ANOTHER CHANCE  
FOR REED TO RULE

Section of Statutes Found that Bears  
Down Hard Upon State Treas-  
urer in Warrant Stand.

## STILL THERE MAY BE LOOPHOLE

(From a Staff Correspondent.)  
LINCOLN, Sept. 17.—(Special.)—Har-  
mony, the kind that makes a democrat  
want to kick a cat just to see it jump,  
is still seeking whom it may devour.

While state officers and their ap-  
pointees are holding their breaths won-  
dering what will come next, up pops a  
new complication and the little old dove  
of peace leaves his frail footing on the  
top of the old state house dome and  
hides himself in "Robbers' Cave," out  
near the penitentiary.

When State Treasurer George Hall  
yesterday discovered that he was in  
error when he thought no appropriation  
had been made to pay expenses of the  
state fire commission and refused to pay  
the warrants when presented by Fire  
Commissioner Ridgell, he promptly not-  
ified the commission that the funds  
were ready for him.

## Find New Section.

Now comes another complication. Sec-  
tion 653 of the statutes says:

"Any such treasurer who shall fail  
to register any warrant in the order of  
its presentation therefor, or shall fail  
to pay the same in the order of its regis-  
tration, shall be liable on his official  
bond to each and every person, the pay-  
ment of whose warrant or warrants is  
hereby postponed, in the sum of \$500  
to be recovered in a civil action, one-  
half of which shall go to the person  
bringing such action and one-half to the  
school fund in the county wherein such  
action is brought."

## Section 652, under the caption of

"Penalty for Refusal to Pay Warrant,"  
reads:

"If the state treasurer shall willfully  
refuse or neglect to pay any warrant  
lawfully drawn upon the treasury, when  
the money for the payment of the same  
is in the treasury, he shall forfeit and  
pay four-fold the amount, to be recov-  
ered by action against the treasurer and  
his sureties on his official bond or oth-  
erwise. He shall also suffer such pun-  
ishment as the law shall provide."

## Possible Loophole.

There is a slight chance for a hitch  
in that the warrants are said never to  
have been signed by Hall as state  
treasurer, and consequently were of no  
value as warrants until after they bore  
his signature. If such is the case a  
state treasurer could refuse to sign war-  
rants with the same effect as his re-  
fusal to cash them afterwards and the  
real purpose of stopping payment would  
have been effected.

This will give another chance for a  
ruling by the attorney general.

Minden Issues Call  
For Return of Pastor

MINDEN, Neb., Sept. 17.—(Special.)—The  
Methodist Episcopal church closed up its  
business for the church year ending Sep-  
tember 16. Rev. M. B. Carman has been  
highly successful in his charge, which he  
has held continuously for six consecutive  
years, contrary to the usual custom in  
the Methodist church. During the six  
years the pastor has had 253 conversions  
in his own church besides conducting re-  
vival services on the outside wherein he  
has had 425, all told 678 conversions. The  
conference cast a unanimous vote for  
Rev. M. Carman's return for another  
year. The church is in splendid financial  
condition.

## Ladies' Auxiliary Meets.

UNION, Neb., Sept. 17.—(Special.)—The  
Ladies' auxiliary of this Episcopal diocese  
met at the Episcopal church at Union  
Thursday afternoon, for their quarterly  
conference. Lunch was served at the  
country residence of Mr. and Mrs. A. B.  
Fenn near the church. Those present  
were Mesdames Lee, George Dodge, J.  
H. Kuhns, T. P. Livingston, J. H. Don-  
nelly, W. J. White, A. W. Dawson, J. A.  
Donelan, Misses Barbara Gering and  
Dora Frickie of Plattsmouth, Mrs. Philip  
Potter, Mrs. John Glover and Miss Jessie  
Royce of Omaha. The attending ministers  
were Rev. Mr. Lee of Plattsmouth,  
Rev. W. W. Barnes of Nebraska City and  
Rev. Mr. Knowles of Auburn.

## Elmwood Bank Change.

WEEPING WATER, Neb., Sept. 17.—  
(Special.)—A large portion of the stock  
in the Elmwood State bank at Weeping  
Water has changed hands in a day just  
completed. The purchasers are R. C. King  
of Hildreth, Neb., and H. B. Gipsen of Odell,  
who bought the interests of R. M. and  
Robert Turner. Mr. King will assume  
the office of vice president of the bank  
and Mr. Gipsen will become assistant  
cashier. The present cashier, E. E. But-  
ler, will remain with the institution and  
his father, E. E. Butler of University  
Place, remain as president. The bank  
was formerly the First National bank of  
Elmwood, but was reorganized and con-  
verted into a state bank in April, 1914.

