

### Nebraska REED HAS PLENTY OF WORK ON DOCKET

Attorney General of Nebraska Looking Up Law with Regard to Corporation Tax.

### BIG QUESTIONS ARE INVOLVED

(From a Staff Correspondent.) LINCOLN, Sept. 14.—(Special.)—Attorney General Reed is hard at work on several cases in which he will appear for the state.

Among them is the Rock Island railroad case covering the payment of the state corporation tax where the road refuses to pay only on the amount of the property in Nebraska; the passenger rate case; the freight rate case; the Ridgell case, involving the payment of warrants drawn on the state for expenses of the fire commission; the case covering rights of water to mother states which covers the question whether Colorado has full control of all water in the Platte river.

### Mason at Lincoln Killed in Elevator

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 14.—(Special Telegram.)—Harry Pettendell, a Lincoln brick mason, working on the new Miller & Spivey building, was killed this afternoon. He was working on the first floor, around the elevator shaft at the same time that the company which furnished the elevator was installing it.

### FIGHT OVER MEMBERSHIP IN GRAND ISLAND HOME

GRAND ISLAND, Neb., Sept. 14.—(Special Telegram.)—William H. Kearney, in his own, and in behalf of his wife, has applied for an injunction restraining Commandant Walsh of the Soldiers' Home from ejecting them from their present rooms at the state institution.

### GOV. MOREHEAD GRANTS REQUISITION FOR RICE

(From a Staff Correspondent.) LINCOLN, Sept. 14.—(Special.)—Governor Morehead granted the request of Governor Arthur Capper of Kansas today for the return to Concordia, in that state, of A. O. Rice, wanted on the charge of procuring.

### PAWNEE COUNTY FAIR GOES OVER ONE MONTH

PAWNEE CITY, Neb., Sept. 14.—The thirty-fourth annual exhibition of the Pawnee County Fair association, which was to have been held this week, has been postponed until Tuesday, Wednesday, Thursday and Friday, October 12-15.

### BEATRICE, Neb., Sept. 14.—(Special.)

The October term of the district court will open October 8 and the jury will report until October 11. Three important damage suits, Rex Dobbs against the Burlington company, Ben Hagerman against Black Brothers, millers, and Rigby, administrator, against the local electric company, have been set for trial.

### Evangelistic meetings were opened at the new tabernacle near the high school grounds Sunday night by Dr. Oliver and party from Kansas City.

Large crowds were in attendance Sunday and Monday nights. The meetings will last several weeks.

### Monday was one of the hottest days of the season. The temperature registered 90 degrees, and with a strong wind blowing from the south the weather was ideal for the corn, which is maturing fast.

Never take peppin and preparations containing peppin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. Obtainable everywhere. All druggists. Advertisement.

### Nebraska APPLES FOR NEBRASKANS

Central Fruit Growers Never Made Such Exhibit as Shown at the Fair.

### LOCAL MARKET GETS BENEFIT

(From a Staff Correspondent.) LINCOLN, Sept. 14.—While the purely agricultural display at the Nebraska state fair was a wonderful collection of corn, wheat, oats, potatoes, grasses and the like, probably the memory of the fruit display will linger longer in the minds of the visitors as the really big thing of the fair. With over 5,000 plates of fruit, mostly apples of different kinds, with a splendid assortment of pears, grapes and like fruit, nothing quite to compare with it was ever before seen in the west.

### Fruit Growers Active.

Of course the Central Fruit Growers' association must be given credit for the largest display, for it contained the displays of members of the association, as well as the association itself. Marshall Bros. of Arlington, E. M. Pollard of Nebraska, G. H. Christy of Johnson, Val Klieser of Otoe county, O. J. Atherton of Brownville, L. H. Barman of Valentine, C. H. Barnard of Table Rock, H. A. McComb of North Platte and Christy George of Butler county, and a few others had excellent individual displays in the different classes as well as some of them furnishing parts of the display of the association.

G. N. Titus of Nemaha had eight boxes of apples packed in the latest approved method, the apples ranging from the common size up to the large ones which weighed nearly a pound each.

### Late Apples Light Crop.

The association is pretty well supplied with apples this year and has at the present time about 300 car loads of bulk apples ready for the market. The early apples were an abundant crop, but, according to members of the association, the late apples will not be as abundant. The apple crop in localities outside of Nebraska, where the shipments have been heavy, will not be up to the standard this year, because of light crops, according to information coming to the association.

### The association intends to follow out this year the system started last season of giving Nebraska people the first call on Nebraska apples, instead of letting the eastern speculators come in and carry off the cream of the orchards, leaving local people to take the culls or buy from Colorado, Oregon and Washington.

