarland has not taken part in a ring battle for quite a length of time. His long absence from the ring has caused many to believe that the Chicagoan needs a bout or two in order to bring him up to fight with man of Gibbons' calibre.

Both men have trained carefully and arnestly. Each apparently believes that he will win. One thing is certain and that is both will be down to the stipulated weight by tmorrow afternoon. Big Advance Sale.

There has been a big advance sale of scats for the event and there is every
