# IOWA HAS HOST OF PLAYERS

Much Material on Field for Hawkeye Mentors to Select From.

#### NUMBER OF VETERANS IN LINE

IOWA CITY, Ia., Sept. 18 -(Special) With the inauguration of official practice Monday the foot ball season will commence with a rush at the university. Today thirty men were in uniform or Iowa field, including a large number of veterans. The squad has been working under the direction of Captain Barron but starting Monday Coach Hawley will take active charge.

"There is a surplus of material for this season," said Coach Hawley today, "and a battle will be waged for each one of the positions on this fall's eleven. Especially is this true of the backfield, where we have a quartet of veterans in addition to the four star backs of last year's freshmen eleven."

Practically every veteran from last year's backfield will be back with the exception of "Mucker" Wills. The absence of the latter will be sadly missed, as it was thought probable that he could be used to plug up one of the holes existing on each end of the line.

Among the veterans who have already reported to Captain Barron are: Gross Garrettson, Bannick, Kadesky, Morti-more and Jacobsen. Second string men who have been working out on Iowa field are: Tripplet, Shrauger, Blackburne. Robinson, Holmes and Barber. There have been many freshmen, including: Davis, McKee, Laun, Mendenhall, Wy land, Bowlesby and Kelly.

Iowa opens the season October 3 with Cornell. The second practice game will be played October 9, with Morningside college. Both will be played at Iowa City. The first big game of the season is scheduled for October 16, when Northwestern comes to Iowa City.