The plan planned out to well last year that it will be continued this year and Nebraska people who desire to get the real Nebraska apple can get in communication with any of the apple growers, or with the association at Nebraska City.

### SUIT TO DISSOLVE FARMERS LUMBER CO

BEATRICE, Neb., Sept. 14.—(Special.)—James C. West Monday filed a petition in the district court for the dissolution of the Farmers' Lumber company of Kinney, this county, the sale of its property, the proceeds to be distributed after its debts have been paid. Plaintiff also asks for the appointment of John W. Gardner of Wymore as receiver.

### HASTINGS IMPROVERS PUSH PAVING CAMPAIGN

HASTINGS, Neb., Sept. 14.—(Special Telegram.)—Only one of twenty-two paving districts have been defeated by remonstrance. Hastings has launched the biggest paving campaign in its history. The construction already assured will total more than \$300,000. About eight miles of paving is in contemplation.

### News Notes of Plattsmouth.

PLATTEMOUTH, Neb., Sept. 14.—(Special.)—The city council last evening appointed George Hietel as the city engineer and his weighing shall hereafter be authoritative.

### Mayor Ritchey signed the ordinance granting the light contract to the Nebraska Lighting company for a term of five years.

A petition of large proportion was presented him some days since and a number of delegations of citizens called upon him in the interest of the city and at consumers, but the ordinance has been signed and has now become a law. The new assignment of lights and their location will not be made for some time.

### The library board has definitely decided on a location for the new library and has bought the site.

Threehermen Have Problem. STELLA, Neb., Sept. 14.—(Special.)—A meeting of farmers and threehermen of Richardson county is called for Falls City, Thursday afternoon, September 16, for the purpose of establishing a temporary price for this season's threehering. In order to pay running expenses. The grain is so light and tests so low that threehermen cannot pay their expenses from the customary charge per bushel for threehering.

### Willows for Riprap Work.

STELLA, Neb., Sept. 14.—(Special.)—Willows are being cut on the Missouri river near Brownville to be used by the government in riprap work near Kansas City. The willows are loaded on barges and this week a steambot will come to take the barges down. The government is doing extensive riprap work along the lower Missouri river in an effort to prevent floods.

### PAWNEE CITY Bonds Approved.

PAWNEE CITY, Neb., Sept. 14.—(Special.)—At a special election held by the village of DuBois, eleven miles southeast of this city, bonds in the sum of \$7,000 were voted for the purpose of lighting the village with electricity. As soon as the bonds are accepted by the state auditor the work of constructing a transmission line from the municipal plant in this city will be started, and it is hoped to have the line completed by November.

### LUTHERANS AVOID PEACE PROPAGANDA

General Council Says it is Not Policy of the Church to Influence Governments.

### BOOKS OF WORSHIP REVISED

ROCK ISLAND, Ill., Sept. 14.—Refusal of President T. E. Schmauk to act in common with other American denominations in an appeal for peace to the governments of Europe was strongly endorsed in resolutions adopted today by the general council of the Lutheran church of North America. Dr. Schmauk, when appealed to by other churches to participate in the plea to the European powers, took the stand that "in contrast with the action of the Roman Catholic church, it is not the policy of the Lutheran church to participate in politics or to take action looking toward the influencing of governments."

It was also resolved that "the council laments the trials, dangers, tribulations and manifold sorrows, which the ravages of the terrible war in Europe have caused, and expresses the hope that God may hasten the day when the blessing of universal peace shall again descend upon suffering humanity."

### Books of Worship Revised.

The report of the church book committee announced that the work of revising the English books of worship in the Lutheran churches had been completed after many years' work, and it was hoped that the new forms would contribute largely toward a united English Lutheran America.

### Mine Workers Test Power of Military Court in Colorado

DENVER, Colo., Sept. 14.—R. W. Coates, a detective employed by the United Mine Workers of America, today was forcibly arrested on a body attachment issued by the military court of inquiry investigating charges against National guard officers.

### Whetzel Elected Omaha Moderator

PAPILLON, Neb., Sept. 14.—(Special Telegram.)—The Omaha presbytery convened in the Presbyterian church last evening. The opening sermon was preached by Benjamin F. Fye of Tekamah, after which a reorganization was held by electing Rev. C. N. Whetzel of Creston, Neb., moderator, and Rev. M. Ellis of Monroe and Rev. B. F. Fye of Tekamah, clerks.

### Two Young Men Hurt, One Fatally, in Upset

KIRARNEY, Neb., Sept. 14.—(Special Telegram.)—Nels Altmeyer will die and L. A. Schroeder is badly injured as the result of an auto accident west of this city this evening. The young men were returning from a wedding west of the city and were speeding their machine on the Lincoln highway when it struck a shallow ditch at an angle which turned it over, twice and righted itself backward, facing just the opposite direction from which the young men were traveling.