## Boosting New Highway.

WEEPING WATER, Neb., Sept. 17.—  
(Special.)—Five delegates have been  
selected by the Auburn Commercial club,  
and five by the city of Auburn, to send  
to New Orleans on November 15 and 16 to  
attend the organization meeting of the  
Jefferson Highway association. The  
proposed Jefferson Highway is a na-  
tional highway to extend from New  
Orleans to Winnipeg, Canada. Omaha,  
Kansas City and Sioux City and inter-  
mediate towns are along a direct route  
from New Orleans to Winnipeg and are  
interested in the routing of the new high-  
way.

## Hindley Hall Sold.

WEEPING WATER, Neb., Sept. 17.—  
(Special.)—Miss Josephine Pittman of  
Union has bought Hindley hall, the four-  
story building, formerly serving as a  
girls' dormitory for the Weeping Water  
academy. The academy closed its doors  
in June, 1914.

Miss Pittman will use the building as  
a boarding and rooming house. Other  
parties had considered buying it to use as  
a hospital or sanitarium.

## Fillmore Fair Is Good.

GENEVA, Neb., Sept. 17.—(Special.)—A  
splendid crowd attended the fair today,  
estimated at 8,000. Floral hall is packed  
with exhibits. The "guides" wonder-  
ful and the racing ostrich were features.

## ARTHUR ENFORCES DEMAND

New County Brings Suit to Be In-  
cluded in Thirteenth Judicial  
District.

## NEW BUILDING ON BIG CORNER

(From a Staff Correspondent.)  
LINCOLN, Sept. 17.—(Special.)—Suit  
was filed in the office of the supreme  
court this morning by Attorney General  
Reed against Judge Grimes of the Thir-  
teenth judicial district for the purpose  
of compelling the judge to hold court in  
Arthur county.

When the last legislature changed the  
judicial districts of the Eighth and  
Ninth districts it was necessary to in-  
clude in the bill all of the districts. The  
clerk who copied the bill took an old  
statute, which was printed before Ar-  
thur county was organized, and conse-  
quently when the bill was passed that  
county was left out. The territory em-  
bracing Arthur county has always been  
in the Thirteenth district and the suit  
is one to make legal the holding of the  
terms of court so that Arthur county  
may become a part of the Thirteenth  
district.

## Switch Rate Hearing Put Over.

The hearing before the State Railway  
commission on the complaint of the  
Peters Milling company of Omaha  
against the Great Western Railway com-  
pany covering certain charges in  
switching rates, which was to have been  
heard today, has been postponed for a  
couple of weeks.

## Given License to Wed.

Jacob Brown of Omaha, aged 22, and  
Nellie Oberman of the same city, aged  
20, were granted a license to marry at  
the Lancaster county court house yester-  
day.

## New Six-Story Building.

Lincoln's principal business corner,  
Thirteenth and O, is to have another  
new building, the Meier Drug company  
having made a lease of the property  
where they now have their business, for  
nine years, with the contract that a  
building not less than six stories nor  
more than ten shall be erected thereon,  
work upon the same to begin as soon as  
possible.

Alleged Horse Thief  
Taken at Beatrice

BEATRICE, Neb., Sept. 17.—(Special.)—  
Charles Gray, who gives Tulsa, Okla., as  
his home, was arrested fourteen miles north-  
east of Beatrice, Thursday, by Sheriff  
Acton on a charge of stealing a horse and  
buggy belonging to William West, a  
farmer who resides southwest of Pick-  
rell. He was brought here and lodged in  
jail. The rig was missed by Mr. West  
at the picnic at Pickrell Wednesday even-  
ing. Gray told the officers he was in-  
toxicated when he took the rig, and said  
that he had lost \$50 in a crap game at  
Pickrell Wednesday. He is 39 years of  
age.

A sneakthief entered Gale's studio on  
Court street Wednesday and stole a  
camera valued at \$70.

