

Kept Getting Worse. Could Not Put Hand in Water for Six Months. In Three Weeks

HEALED BY CUTICURA SOAP AND OINTMENT

"I had a breaking out on my hand last fall and I tried everything that I could think of, but it kept getting worse. It was called eczema. I was given

a salve which healed it for a while but it broke out again. Just one pimple broke out on my hand first and it itched and burned so badly I could bardly stand is. I could not put my hands in water for about six months. I was doing

my work with one hand all that time. "I sead an advertisement of Cuticura Soap and Olatment and I decided to give whem a trial. The Cuticura Soap and Ointment healed it in three woeks." (Signed) Mrs. Alice Creed, R. R. No. 3, Wahnut Grove, Mo., Jan. 20, 1915. Sample Each Free by Mail

TODAY S BEAUTY HINTS

To whiten and beautify the comblexion permanently we have found no better preparation than a lotion made by dissolving four ounces of purmax in a half pint of hot water, then adding two teaspoonfuls glycerne. This removes any pimples, shiny, muddy or sallow appearance, and will make anyone's skin clear, smooth and velvety. It does not show or rub off like powder; in fact, it seem a part of the skin; and for removing tan and freckles is unequaled.

It is necessary to shampoo more requently in the warmer weather behause of excessive dust and the fact that the head perspires more and is asually more exposed to the weather. The easiest to use and quickest drying shampoo that we can recommend to our readers can be prepared very sheaply by dissolving a teaspoonful of canthrox, obtained from your druggist, in a cup of hot water. This rubbed into the scalp creates a thick lather, soothing and cooling in its action, as well as very beneficial to scalp and hair. After rinsing, the scalp is fresh and clean, while the hair dries quickly and evenly, de-veloping a bright luster and a soft fluffiness that makes it seem very heavy.-Advertisement.

"The efficiency of any drug" says Dr. C.P. Robbies, "is known to us by the results we obtain from its use. If we are able to con-trol prim and disease by means of any pre-paratize, we certainly are warranted in its use. One of the principal symptoms of all diseases is pain, and this is what the patient most often applies to us for, i.e. sor thing to relieve his pain. If we can arrest this promptly, the patient is most inble to trust in us for the other remedies which will effect a permanent cure. One remedy which I have used largely in my practice is Antia permanent cure. One remedy when a have used largely in my practice is Anti-kamnia Tablets. Many and varied are their uses. I have put them to the test on many occasions, and have never been disappoint-ed. I found them especially valuable for

Omaha High Has Two Open Dates

Efforts are being made by the athletic board at Central High school to bring two high school elevens hore October 23 and November 25. South High has already spoken for the Thanksgiving game, but nothing has been done so far toward closing a contract. The opening game probably be with Creighton High, will October 2. Omaha will go to Des Moines to play East Des Moines, October 16, and to York, October 30. Lincoln High plays here November 6. Omaha goes to North Platte, November 13. Sloux City will come here November 20. When games have been scheduled for October 9 and November 25 it will give Omaha six games at hime and three away.

Practice was held yesterday in spite of the rain. The men were divided into two squads, old men and rookies. They practiced catching passes and punts. The practice was concluded with calesthentics and a run around the field.