PAPILLON, Neb., Sept. 14.—(Special Telegram.)—The Omaha presbytery convened in the Presbyterian church last evening. The opening sermon was preached by Benjamin F. Fye of Tekamah, after which a reorganization was held by electing Rev. C. N. Whetzel of Creston, Neb., moderator, and Rev. M. Ellis of Monroe and Rev. B. F. Fye of Tekamah, clerks.

### Whetzel Elected Omaha Moderator

The attendance was very good, there being about thirty present. Fifty or more should have been present, but interest in the "Bible" Sunday meetings declined many.

### Whetzel Elected Omaha Moderator

The meeting adjourned this afternoon to meet at the Presbyterian headquarters, the Young Men's Christian association building in Omaha, October 4 at 1:30 p. m.

### Whetzel Elected Omaha Moderator

The women of the Presbyterian church served a fine chicken dinner at the opera house.

### Whetzel Elected Omaha Moderator

Altmeyer sustained a broken back, a number of broken ribs and serious internal injuries, and Schroeder was injured in the back and chest. Both men were thrown out of the machine when it struck the ditch.

### FAVORS PERMANENT BRIDGES

Repairing and Replacing Steel and Wood Structures Cost More Than Concrete.

### ENGINEER PRESENTS FACTS

OAKLAND, Cal., Sept. 14.—In a speech before the Pan-American road congress here today, W. R. Gearhart, Kansas highway engineer, displayed the poor business policy of building cheap culverts and bridges which have to be repaired or rebuilt after every flood, making the expense in the long run much greater than an original permanent structure would have cost and declared concrete bridges to be the most durable and serviceable under all conditions.

### Cost of RENEWAL HEAVY.

"The constant drain on the public funds for renewing wood floors and stringers and bridges built of light steel is very great, and the flood damage to these temporary structures is enormous. The direct losses due to the time cost of the construction and maintenance of bridges and culverts," Mr. Gearhart said, "The amount expended for new bridges and culverts on new sites is very small, so that practically all of these expenditures should properly be charged to maintenance."

### George Yardley Snaps Collarbone At High Practice

Central High school's foot ball hopes for 1915 suffered a severe jolt Tuesday afternoon when George Yardley, who last year was a star on the championship Oak Park High school eleven of Chicago, sustained a broken collarbone diving for the ball. Dr. H. B. Hamilton reset the bone and announced that Yardley would probably be out of the game for the greater part of the season.

### Yardley was counted upon to be one of the stars of the Central team.

The fact that he played at Oak Park was sufficient for Central rosters to know that he is a first-class player. It is hoped that he will be able to play in some of the later games of the year. Coach Mulligan put his squad through a hard practice again yesterday. The coach is suffering from want of heavy line men. Most of the material out is light and Mulligan is anxious to have some of the heavier fellows in the school turn out.

### Straight Heats Rule At the Grand Circuit Meet at Syracuse

SYRACUSE, N. Y., Sept. 14.—Straight heat victories ruled at the Grand Circuit meeting this afternoon, not a race going beyond the regular limit. Single G scored an easy triumph in the Onondago 2:07 pace, over four other starters.

### Straight Heats Rule At the Grand Circuit Meet at Syracuse

Carpenter drove Almah to victory in the 2:15 trot against eleven other starters. Almah won by a stern chase in the first two heats, but fell short on each occasion coming down the home stretch. Cox won handily in the 2:05 trot, piloting Margaret Druien across the line to win easily, with Joan close up, Rhythm never being a contender.

### Straight Heats Rule At the Grand Circuit Meet at Syracuse

The Mesina Springs sweepstakes for 2-year-old trotters was won by Sunol. Beverly finished ahead of the field in the final heat, but the judges ruled against him on the ground that he ran part of the distance. The 3-year-old division event was completed by Eudora Spier, capably handled by Ernest White.

### Roumania Orders Mobilization of a Part of Its Army

LONDON, Sept. 14.—A partial mobilization of Roumanian troops has been ordered in preparation for eventualities following the concentration of Austrian forces in Transylvania, according to reports from Bucharest, says a Reuter dispatch from Athens.

### Roumania Orders Mobilization of a Part of Its Army

ATHENS, Sept. 14.—(Via Paris, Sept. 14.)—The situation on the Roumanian frontier is not considered immediately menacing to persons in official circles, especially in view of the fact that Roumania is not yet fully prepared for eventualities. The tenacity of the situation has prompted steps, however, for a closer understanding between Greece, Roumania and Serbia, with a view to eventual action in the event of an Austro-German attack. Bulgaria has not been included in these negotiations, for it is now admitted that the Turco-Bulgarian agreement finally has been signed and that Bulgaria will not accept Serbian concessions.