Joe Michael, 5 years of age, was struck  
by the delivery auto of the Dole Floral  
company on North Thirteenth street  
Thursday with the result that his arm  
was broken and his body badly bruised.  
Will Tanner, of this city, brought to  
town Thursday samples of corn gathered  
on his farm in Jefferson county. The  
ears are very large and well filled, and  
is so far advanced that it is out of the  
way of frosts. He says the field will  
average at least sixty bushels to the acre.

## Improvements at Exeter.

EXETER, Neb., Sept. 17.—(Special.)—J.  
C. Wilson has begun wrecking the frame  
store building he had occupied for several  
years and will erect a modern brick  
structure on the site. This will leave but  
one frame building on the west side of  
this block.

Sam Debus built a very neat little  
home several blocks south on Main street  
last spring. Mrs. Thomas Campbell is  
just completing a cozy home in the south-  
west part of town, and Mr. C. C. Stephens  
has purchased a house six blocks south  
on Main street and is making two ad-  
ditions to it. He will retire from his  
farm and move to town as soon as he  
can get his residence completed.

Several other additions and improve-  
ments are being made on town prop-  
erties and two or three fine homes in the  
country adjacent are being built.

## Big Crowd at Madison Fair.

MADISON, Neb., Sept. 17.—Yesterday  
at the fair was a record-breaker in at-  
tendance, 10,000 people passing through  
the gates. All school children were ad-  
mitted free, which helped in a consid-  
erable degree to swell the attendance.  
Fully 800 automobiles passed the gates  
and were parked nearby.

Newman Grove defeated Madison by a  
score of 7 to 3. Batteries, Newman  
Grove, McKay and Hays; Madison,  
Wehrle and Arthur. Each team made  
four hits. Strikouts: By McKay, 10; by  
Wehrle, 7.

Hauge of Newman Grove won the prize  
for high jumping and Paulson of Colum-  
bus took first money in the motorcycle  
race; Goodman, second money, and Trine,  
third.

## Harvard Woman Dies Suddenly.

HARVARD, Neb., Sept. 17.—(Special.)—  
Mrs. William Stephaan, residing on a farm  
nine miles northeast of Harvard, was  
found dead in her bed yesterday morn-  
ing. She complained of not feeling well at  
bedtime last night, but nothing serious  
was apprehended. Her husband called  
to her, and receiving no response reached  
over and touched her and found her  
body cold. She evidently had passed away  
without a struggle in the night. She was  
47 years old, and leaves her husband  
and several children.

## Contract to Omaha Firm.

BEATRICE, Neb., Sept. 17.—(Special  
Telegram.)—Gould & Son of Omaha have  
been awarded the contract for erecting  
the new building at the institution for  
feeble minded youth here. The contract  
price was \$21,955.65. Work will be started  
on the building at once.

## A Mother's Peace.

If every expectant mother would  
get Mother's Friend from her drug-  
gist and would apply this wonderful  
external remedy and valuable help as  
directed, she would soon experience  
comfort and peace of mind. For many  
years this time-tried remedy has been  
used and strongly endorsed by experi-  
enced mothers, for it is the one safe,  
dependable remedy that penetrates to  
relieve all strain on nerves, cords, lig-  
aments and all parts involved. It  
makes the muscles expand naturally  
and stops pain.

All F-4 Type Subsea  
Craft Are Ordered  
Out of Commission

WASHINGTON, Sept. 17.—Secretary  
Daniels today ordered all submarines of  
the F-4 type out of commission until a  
thorough examination of them can be  
made. His action was taken upon the  
report of the board of inquiry investigat-  
ing the sinking of the F-4 at Honolulu on  
March 25, which ascribes the accident to  
a battery explosion. The F-4, F-2 and  
F-3 probably will be brought under con-  
voy to the Mare Island navy yard for  
examination.

Later this statement was issued at the  
Navy department:

"Secretary Daniels announced that care-  
ful examination of the F-4 by the board  
of investigation appointed for the purpose,  
showed that in the batteries, the lead  
plates were badly corroded through in  
places and that the corrosion existed in  
the steel plates in several places."

"Secretary Daniels has ordered under  
examination the F-1, F-2 and F-3. They  
probably will be sent to Mare Island  
navy yard for thorough overhauling with  
a view to correct the inherent fault in  
batteries and in the meantime has issued  
instructions suspending all exercises of  
the submerged runs of these boats."
